Teen Tattle Tales

By LINDA AYCOCK

Oh! Me! Were we let down Friday night! After our big win over Clinton, the football squad and students were all pepped up and going for another victory. The Rockets proved just a little too strong for the Greenwaves and beat us 20-7. We now have an open date this Friday and this gives the boys more time to get into good shape for the next Friday night. We're planning to show ole Sanford what a good ball club we really do have. Gonna romp all over them! Then another open date and we're taking advantage of this snare time. Coach Waggoner is letting the boys rest up on Monday and Tuesday of the weeks there are no games and then, the rest of the afternoons are being used to get up new plays. Come on team; let's really win that Sanford game.

The lure of State Fair was too great for most of Dunn High. The "old prison" has been almost emptied all week. Tuesday and Friday gate admission was free for students so the whole football team with the exception of two or three was touring the grounds Tuesday. Friday - I don't know.

Odell Faircloth, now overseas, really is getting fan mail these days. Jewel McLean writes him regularly and I'll bet he doesn't mind that a bit. Odell is helping Uncle Sam and I know he's doing his part well.

Going steady nowadays is Joan Caudle and Ray Hall of Erwin. Hope they like it.

During chapel Friday morning the Beta Club had its annual installation. President, Becky Lee, Vice President, Joe Hackett, Secretary, Skippy Smith, Treasurer, Betty Jean Barefoot and member Margaret Cathey, made speeches on the duties and responsibilities of their positions in The Beta Club. Then fifteen juniors were inducted. They were Barbara Snipes, Kack White, Betsy Ann Tart, Annette Barefoot, Linda Aycock, Daphne Parker, Frank Wilson, Daley Goff, Dot Laughinghouse, Billie Jean Jernigan, Betty Lou Wilson, Mary Lou Westbrook, Kack Butt, Martha Ann Butler, Nancy Jernigan and Patricia Norris. They were welcomed by the members and then Rev. Richard Gammon spoke on the standards of The Beta Club. The standards we have to uphold are leadership, scholarship, and character. He spoke on character. Everyone enjoyed the speech and I'm sure it dented everyone's mind. The new members were well-chosen and will do their best to fulfill the ideals of The Beta Club.

so good to see her walking around without that big white sock on, as some people call it. So glad to hear that your ankle has finally mended, Kathryne.

Had a swell teen-age dance Saturday night. Everyone was there and we had a business meeting. And we are going to have a canteen built out in the park for the teenagers to dance in. Officers were elected for the coming year and are as follows: Lewis Strickland, re-elected president; Sherrill Goodman, Vice President; Peggy Ruth Barfield, Secretary; Faye Godwin, Treasurer.

I'm sure with these fine officers we'll have a most successful year. We're already discussing a big Halloween Dance. Yes, we'll have a wonderful year!

A new power-glide around town. You'll see D. P. Lee in his two-toned green Chevrolet most any day. Locks fine, D. R.—especially the way you fill up the front seat with Barbara Reddish.

R. D. Stewart seems to be getting in a mighty lot of talk to a certain red head in the junior class. You can see them outside classes most any time. Watch out there now.

Happy birthday to Martha Ann Butler who is now sixteen. On October 4, 1936, one of the sweetest girls in Dunn was born and we certainly are glad she's here. Saturday she was very happy and gay for now she can get her drivers license. She is now wearing a beautiful identification bracelet and pin given to her by E. B. Dixon. Hope you have many more happy birthdays. Mott.

The Methodist Youth Fellowship has now started a membership drive. If we have a total of thirty members present at one meeting at the end of the month we'll have a state for those thirty or more and their dates. So if you aren't going to a fellowship meeting on Sunday night, around six o'clock.
