Village Quality Grocery Goods, Features Service

MRS. ERNEST JORDAN

The aim of Mr. and Mrs. Ernest H. Jordan, new proprietors of the Village Grocery, is to meet competition, not solely on a basis of price, but by handling only the best in fresh meats, groceries and produce.

They feel that by offering their customers the best in quality for their money that they will be doing them a better service, than by handling inferior goods at cut prices. Consequently, all of their merchandise will be of nationally advertised standard brands.

Mr. Jordan, himself, is thoroughly familiar with this field and is currently employed as a salesman for the Streiman Biscuit Company. In the course of his travels, he has had an excellent opportunity to observe the operation of similar stores, and he will use the best of this in the operation of the Village Market.

Mr. Davis worked for the Piggy-Wiggly Stores in Dunn and has had about four years of grocery experience with Johnson and Bryan at their store in Lillington.

The couple have been living in Dunn for more than a year having moved here from Lillington. They are natives of Harnett, and Mr. Jordan, in particular, is well known throughout the county.

The store, which has no connection with the grill next door, will be a complete one stop center, with market, grocery and produce department. They cordially invite the Oaks, Mrs. Hunter Pool of Benson, Mrs. A. L. Langdon of Clayton.

Police Continue Whiskey Raids

"If at first you don't succeed, try, try again," might well be the motto of officers who have conducted several fruitless raids on the premises of Annie Jones, Neeress, on Canary Street. There had been several raids by officers acting on information that liquor was being sold on the premises, but search had failed to turn up any contraband.

Thursday, however, the story was different. Making a search under a warrant issued by Chief A. A. Cobb on information and belief, that the place contained liquor, they pulled back a rug during their search. Noting several loose nails in the "ceiling" they pulled them out and lifted the section of flooring. Surprisingly hidden underneath they found seven half-gallon jars of illegal white whiskey. To add to their discomfort, they also interrupted the Neeress in the act of pouring the contents of a smaller bottle into a tub.

The Neeress was bound over for appearance in Dunn Recorder's Court on charges of possession for sale with bond set at \$200.

The raid was one of a series of such raids here under the direction of Chief Cobb, who has been making a determined effort to put an end to bootlegging in Dunn.

In a continuation of the raid Friday, the officers struck at six suspected places. They drew a blank at five of these but the sixth resulted in the arrest of two Negroes, charges with possession for sale.

At this place, the premises occupied by Essie Massey, the officers found six half-gallon jars of white whiskey. When they started to arrest the woman, her husband, James Massey, told the officers that the liquor was his property, so the warrant was drawn for both.

Referring to the places where the officers struck but did not find any liquor, Chief Cobb remarked: "There was a lot of scurrying around inside before the officers managed to get in, and there was evidence that liquor had been poured out."

The L. S. football team received its first defeat of the season last Friday night at Red Springs. The boys played a good game of hard football and had the game tied until the last two minutes when Red Springs recovered the ball and went over for a T. D. The final score was 18-12. The game was a real thriller with plenty of excitement on both sides.

The Juniors have elected their class officers. They are: Debby Lou Matthews and Glenn Hood. Their class colors—rainbow colors, flowers—mixed gladioli; and their motto—"Today we follow, tomorrow we lead."

Have you ever seen all the Seniors as excited and happy as they were last Wednesday? We had a right to be—those long-awaited class-rings finally arrived! Now you can tell a Senior a block away by the way he holds his hand.

WONDER—Why we didn't beat Red Springs? If Reba White is still receiving letters from Fishburne Military School?

WHY Sarah Kelly has C. H. Brock's new chain?

WHO—Ralph Gregory dates from A. C.?

HOW Buzz Wood likes England? Could you tell us Miami?

IF we'll beat Clayton Thursday night?

IF Wyatt Ausley and Carla Byrd had a good time last Friday night?

HOW Bonny Ballard can be so cute?

IF Miami Clayton misses John?

The Senior class really had a swell time last Tuesday night at their hamburger fry! After eating the crowd enjoyed dancing and games. I think all will agree there was fun and food for everyone.

When there is a hint of winter 'n the air and when the leaves have started changing color, then that's when inevitably the hayrides and wiener roasts start. The M. Y. F. has planned just such an affair. It should be lots of fun and we want all the members and guests invited to be there.

DAFFYNITION

Football coach: A fellow who is willing to lay down your life for his school.

Mexican divorce at Juarez in June, 1942, on grounds of incompatibility and separation. Chaplin did not contest the proceedings. In her divorce petition Miss Goddard said she and Chaplin were married in June, 1936, in Canton, China. Canton is now in the hands of the Chinese Communists and it was doubtful whether marriage records there could be checked.

From CUTTER BAR to GRAIN TANK You Save More Soybeans
...with the JOHN DEERE No. 12A COMBINE
From the first round, down through the years, the John Deere No. 12-A Full-Width, Straight-Through Combine saves more soybeans in any crop or field condition.
Cutting 1-1/2 inches from the ground, the cutter bar really gets low-growing beans... saves down and tangled crops. The big capacity, rasp-bar cylinder, spike-tooth separating cylinder, full-width, cell-type straw rack... efficient adjustable cleaning chaffer and sieve, and powerful cleaning fan all mean bigger crop saving—higher grade beans in the grain tank.
Though light weight for soft or hilly fields, the No. 12-A is sturdily built. High-grade bearings, smooth V-belt drives, and slip clutch protection assure you extra years of efficient, thrifty service. Come in soon for complete details.

Four Counties Lose Tax Cash
Four North Carolina Counties (Chatham, Davie, Caldwell, Haywood) and their towns will be receiving their final checks from the State Department of Revenue as their shares of the beer excise tax.
Legal sale areas in 69 North Carolina Counties will receive 50% of the beer excise taxes collected by the State in the fiscal year ending September 30, 1952. Distribution of this tax will be made early in November. The total tax collected will be almost \$5,000,000.00, slightly under that of the 1950-51 fiscal year. Half of this tax after deducting the operating expenses of the State ABC Board Mal Beverage Division is returned to Counties and Towns where beer sale is legal. This tax return is in addition to local licensing fees collected by the Counties and Towns.
Entering the new fiscal year, October 1, 1952, there are 35 "bone-dry" Counties in North Carolina. 13 Counties, which are "dry", have one or more legal sale Towns and Cities. 52 Counties have County-wide legal sale of beer. 63.2% of North Carolina's population lives in legal beer sale areas while 36.8% lives in "bone-dry" areas.

PROVING BIG HIT
"The Snows of Kilimanjaro," Twentieth Century-Fox Technicolor film version of Ernest Hemingway's famed short story, has come into its third week at the Rivoli Theatre in New York.
The Darryl F. Zanuck production, starring Gregory Peck, Ava Gardner and Susan Hayward, will remain indefinitely at the Broadway showhouse, with heavy box-office business proving it a top fall film attraction.
