(Continued from page one) first two innings ran the count to three and two on most batters. He had to rely on his fast ball in the clutch, but he made the one to Robinson too good. The homer was the first hit of the game as Joe Black, the Dodger relief specialist, retired the Yankees in order in the first two innings. Billy Cox, Brooklyn third baseman, gave the capacity crowd of 34,000 its first thrill when he lined Reynolds' first pitch to deep left field, but Irv Noren caught it at the base of the wall. The Dodger lead didn't last long for Gil McDougald, the first Yankee batter in the third inning, drove a two and two pitch into the left field stands for a home run. It barely went over the wall and until the last moment it appeared that left fielder Andy Parko could catch it. But it was just beyond his leaping reach. The Yankees, with their clutch pitcher going, were 6 to 5 favorites to win the opener although they were missing one of their big guns, Gene Woodling.

"There's a lot of ballyhoo in Florida that might indicate the situation there is close. But we have 1,119,000 registered Democratic voters to only 88,000 Republican and I don't see how anyone could expect enough Democrats to desert the party to let the Republicans make a very formidable showing. Warren predicted Eisenhower, would carry no more than five Florida counties.

Red Cross Chapter Must Cut Services

Faced with a deficit of approximately \$2,000, the Dunn-Erwin Chapter has been forced to cut all services except those for active servicemen and their families, it was reported at the meeting Monday night of the executive board.

The fund drive last March fell far short of its goal and this forced the curtailing of clerical help for Mrs. Grace Swain, except for voluntary aid, was eliminated entirely. The executive board and the finance committee are striving to work out some method of making up the deficit in order to avoid as much curtailment of services as possible. "What this episode really shows," Stevenson said, "is that the problem of fighting Communist penetration in government is a job for our security agencies and a job that never ends. President Truman has picked the best men he could find regardless of party, to do this job. Smith's statement that Communists had entered into all security agencies, including his own, was released Monday. Smith made a clarifying statement yesterday saying he meant that security agency heads should operate on the assumption that their groups had been infiltrated and should act accordingly.

Later Viscount Astor denouced reports about the "Cliveden set" as "Communist fiction" and Viscountess Astor also vigorously denied them. "Since no atom bombs are over seas now, how long would it take to get them over here in the event of a Russian attack on Europe?" he was asked. "We'd get it here pretty fast," he replied. Asked if that meant a matter of hours or days, he replied that "I couldn't give you an exact time table on that." Kimball cautioned that the figure of 300 submarines which Russia is believed to possess is "the minimum figure" and said their quality is at least as good as—and probably better than—the best German subs at the end of World War II.

Spring Branch News

The attendance was much better at Spring Branch last Sunday than the Sunday's previously. It sure did seem good to see all the people out once again. Let's see if we can't reach that 200 goal next Sunday. To start services off Sunday, Mr. Smith asked for a report on a recent church conference, which was given by Mr. T. H. Hinson, the report named our newest deacon who were able to be ordained Sunday. The new additions were Mr. Felton Wood, Mr. Freeman Bass and Mr. Johnson Dranzhon. In his sermon Mr. Smith challenged his deacons and congregation to live exemplary lives, the Ordination completed the morning service. We certainly did have visitors at church Sunday! There were Sgt. and Mrs. Mac McLaurin and their lovely family. They have recently returned from overseas where Sgt. McLaurin was stationed. They are presently living with Mrs. McLaurin's mother Mrs. Cleo Gaskins. Misses Jane Naylor and Carolyn Norris visited Miss Willoway Naylor and they were all at church. Willoway of course was spending the weekend with her parents, Mr. and Mrs. Leamon Naylor. Miss Louise Hair had Miss Berline Avtry with her at church. Mrs. Theodore Jernizan and sons were visitors too. One other set of visitors were a Johnson family. I believe they are new in this community and we want them to feel welcome and come back again soon. The Y. W. A. will meet Monday night September 29th with Miss Joyce Lee. All members are urged to attend this meeting which will be at 8 o'clock. Mrs. Jessie Herring is home after being a patient at Rex Hospital earlier this week. Did you know that Flora Gilbert is teaching in Dunn this year? She sure is! She is teaching second grade at the Dunn grammar school. Seems good to have you close by Flora. Mrs. Vider Tew visited her son, Robert Tew in Cherry Point the weekend of September 21st. She made the trip in order to be with him to celebrate his 50th birthday. Mr. and Mrs. Ernest Johnson and family and Mr. and Mrs. J. V. Tew of Godwin, went to Cherry Point to be present for the celebration. A large crowd of relatives and friends helped Mr. Tew celebrate his birthday. Among the guests present were Dr. and Mrs. Lineard, returned missionaries from China. They have just returned after 30 years of missionary activity there. During their stay Dr. and Mrs. Lineard would part company, going in different directions and during this time they would go for weeks without seeing another white face. They gave interesting messages on the physical and spiritual needs of China. They told the group how they would like to roll the curtains back and show them just how China is living. They said they would like to return to China but age wouldn't permit such a trip. De. Lineard suggested that the group eat their lunch with chopsticks as the Chinese do. After the splendid message Mr. Tew, his relatives and friends enjoyed a delicious picnic lunch and barbecue. Mr. Tew was remembered with several nice birthday gifts. My apologies to Mrs. E. T. Tew who recently spent the weekend with her daughter, Rachel, in Florence, S. C. Her daughters, Mrs. Elizabeth Livingston and Mrs. R. C. Warren accompanied Mrs. Tew on her trip. Mrs. Tew informed me of her trip in time for last week's column but I failed to get it in after all. Were you amazed as I was that Daniel Hair has gone into service? Yes sir! He is in Uncle Sam's Air Force and all we know at present is that Daniel is in Texas. Bobby Johnson Bass was at church Sunday for the first time since his accident several weeks ago. It was good to see you Bobby maybe that leg will soon be good as new. Did any of you girls see the young man with Earl Grey Sunday, if you didn't he was Walter Davies of New Castle, Penn. He and Pfc. Jackson are stationed at Camp

Truman

(Continued From Page One) ing just like one of the lobbyists for the private power monopolies," Mr. Truman said. The President referred to a speech at Boise in which Eisenhower said the Democratic administration was to the "left" in its public power program. "The Republican candidate, in his Boise, Ida., speech, made it clear that he has accepted the old guard view that dams like Hungry Horse—and government transmission lines and low-cost public power—are a part of what they call socialism."

SAYS ADLAI HAS VISION

On the other hand, Mr. Truman said, Gov. Adlai E. Stevenson, the Democratic presidential nominee, was a "man of rare ability and vision." The President promised that Stevenson, if elected, "will continue to fight your battle for the development of your resources in your state." Hungry Horse Dam is located near Kalispell. The President's schedule called for him to resume his westbound whistle-stop tour after delivering his dedication speech.
