

# Teen Tattle Tales

By LINDA AYCOCK

The Dunn boys at Staunton Military Academy have really made a name for themselves. Billy Thompson is co-captain of the football team this year and T. B. Williams is Drum Major of the band. "Red" Sandlin and Bozie Tart are also playing football. T. B. said, before he left, that he was going to try out for Drum Major and naturally we all thought he was a sure thing because he made a wonderful Drum Major here in Dunn. But he was scared about it and said that at Staunton it was quite different. He made it just the same and I'm certainly glad to hear it. His uniform is beautiful, so I hear, and I know he deserves the right to wear it. Billy worked hard for the position he holds on the football team and he'll work still harder now to give the team an even higher rating. With Dunn boys you know SMA is getting along just fine.

Almost dropped over when we heard Pat Harris of Rocky Mount was in town. Naturally we were glad to have her and her two friends. She brought "Smoky" ian-caster, who stayed with William Corbett, and Bunny Crowley. "Smoky" is the cause of Barbara Snipe's happy face. She has been wearing his fraternity pen since she visited Pat in August and last weekend she returned for another visit. He's blond and definitely cute. Doug Overman and William Corbett seemed to enjoy Pat and Bunny as much as Barbara enjoyed "Smoky". Return, kids, we are looking forward to seeing more of you in the near future.

Friday we had one of Dunn's biggest homecomings. The senior class really worked like Trojans getting ready for it too. We had a chapel program on homecoming and school spirit as a climax to B. S. S. W. which was very good. Several lovely floats adorned the long parade and two bands. The varsity sweethearts rode on a float depicting a rose garden with girls in white. The girls all looked lovely in their dresses mostly new. They were put up by the senior football players and the girls and their sponsors are:

Anne Byerly—Sonny Carr  
Margaret Cathey—J. T. Jackson  
Nancy Jernigan—Roger Stanley  
Kathryn Butt—Skeet Car  
Peggy Barfield—Sherrill Goodman  
Faye Godwin—Donald Billy Johnson  
Laney Hodges—Jimmy Sills  
Mary Lon Westbrook—Raymond West

The girls had green banners from their shoulders to their waists with their sponsor's first names written on in gold. Everyone was eligible to vote for the sweethearts, a penny a vote.

Whiteville played Dunn, and

beat too—28 to 0. Still our team tried very hard and were certainly good losers. The Whiteville and Dunn bands combined in the middle of the field before the game to play "The Star Spangled Banner," and while the Whiteville band marched off, the Dunn band formed two single columns for the Dunn team to run thru. As the team was running through the "Victory Song" and marched off. At halftime the Whiteville band formed a D and a W and played their school song.

Then the Dunn band marched on the field and again formed two columns for the Varsity Sweethearts to ride through. As they went through, the band played "Let Me Call You Sweetheart" and William Corbett crowned Margaret Cathey queen of the court. She really made a lovely queen.

After the game everyone headed for the army and the big Homecoming Dance. The dance band played and we danced 'til our feet couldn't stand any more. Then finally everyone retired around Saturday morning. All in all it was a wonderful day for young and old.

In two weeks Dunn is playing Rockingham and Fleming Glover is planning to have a ball. His girl Mary Sanders of Bennettsville, S. C., is going to be in Rockingham at the time of the game. Lucky boy!

Sorry to see Lynwood Sills to head for the Army. I know Effie Lou McLean is really going to be lonesome during the time he's away. Jimmy Sills and Laney Hodges were also sorry to see him leave but glad he decided to leave his red convertible behind for Jimmy to drive. Now you can see them riding around most anytime in that lovely Chevrolet. I always thought that red was one of Laney's best colors.

A new romance around school. Gene Lewis and Peggy Stephenson have confessed. And they admit it's great fun.

Awful to see Margaret Wheatley head for Pineland this year. I know they're having a time and a half up there with her. Maybe she'll change her mind about Dunn next year and head back here, but while she's gone we're really gonna miss her.

Made a mistake the other day. Glenda Bass and Fleming Glover are also new cheerleaders, along with Annette Barefoot, Frances Register, Shirley Hodges and Mary Faye Williford. These cheerleaders along with the old ones made a good showing at the pep rally Thursday night. Everyone was out and we really raised Dunn High's school spirit. Let's come on out every Thursday night and yell to capacity.

**FRESHMAN OFFICERS**  
President, B. J. Howard; Vice-president, Cathryn Bolin; Secretary, Margaret Black; Treasurer, Lena Matthews.

The Juniors are making big plans for the Halloween Carnival coming up the last of October. "Miss Anderson Creek" will be crowned that night. She will be crowned by Kitty Shaw, last year's queen.

We certainly do want to thank the seniors of '52 for the water-cooler they left the school. In case you haven't seen it, it's located at the door of the Junior class. Come on up and enjoy the ice-cold water!

Basketball practice is starting now and everyone is eager to play. With all the crowd that is going out for the teams, we hope to have a successful season.

Wonder why Jean Wade likes to go over to the Parker's, could it be "W. C."?

Wonder why Shelby Raynor likes the water in the Agriculture Building? Is it water or Mack W?

It seems that B. J. Howard is very popular around school. He's taking Bryant Hickman's place. "What do you say, Lena Matthews?"

Best of wishes to Myrtle Matthews and Make Wade. You certainly do have a cut boy friend, Myrtle!

"Wonder who this 'Danny' is who Shirley McArtan talks about so much?"

Girls! Take a good look at those Senior boys! Carolyn Hayes is already helping Theodore Shaw do his English!

—FOR THE FUNNYBONE—  
Mack: "This match won't light."  
Myrtle: "What's the matter with it?"  
Mack: "I don't know. It lit all right a minute ago."

Pat: "Isn't Shakespeare dead?"

# Mingo 4-H Youth Takes Top Honor

Jackie Jackson, a member of the Mingo 4-H Club, took the top honors in the Junior District Cattle Show at Fuquay-Varina yesterday. He is the son of Mr. and Mrs. J. D. Jackson of Sampson County.

His three year old Guernsey entry won a red ribbon and his two year old Guernsey captured a blue ribbon in the show. The latter was adjudged tops in the fitting contest and took first place for showmanship in addition.

Jackson was one of the 24 entrants from Sampson County in the show, which featured 120 animals from eight counties. The show was sponsored by Belk-Liggett stores and the awards amounted to \$2,000.

Dr. Waugh, of the State College extension service was the judge. T. C. Black, also of State College, selected the winners in fitting and showmanship.

**BURCH IN CHARGE**  
Of the 24 entered from Sampson, 18 were 4-H members under the supervision of John Burch, Assistant County Agent for Sampson and the other six were FFA entries under the supervision of agriculture teacher W. E. Hamilton of Clinton. E. B. Millen placed fourth in the fitting contest.

Of the 24 entries, seven collected blue, thirteen red and four white ribbons. Last night all were guests at a banquet at the school in Fuquay-Varina, followed by a dance in the school gym. The expenses were paid by the local merchants.

Those from Sampson collecting blue ribbons were: Jackie Jackson, Bobbie Jackson, his brother, Graham Dixon Jackson, of Clement School, Jimmy Dixon Spell, Berle

NIAGARA FALLS, Ont. (AP) — Robert Johnston, a strawberry farmer, reported today that unseasonably warm weather has fooled his strawberry plants. They have begun producing a second crop.

# Prayer Advised For Commies

CAMP CRAWFORD, Japan (AP) — If the Communists would pray on Tuesday, Wednesday and Thursday "we could all go home and live in peace," Maj. Gen. Arthur Tru? deau said today.

The commander of the U. S. First Cavalry Division said that "on Friday, the Mohammedans, Buddhists have their main day of devotion. Saturday, the Hebrews have their Sabbath. Sunday, the Christian people have their day of worship. Followers of Shintoism pray on Mondays."

He suggested the Communists use the remaining three days.

Kitty: "Yes, of course."  
Pat: "That's funny. My aunt, who is a teacher, told my mother she's been teaching Shakespeare this year."

**LITTLE MORON AND THE REVOLVING DOOR**  
The moron tried to get through a revolving door, but always went all the way around. Finally, he gave up and watched. A man came along and walked into the door. As it revolved, a pretty girl came out the other side. The moron blinked.  
"That's a good trick. But I still don't see what the guy did with the other clothes."

Customer in Bank: "I would like to make a loan."  
Bank official: "You'll have to see the loan arranger."  
Customer: "You mean the one who says 'Hi, Yo, Silver?'"

A little boy on a bus began to sniffle loudly.  
"Little boy, don't you have a handkerchief?" asked the woman across the aisle.  
"No, ma'am," replied the boy. But even if I did, I don't lend things to strangers."

# LILLINGTON'S B&PW CLUB HAS VESPER SERVICE TUESDAY NIGHT

Lillington's Business and Professional Women's Club conducted a vesper service on Tuesday night at the Presbyterian Church which inaugurated local observance of National Business Women's Week.

This marks the 25th year which Business Women's Week, designed to call attention to achievements made by business women in all fields of American life, has been observed nationally. Similar observances are being conducted this week in 2,800 B&PW Clubs across the nation.

Dr. David Huffines, Jr., pastor of the Presbyterian Church, who was the guest speaker gave a character sketch of Lydia, the "seller

of purple goods" whose assistance to Saint Paul played a big part in bringing Christianity to Europe and the Western World. Although a fashionable and wealthy woman of her day, the preacher noted that Lydia, according to the Biblical recorder, had time to pray. Once having heard the gospel from Paul she accepted it and offered her house and its accommodations for the use of the missionaries.

Miss Adelaide Shaw, club president, presided and special music was rendered by Mrs. Caviness Brown, organist, and by Mrs. W. P. Sutton and Mrs. Robert Womble who sang a duet, "Whisper a Prayer." The program was arranged

by Miss Lois Byrd, local chairman of Business Women's Week.

Following the inspirational talk, members and their families had a fellowship hour in the class room of the Women's Bible class. Punch and cookies were served by the refreshment committee which was composed of Mrs. C. E. Bass, Mrs. Andrew Jackson and Mrs. Inez Harrington.

Gold and rust zinnias and magnolia foliage in a brass urn decorated the church and the punch table, covered with a green linen cloth, had the punch bowl encircled with pyracantha berries. Miss Cornelia McLatchlin was in charge of decorations.

Miss Kate Wade of Goldsboro, court reporter, and Mrs. David Huffines Jr., wife of the guest speaker, and families of club members, were guests of the club.
