Delivers Carlyle Keynote Address Rally

Congressman F. Ertel Carlyle told a group at a Dis-Rally in Lumberton that Stevenson was "the greattrict Rally in Lumberton that Stevenson was est Presidential candidate we have had in half a century.

He scored the disgruntled Democrats who have swung over to the Eisenhower camp and said the question was not whether there was need for a change, but was proposed as a substitute. "If you think it through," he declared, "I don't through," he declared, "I don't the background pulling the strings see how the answer can come out Republican."

"To such of you as may be thinking about betraying your party," Carlyle warned, let me say this. Are you dissatisfied with the highest standard of living in the world's history that has come to us in the past 20 years? Are you dissatisfied that more people are at work and fewer idle than at any time in our history?"

"Listen to the candidates and the men who speak for them." he challenged. "Ever hear any talk of the services the Republicans have rendered their counkry? They're trying to focus your mind on the side issues and keep you from thinking of what the last Republican administration brought us."

Is Successful Control

NEW YORK (IP — A Boston specialist, disclosed today 298 out of 300 married couples had practiced birth control successfully by taking pills after every meal.

Dr. Benjamin F. Sieve said he required the men as well as women taking part in the experiment to use the pills.

The two couples who failed the test did not follow his instructions, he said.

"The medication must be taken for 10 consecutive days by both partners before anti-fertility action can be assured." he said, "and thereafter continuously by both
