Erwin Mills is Proud of:

THE ERWIN VOLUNTEER FIRE DEPARTMENT

Here are the last, but not the least, of the volunteers. Each year two or three of the volunteers go to school at the N. C. State Firemen's Association in Charlotte. All the members of the department study on their own time and meet each Tuesday night for fire drill. Although the Company pays them for this time, the community as a whole owes them a great debt of gratitude. Let's remember here, also, the hundreds of men who have pitched in at various fires forming bucket brigades to keep the pumbers at work. This is community spirit at its best and we are proud to be part of it.

HOSEY HOUSE—No. 2 Spinning Room. Mr. House has 28 years of service with Erwin Mills. He and his wife Velma have three children and attend the Methodist Church.
