MARRYING MANVILLE PICKS NO. 10

MUCH-MARRIED TOMMY MANVILLE claims his surf casting days are over as he glances at his latest catch, Corrine Daly, 24, at the Manville estate "Bon Repos," Mamaroneck, N. Y. The asbestos heir, just divorced from his sixth wife, Anita Frances Roddy-Eden, has announced that Miss Daly, sister of a New York policeman, will be No. 10. They met when the small boat she was sailing grounded on his beach and he fished her out of the pounding surf. (International Exclusive)

American Marines Repulse Chinese

Officials Not In Agreement On Price Rise

WASHINGTON, (AP)—High officials of the Truman administration, were contradicting each other right and left today on the subject of rising prices.

Some capital quarters thought the President himself might have to step in soon to break up the public feuding between Price Stabilizer Ellis Arnall, Secretary of Commerce Charles Sawyer, and Secretary of Agriculture Charles F. Brannan.

Arnall has been ducking verbal brickbats from his fellow administration officials ever since he told Mr. Truman—and the public—that food prices are about to "get out of hand," partly as a result of the long drought in farming areas.

Brannan promptly called in reporters to say that was nonsense. He said the drought would have little effect on overall food production and prices.

SAWYER TAKES POKE

Yesterday, Sawyer stepped forth to take a poke at Arnall. He disclosed that his Commerce Department had conducted a little survey of its own and found "no widespread price increases" as a result of the drought.

This announcement raised a number of eyebrows around the capital, because checking up on crop damage and food prices is not normally a Commerce Department function.

Sawyer went on to say that people, meaning Arnall, should be careful "to make sure the facts rather than fancy are presented to the American public." "Guesswork and propaganda" about the effects of the drought on food prices, he averred, is a good way to set off a wave of scarce buying that will in itself be inflationary.

Arnall, who wants to resign Sept. 1 anyway, let Sawyer's shaft pass without a reply.

But some of Arnall's friends believed that Sawyer's own "survey" tended to support the price stabilizer's warnings.

E. H. BOST, top photo, will be a guest speaker at the opening of the Chicora Country Club this afternoon. Master of Ceremonies will be James Snipes, lawyer photo.

Toughest Battle Of Korean War Now In Progress

SEOUL, Korea, (AP)—American Marines, in their "toughest battle" since they've been on the Western Front, repulsed tonight the third Chinese attack on "Bunker Hill" in 28 hours.

The Leathernecks tore huge caps in the lines of an advancing Chinese battalion - approximately 750 men—that struck at 9:05 p. m. under a sky furiously lit by shell fire.

At 10:15 p. m., a Marine spokesman said, the attack was broken.

The Chinese charged recklessly through an intense barrage from their own artillery and mortars.

Big guns kept on throwing shells into Allied lines after the Red infantrymen broke and ran. Allied artillery boomed in reply.

It was the Red third try since 4 p. m. Tuesday to knock the Marine off the strategic height, five miles east of the truce village of Panmunjom.

Maj. Gen. John T. Selden, commander of the 1st Marine Division, said the fight for the hill was "the toughest battle since we've been over here" on the Western Front.

"The Chinese Communists are hurt," he said.

FIGHT 1200 REDS
The Marines captured the hill yesterday and then in the space of 12 hours battered back two counterattacks involving nearly 1,200 Reds.

Between 4 p. m. yesterday and 6 a. m. today 2 a. m. EST and 6 p. m. EST, Selden said, the Communists hurled between 10,000 and 15,000 rounds of mortar and artillery on the embattled Marine defenders.

COUNTRY CLUB GOLF SHOP — One of the features of the newly opened Chicora Country Club is a completely equipped golf shop where the members and visitors can obtain anything needed. Pictured are, left to right: Morris Wade, Dunn businessman, Hal Jernigan, professional at the club, and attorney Duncan C. Wilson. Late this afternoon President Eugene Smith will deliver a welcoming address and Manager E. H. Bost of Erwin Mills will speak to the crowd. (Daily Record photo by T. M. Stewart).

Truman's Candidate Loses By Landslide

LITTLE ROCK, Ark., (AP)—Anti-Truman Democrats rejoiced today in their victory over Gov. Sid McMath after a bitter critic of the national administration swept to a landslide victory in Arkansas' gubernatorial run-off primary.

AFL Proposes Election Now

Manager J. Thomas West of Local Union 251 of Erwin Mills-AFL, said today that the AFL group is issuing a challenge to their CIO rivals, to hold an immediate election, to determine union affiliation in the Erwin Mills plant.

"We are tired of the stalling and delay," West declared. "The sooner an election is held, the more time there will be for the union of the Erwin workers' choice to negotiate a new contract before the present contract expires on October 11."

"If Rieve's disorganizers refuse this challenge," West asserted "they will stand exposed as willing to sacrifice the Erwin workers' welfare for their own selfish ends. We dare TWU-A-CIO to agree to the holding of the election now." West said the move had the support of all of the AFL groups, Local 351 Coolee, Local 267, Durham and his own local.

CITY'S MASS VOTE

In an election at the Arnold Print Works in North Adams, Massachusetts, West said, the workers voted 451 for the UTW, 21 for no union and only 3 for TWU, in the first New England vote among former TWU-A-CIO mem-

(Continued On Page Two)

Chancellor Francis Cherry, a stocky 42-year-old Jonesboro, Ark., judge, defeated McMath who was endorsed by President Truman, by a five-to-three margin in yesterday's election.

It was the second rebuff for Mr. Truman in a week. His own state of Missouri nominated Stuart Symington of St. Louis to the Senate after the president had pledged his support to state Atty. Gen. J. E. Taylor.

McMath, who was seeking a third term, conceded defeat late last night.

Nearly complete returns gave Cherry 153,385 votes and McMath 95,189.

FULLFILLED PLEDGE

Cherry thus fulfilled his pledge to "give McMath the same treatment Harry's boy Taylor got in Missouri."

Cherry, a soft-spoken, white-haired "country judge," used radio "talkathons" to give the 40-year-old governor his first political spanking. McMath had bought to be the first third-term governor of Arkansas since 1906.

The McMath defeat was considered evidence of a growing opposition to President Truman's fair deal policies in Arkansas. Cherry ran on an anti-administration platform and made periodic attacks on McMath's close political ties with the president.

McMath said, in conceding defeat, "It was evident the people (Continued On Page Five)

Nudist Convention Opened In Jersey

By H. D. QUIGG (UP Staff Correspondent)

CONVENTION GLADE, MAYS LAND, N. J. — Nudists of America gathered in solemn convocation today, faced with the bare fact that no one knew who was in charge.

As the 21st annual convention of the American Sunbathing Association began a five-day session, the naked truth was that they were legally in the altogether—that is, altogether without officers.

FULL UNDESS DEBATE

There will be a full undress debate on that subject tomorrow. Today, the vanguard of an expected 300 delegates from 30 states was arriving and stripping down to bare essentials over the 150 acres of Sunshine Park—home of the ASA. They were expected to spend the

day registering, exchanging greetings and glances, caucusing, and gathering in smoke-filled dells. Tomorrow comes the fireworks. American nudists have got themselves in an uproar during the past year, and this is the time of decision.

Superintending the balloting for new officers will be a court-appointed panel of three men, who, as far as can be learned, will come fully clothed. The panel was appointed by Superior Court Judge Vincent S. Haneman of Atlantic City, who last March ruled that the association was legally without officers.

BAPTIST MINISTER POWER

This grew out of a sad schism between the Rev. Hisey Boone, 73-year-old Baptist minister who for 20 years has been a power in Am-

Ford Dealer Building Lot

Construction was underway here today on a new modern Ford dealer car lot as an addition to Auto Sales and Service Co., local Ford-Mercury dealer.

President Henry Sandlin said the work should be completed within the next two weeks.

The new lot is located at the corner of Cumberland and South Fayetteville Avenue, right kate-corner from Auto Sales and Service, large modern building.

MODERNISTIC DISPLAY

Mr. Sandlin said it would be a modern, up-to-date car lot. Surrounding walks are being paved and large floodlights will be used to illuminate the lot at night.

The lot is already built up higher than the surrounding walks, which will elevate the cars on display above street level.

Mr. Sandlin said the present lot, beside his building, will be used for new car storage and for parking by customers.

The new lot will also have a modernistic office.

The staff is composed of Howard Dixon, sales manager, W. C. Glover and Kermit West.

Sale Of Bread Brings \$200

More than \$200 was realized by the bread sale conducted by the members of the Dunn Junior Chamber of Commerce Monday, it was reported this morning by Woody Carroll, sale chairman.

One public spirited citizen, who desires to remain anonymous, paid ten dollars for a loaf of bread, Carroll reports, and everyone co-

City Council To Meet Friday

The next regular meeting of the Dunn Town Board will be held Friday night at 8 o'clock, instead of Monday night as scheduled, it was announced today by Mayor Ralph Hanna.

The meeting has been advanced, Mayor Hanna said, in order that the new City Manager A. B. Uzzle, Jr., who arrives to take office Friday, may be sworn in and familiarize himself with some of the problems he will be called upon to solve.

72 Cases Tried In Harnett's Court

Harnett Recorder's Court, pushing through an array of 72 cases, cleared the docket Tuesday of many cases arising out of affray, traffic violations and liquor offenses.

Judge M. O. Lee, who was on the bench for the day-long session, levied fines and court costs totaling \$1,103.10, giving the clerk of the court's office one of its busiest financial days in weeks. In the absence of Solicitor Neil McKay Ross who is on vacation, Attorney A. R. Taylor prosecuted the lengthy docket.

Bob Young and D. C. Wilson took turns giving Taylor brief reliefs at the prosecutor's job.

On request of the acting solicitor, a large batch of minor traffic cases were not pressed. Majority were cases in which the arresting officers were out-of-county patrol men and unable to testify.

Assaults and affrays, seemingly increased by the hot weather, consumed by far the larger share of the court's attention. Angrier was the scene of one disturbance which prompted Constable R. C. Munday to charge six Negroes with various offenses.

GUILTY OF ASSAULT

Victoria McNeill was found guilty of assault with a deadly weapon on Annie Davis after the Davis woman testified she was cut so badly 14 stitches were necessary to close the body wound. The defendant who readily admitted the cutting, added the information she also hit Annie with a "shooting iron." What was more she told the court, she was "not sorry" because Annie was intimate with her husband. She was ordered to

Sandlin Heads Committee To Erect Club Building

A committee headed by Chairman Henry H. Sandlin has begun laying the groundwork for construction of a modern club building for Chicora Country Club, it was announced this morning.

Although plans are in their initial stage, Chairman Sandlin this morning expressed confidence that creation of the country club building can be started within a year.

Other members of the committee appointed by Chicora President Guyton Smith, are: Johnnie Purdie, club director who will serve as a liaison between the building committee and the club board, Henry M. Tyler, Nathan M. Johnson, Jr., E. H. Bost, Vic Anderson, Mrs. Clarence Corbett, Mrs. Charles D. Hutaff, Mrs. Ed Purdie, Mrs. Clarence Lee Tart, Mrs. Bob Warren.

Chairman Sandlin said this morning that members of his committee are busy visiting and inspecting other Country Clubs to get ideas as to the type of construction desired, costs, type of architecture, floor plan and other details, including how it shall be

Stevenson Plans Weekend Meetings

SPRINGFIELD, Ill. (AP)—Gov. Adlai E. Stevenson, home from a conference with President Truman, today summoned his top campaign advisers for weekend discussions of autumn plans.

Wilson Wyatt, the presidential nominee's personal campaign manager, announced that the next major campaign conferences at the governor's mansion will be held Saturday and Sunday when the campaign advisory committee assembles here.

One of his political foes will elbow his way right into Stevenson's headquarters city today and is certain to make some blasts at the governor.

NIXON IN SPRINGFIELD

Sen. Richard M. Nixon of California, Republican vice-presidential nominee, was due here to deliver the major speech at "Republican Day" at the Illinois State Fair.

Dwight D. Eisenhower, the GOP presidential nominee, said the governor's trip to Washington yesterday showed he was "subservient" to the administration.

Eisenhower said the administration wanted to protect its policies with hand-picked successors.

Stevenson, who has repeatedly said he is running his own campaign, gets his chance to reply to the GOP charges from the state (Continued On Page Two)

Masons Slate District Meet

The Fourteenth Masonic District of the Grand Lodge of Ancient Free and Accepted Masons of North Carolina will hold a district meeting at Benson, North Carolina, on September 3, 1952.

Mr. P. B. Wood, of Benson, is the Deputy Grand Master for the Fourteenth Masonic District.

(Continued On Page Two)

Ike Declares Adlai Follows Old Crowd

DENVER, (AP)—Dwight D. Eisenhower took off the gloves in his presidential campaign today and launched a broadside attack on Democrats in general and the Truman administration in particular.

The GOP nominee's sharpest outburst yet in his bid for the White House was prompted by the visit to Washington yesterday of the Democratic presidential nominee, Gov. Adlai Stevenson of Illinois, and the talks Stevenson had with President Truman and other government officials.

Eisenhower issued a formal statement from his headquarters here in which he said it had become evident that Stevenson "is subservient to the political forces which have too long been in power in our country."

SAYS PEOPLE WANT CHANGE
"The American people want a change, not just for the sake of change," Eisenhower said. "They want more than a change of names and faces."

"They want a change in order to replace corruption with honesty; reckless spending with economy" (Continued On Page Two)

Truman Sends Aides To Help Stevenson

WASHINGTON, (AP)—President Truman today set up a close political liaison between the White House and Gov. Adlai Stevenson's campaign headquarters in Springfield, Ill.

Two presidential assistants, David Bell and Clayton Fritchey, flew back to Springfield with Stevenson yesterday after the Democratic

presidential nominee spent one and one-half hours discussing campaign strategy with Mr. Truman.

Establishment of the liaison, the only concrete result of the Truman-Stevenson meeting to date, is to light immediately.

Mr. Truman's role in the campaign still was unclear (Continued On Page Two)

MARKETS

EGGS AND POULTRY
