

Spring Branch News

By MARY JACKSON

Folks, there's big news this week. Rev. and Mrs. Richard Smith are now parents of a brand new baby daughter who was born Friday in a Raleigh hospital. Her name is Rebecca Lynn, and she weighs 7 pounds. Both mother and daughter are doing fine. They will soon be at home at the parsonage. The Smiths are mighty proud of their cute little girl. We are very anxious to see her too.

We had a report on the Harvest Day offering and it sounds pretty good and we are glad. Maybe we can do some of the things that we have been working toward lately. It looks as though we might even get that much needed new roof. We hope so.

There will be a Sunday School study course at Spring Branch this week and all officers and teachers are urged to attend, along with the other seven churches in Group No. 4. This study course is to help our teachers and officers in methods of teaching and working in the Sunday School departments.

Mr. and Mrs. Woodrow Wilson, Willford and children, didn't stop at being visitors at church, they joined the Sunday School. We are so glad they have and another thing I notice they had some one with them, Mr. and Mrs. Tew and baby came with the Willford's Sunday.

Miss Berline Autry spent the week-end with Miss Louise Hair and both were at services Sunday.

James Springfield and Corby Bass were visiting Mr. and Mrs. Freeman Bass this week-end. I guess our Spring Branch community and people must appeal to James anyway we hope so. We'd like to prove that there is another state in the Union besides TEXAS. All the Bass fam-

ily and James were enjoying a family reunion at the home of their uncle, Bob Jernigan Sunday.

Earl Grey Jackson managed to get home in time for church services Sunday morning. He hasn't been coming home so often lately. He's an MP and recently he has been serving Town Patrol, which takes the week-end for the most part. Pfc. Jackson is stationed in Virginia.

Mrs. Vider Tew almost stole the show Sunday as she celebrated her 78th birthday. As far as we're concerned, that's a record, almost. The relatives and friends joined together and had a picnic lunch at Mrs. Tew's home. There was plenty of good food and everyone seemed to be having a fine time. Rev. Richard Smith made a brief speech at the noon hour, recognizing Mrs. Tew and Mr. Ernest Johnson her son-in-law, who will celebrate his birthday in just a few days. Approximately 150 people attended the birthday celebration. Mrs. Tew received several nice gifts and a bounty of congratulations. We know she had a "Happy Birthday."

We saw Anne and Walter Naylor at services. It was good to see you two out once again. Wimpie Guy, Joe Barefoot and Garland Lee were also visitors at church Sunday. Come again, won't you!

We have some new information concerning Graham Hair. He is now stationed on Guam. He is still with the Hospital Corps but is now having shore duty. His mother says he's getting along fine. Graham has expressed a desire that we tell every one "Hello" for him. Yes, Graham is serving with the U. S. Navy.

Pvt. and Mrs. Russell Strickland visited Pvt. Strickland's mother Mrs. W. H. Strickland this past week-end. Russell is stationed at Fort Jackson, S. C. He says there are several boys from North Carolina stationed at Jackson, but so far, he hasn't been lucky enough to find any of them yet.

Mr. and Mrs. Ernest Donkle spent the week-end with Mr. and Mrs. Archie Lee, Sr. They all attended the birthday dinner at Mrs. Tew's.

Mr. and Mrs. W. W. Hawley visited Mr. and Mrs. Jesse Warren Sunday, and Mr. and Mrs. Herbert Johnson visited Mr. and Mrs. Lester

FRENCH FORCES HARD-PRESSED IN INDO-CHINA

FRENCH SOLDIERS ON AN ARMED observation tower in the Hung Yen section of turbulent Indo-China are alerted for action as smoke from a napalm bomb rises into the sky on the horizon in the background. The smoke marked the site where Viet Minh shock troops were attacking another French outpost. The garrison had called for aid and the napalm was dropped on attackers by a French plane. Phipps, Mrs. Johnson's parents Sunday-also.

Mr. and Mrs. William H. Sherwood of Greensboro visited the Wade's Sunday. Mrs. Sherwood is sister to Mrs. Wade.

Mr. and Mrs. Winston Naylor were at church Sunday morning. It seemed like old times to have them with us again. Since they moved to the Mingo community, they have been going to Mingo church services. It was good to have you with us again.

It seems as though this section was really having its share of unions Sunday. Louis N. Godwin was very much surprised when his family slipped a birthday dinner upon him. It was Mr. Louis's 66th birthday. His son William also shared the surprise and honors as he was also celebrating his birthday. The children and grand-children were present for the occasion, and both were remembered with love gifts.

Mr. and Mrs. Wilson Willford slipped away from services to attend family reunion at the home of Mrs. Willford's father, Mr. Thad Barefoot. All of the children gathered together for the reunion.

Mr. and Mrs. Wayne Lee and W. A. McPhail attended the Jernigan-Parrish wedding Sunday at Stony Run.

From CUTTER BAR to GRAIN TANK You Save More Soybeans

...with the **JOHN DEERE No. 12A COMBINE**

From the first round, down through the years, the John Deere No. 12-A Full-Width, Straight-Through Combine saves more soybeans in any crop or field condition.

Cutting 1-1/2 inches from the ground, the cutter bar really gets low-growing beans... saves down and tangled crops. The big-capacity, rasp-bar cylinder, spike-tooth separating cylinder, full-width, cell-type straw rack... efficient adjustable cleaning chaffer and sieve, and powerful cleaning fan all mean bigger crop saving—higher grade beans in the grain tank.

Though light weight for soft or hilly fields, the No. 12-A is sturdily built. High-grade bearings, smooth V-belt drives, and slip clutch protection assure you extra years of efficient, thrifty service. Come in soon for complete details.
