

# CHICORA GOLF HIGHLIGHTS

BY JAMES SNIPIES

Now that Chicora golf course has been in full operation for some seven weeks it is well to report that interest in the game and the course is growing every day and every week. Membership in the club is mounting steadily and is nearing the 200 mark. Nearly every afternoon and particularly on weekends finds the course crowded with golfers from Dunn, Erwin, Lillington and elsewhere from around the community trying their utmost to give old man par a licking.

Probably the most outstanding feat yet accomplished at Chicora was the course's first hole-in-one made by A. R. Marley of Erwin. Mr. Marley turned the dream of every golfer by aceing the 145 yard No. 4 hole with a seven iron shot. Too bad he didn't have some of Lloyd's of London hole-in-one insurance which pays off \$400 for such a feat.

The distinction of holding the course record is currently being held by Hal Jernigan, the local pro, and Bill Miley of Erwin. Both have had 37's which is par for the course. No one has bettered par as yet, but someone will likely turn the trick any day now, especially after the greens have been improved some. Putting seems to be the main reason most scores are as high as they are.

Every day finds many of the lady golfers along the fairways getting in their licks and taking the game quite seriously. The fact that Gene Smith won the hole-in-one contest on opening day didn't keep his wife, Peggy from out-doing him on the links. She canned a shot on No. 2 hole the other day from eighty-five yards out that went dead into the cup so now Gene has to take a back seat to the golfing laurels of the family.

Among the many women seen playing lately have been Mrs. John Snipes, Mrs. Emmitt Aldredge, Mrs. Waite Howard, Mrs. L. W. Griffin, Mrs. Mac Watson, Mrs. Joe Ruark just to mention a few. Many are taking lessons from pro Jernigan and will be treading the fairways just any day now.

The first eagle (that's two under par) scored on the course was by Hal Jernigan on the long, long, No. 8 hole. Hal reached the green in three and sank a long putt for a two under par 4. Incidentally, that long number 8 hole at Chicora is the second longest golf hole in the U. S. It measures some 632 yards for a par 6.

**NEW YORK (AP)—**Stan Musial of the St. Louis Cardinals won his third straight National League batting championship and Ferris Fain of the Philadelphia Athletics won his second straight American League crown. Musial hit 336 and Fain 327. It was the first time in 38 years that both batting champions were repeaters from the previous year. Musial became the fourth man in major league history to win three straight titles.

## Joe Black Picked By Dressen For First Series Game

**NEW YORK (AP)—**A rookie and a veteran appeared likely today to draw the pitching assignments when the Brooklyn Dodgers and New York Yankees meet in the first game of the World Series at Ebbets Field Wednesday.

Joe Black, the Negro relief specialist, will be the selection of Dodger Manager Charles Dressen if he warms up satisfactorily in a workout today. Casey Stengel of the Yankees was almost certain to counter with Allie Reynolds, a tested right hander ranked as the greatest money pitcher in the game today.

The Yankees, shooting for their fourth consecutive series title—a feat accomplished only once before—are 8-5 favorites to win the Series. Should it be Black vs. Reynolds in the first game, the Yankees will be favored at 6-5 to take the opener.

Neither Dressen nor Stengel would divulge definite pitching plans but both managers have their staffs well rested and ready to go.

Dressen said he definitely would announce his pitcher after watching Black in a Dodgers' workout at Yankee Stadium at 10 a.m. EST today. The Dodgers also scheduled a Tuesday workout at the stadium, which will be the scene of the third, fourth and fifth games. Stengel, protesting that he had been too busy winning the American League pennant to think much about the Dodgers, said the Yankees probably will work out at Ebbets Field Tuesday. He ordered his men out at the stadium for a brief drill at 11 a.m. today.

The hope was that Dressen would follow Black with Carl Erskine, the only pitcher in the Series with a no-hitter to his credit this season, and then call on Preacher Roe, the crafty southpaw, for the third game.

## White Sox Player Arrested At Game Sunday For Rape

**CHICAGO (AP)—**James Rivera, a Chicago White Sox player, was arrested during a baseball game Sunday on a charge of rape.

Rivera was pointed out by a 21-year-old housewife as he was coming off the field in the third inning of a game with the St. Louis Browns. The woman was taken to the dugout by two detectives where she identified him.

The woman, who is a statistician charged that Rivera raped her Saturday night at her home. She told police that she was walking her dog near her home on the South Side when a man whistled. She was not certain, however, whether he whistled at her or at the dog, police said.

The dog sprang forward, she added, and she dropped some packages. The man picked up the packages and escorted her to her door, she said, and would not leave.

The woman told police she decided to entertain him and served soft drinks. When he became amorous, she resisted, she said, but she was too terrified to resist to the point of physical vio-

A FINE CATCH OF SPOTS — J. Derwood Myrick, left and James Morgan, right, both of Lillington, found fishing excellent in the Shallotte River near Holden's Beach where the spots were running strong. The catch shown represents only a couple of hours' fishing. About 100 people, many from Harnett, enjoyed the weekend here and everyone who wet a line was rewarded with a fine catch. This is rapidly becoming a summer playground for Harnett residents. From now until about the fifteenth of November, fishing should be good here. (Daily Record photo by T. M. Stewart.)

## Hope Mills Defeats Erwin 26-0

The Hope Mills eleven defeated the Erwin Redskins in a fast moving and exciting game Friday afternoon at three o'clock on the Hope Mills field.

Before the Redskins left Erwin the band under the leadership of J. L. Honeycutt, played a Fight song, a March, and the School song. The cheerleaders led the school students in a numerous amount of cheers and then the Football players, the cheerleaders and some spectators started for Hope Mills.

The game started at three o'clock with Willie Moore, tackle, kicking off for the Erwin team. During the first quarter Ted West, full back, made a spectacular run of thirty-five yards and scored the first touchdown for Hope Mills. Bob Edwards tried for the extra point but the Erwin squad managed to block the punt.

The second quarter came up and once again Hope Mills attack was sparked when Bob Edwards ran a touchdown. The extra point was missed.

When the third quarter came up the Erwin boys showed signs of wanting to win the game even more than they had in the first half but as time dragged by the boys became very tired, as a result two more touchdowns were scored. Walt Starlin, right end, and Ted West, fullback, ran the two touchdowns for Hope Mills.

The Erwin Redskins had three accidents in the game Friday. J. D. Faircloth broke his nose, Ray Hall hurt his leg and Adolph Tyndall got the breath knocked out of him and was out of the game for two minutes.

More than anything else the game Friday lacked sportsmanship. Both teams showed little consideration for the word. A game is not really worth winning if bad sportsmanship is shown by either team. All who participated in the game Friday hopes the remaining games of the season will be played on a good sportsmanship basis.

Playing well in the offensive positions were Bobby Fann, Ray Hall, and Adolph Tyndall. All three boys have seen plenty of action this season and should do well in the remaining games to be played.

Adolph Tyndall, and Runt Suggs played extremely well in the defensive attacks against the Hope Mills eleven.

The co-captains for the Redskins were Larry Mason and Adolph Tyndall.

The starting line ups were:

**NEW YORK (AP)—**The New York Yankees finished their season two games in front of second-place Cleveland.  
The Brooklyn Dodgers' winning margin over the New York Giants was four and a half games.

## Whiteville Has Great Star In Wyman Stanley

Wyman Stanley, Whiteville's versatile Tailback, scored three touchdowns and passed for another against the dazed Greenwaves last Friday night in the annual Home Coming game. Stanley is by far the most outstanding back that has appeared on the Dunn Gridiron in many a moon. He was not particularly shifty, just fast! Stanley scored from the first play of scrimmage for Whiteville and the Greenwaves never recovered. Again in the first half, Stanley faded around his right end and passed for another TD. Late in the second period, Stanley again scored on a long running jaunt. Dunn kicked-off to Whiteville in the last half. On the first play after the kick-off Stanley streaked down the side-lines and scored again for Whiteville. Dunn threatened frequently on passing attacks, but the attacks always bogged down inside the

Whiteville thirty yard stripe. Daley Goff did some fine chunkin' for the Greenies behind some good protection from the line. The Greenwaves only trouble was finding a scoring combination, and some fast enough to run Stanley down from behind.  
The score ended 26 to 0 much to the disappointment of a large Home Coming crowd, perhaps the largest crowd of this or any other season. The crowd, however, did enjoy the crowning of the Home Coming Queen, Margaret Cathey, and entertainment by the Whiteville High School Band and the Dunn High School Band.

**WEBSTER BACK**  
RALEIGH — Halfback Alex Webster, N. C. State's All-Southern star of last year, will be in the Wolfpack's starting lineup again in 1952. Webster, a 200-pound setter, ranked third in total offense with 1,256 yards, fifth in punting with 38.9 average and led the Southern Conference in scoring with 78 points during his junior year.

## ERWIN COAL AND OIL CO.

Invites you to call 3415 for your fuel needs or visit our office located just back of the Erwin Teacherage. Equipped to furnish complete hook-up service from tank to heater. Your local Coal and Oil Dealer.
