GREENWAVES PLAY BEST GAME YET!

For those Dunn sports fans who saw Dunn play Sanford, it would be very hard for them to believe that the Greenwaves could play a game superlative to that contest. It is my opinion, however, that they played the best game of this season Friday night against Winston Salem's Gray High at Bowman Grey Stadium. The Waves played nip and tuck ball in the first half against the Greyhounds and came out ahead at the half 14 to 13. But true to tradition the breaks couldn't last long for Dunn and they really were lousy in the second half!!

Dunn kicked to Gray to start off the last half. The first kick was called back on an offside penalty. The second kick went very short, in fact it was so short that most of the Dunn defenders were behind Cardwell, the huge Greyhound end, when he caught the ball and he had a host of blockers in front of him, so he trotted sixty some odd yards to score on the opening kickoff. That wasn't so bad because on the basis of first half play Dunn could have easily overcome that slim margin. It was the breaks that followed that cost Dunn the game. Gray kicked off to Dunn and the Waves moved the ball up to the thirty. On the first play from scrimmage Bobby Godwin fumbled the ball for Dunn and Gray recovered. From there it was just a hop, skip and jump to another Greyhound score. Still Dunn was not dismayed at being two TD's behind. But this isn't the end by any means. On the next kick off E. B. Dixon fumbled the ball on the twenty five and again Gray recovered. The Waves held Gray for three downs virtually without a gain but on the fourth down Gray completed a pass down to four where Huff carried it over. By this time everyone had just about counted Dunn (behind three touchdowns) just about out of the ball game—Everyone that is except the Greenwaves. Shortly after the next kickoff Dunn fumbled again and it took all the defensive

strength Dunn could muster to stave off another Gray attack.

Finally at the beginning of the fourth quarter Dunn's attack began to click. Tailback Daley Goff passed to Donald Johnson in the flat and Don raced fifty five yards to score only to have it called back by an off-side penalty. Then Freshman Bobby Day Godwin took over at Tailback replacing injured Daley Goff. Godwin ripped off a forty-five yard run took it over on the same play to score. The Waves had gained back one of the touchdowns but still no one gave them a chance of winning. The Waves struck back in the final 2 minutes on some fine passing by Godwin and some great running by E. B. Dixon on the Gray thirty five. Dixon took the ball there and half ran/half fought his way to the goal line actually taking two Gray men over with him!! With only a few seconds left in the game Gray was running out the clock to keep the ball out of the hands of the desperate Greenwaves. On the last play of the game Tackle Jimmy Sills tore through the Greyhound line and snatched the ball out of the quarterback's hand, but the game had ended and Dunn didn't have a chance to move the ball. Gray scored three touchdowns in the last half and so did Dunn only one of the Greenwaves was called back. The thing that most amazed me about this club was that at no time in the ball game did Dunn count itself out—even when the Waves were 3 touchdowns behind they were just as determined as when they were ahead 14 to 13. Not for one moment did Dunn let up during the entire game. The team played its superlative best—and what more can you ask of a team but their best?

I suppose that most people consider this an unsuccessful season because of the 1 win and 7 losses. Well, let's take a look at those seven losses. Dunn was certainly not of the strongest teams in the conference this year. Dunn lost to Washington and Washington is leading their conference. The Waves lost to Rockingham, Whiteville and Sanford and these teams occupy first, second and third place respectively in the AA conference race and one of these is almost certain to win the State Championship.

was against Laurinburg 13 to 7. On the basis of wins and the only game Dunn lost that it really should have won losses Dunn had an unsuccessful season, I'll grant you that, but there are other things to consider—for instance team work and team spirit. I wouldn't have given two cents for all the team work and team spirit last years Greenwaves had—it just wasn't there! Last years team was usually beaten before they ever got on the field, but not so with this years squad. This year's team profited from their mistakes and they improved as the season progressed. When the Greenwaves got beat this season they studied their mistakes and then forgot the game. When they took the field the next week it was like starting the season all over for them. They never let previous losses bother them nor did they pay any attention to pre-game predictions—as the last two games with Sanford and Gray plainly show. Because of this "never say die" spirit, in my book the '52 edition of the Greenwaves ranks as one of the top teams that ever wore the Green and White. These kids have played some great football this season. They have played to win—and have gotten some pretty tough breaks. Remember that when you're thinking about the win and loss record.

Three Freshmen did a very commendable job for Dunn Friday night and I think they deserve a pat on the back. Halfback Bobby Day Godwin was called on to fill in for Daley Goff at the tailback position. He doesn't have the polish at tailback that Goff does but I think he did a pretty good job. He ran forty yards down to the goal line and then scored on the next play. Then near the end of the game he passed to E. B. Dixon who carried for the final tally. Freshman Guard Ronnie Kimmel played almost the entire game in the place of Sherrill Goodman, who was injured early in the game. Big Ronnie (he tips the scales at a hefty 125 pounds) played the position like a veteran. Another Freshman Weldon Jones, who is known as "Deacon" Jones to his team mates, turned in a great game at defensive guard. All three of these boys will see plenty of action with the '53 edition of the Greenwaves—and so we close the books on another year of High School Football.

## FOOTBALL BRIEFS

DURHAM — (P) — Duke Coach Bill Murray worked today to plug leaks in the defensive line that helped Georgia Tech and Navy ruin a once-perfect season.

Both defeats came after guard Bobby Burrows was knocked out for the season with a broken leg. Murray also sought to regain the scoring punch, weakened by a back injury that has sidelined halfback James Red Smith. Trainer Bob Chambers thinks Smith may be out for the season.

Piney Field continued to run in Smith's place last night as the Blue Devils warmed up for this weekend's attempt to get their first victory in four years over Wake Forest.

RALEIGH — (P) — The North Carolina State Wolfpack ran through a light drill yesterday, stressing pass defense and down-field blocking, before the rain washed it out.

The Wolfpack will leave by plane Friday for its game with Pittsburgh. Coach Horace Hendrickson warned the team that Pitt, which was beaten 16-0 by West Virginia, is a "rough, tough ball club" dangerous from any formation.

CHAPEL HILL — (P) — The North Carolina Tar Heels planned to take only light workouts for the rest of this week in preparation for the game with South Carolina.

Coach Carl Snavely said his squad was so riddled by injuries that he was afraid a couple rough scrimmages would leave him with no team at all.

Linebacker Doug Bruton suffered a shoulder separation in last Saturday's game with Virginia and joined an ailing list which includes halfbacks Bob White, Ken Keller, Bill Hawks and Billy Williams.

## Cold Weather Is Here

The Weather Man Says To Expect Some Really Cold Weather This Season.

After a hot summer, the prediction is for one of the coldest winters in the history of this section.

There's no need to suffer from an inadequate heating system —

With a Kleer-Kleen Furnace, you'll be cozy and comfortable regardless of the weather outside —

Godwin Building Supply has a big complete stock of Kleer-Kleen Furnaces.

## SPORTS SHORTS

ATLANTA — (P) — Georgia Tech's manpower "depth" for the Alabama game appeared shallower today than mud on the soaking Southeastern Conference practice fields.

While rain or mud hampered early week workouts at Florida, Louisiana State, Tulane, and Tennessee, Tech's spirit was dampened by the loss of Leon Hardeman, injured jacket back.

Halfback Larry Ruffin also appeared lost for the Alabama game and Coach Bobby Dodd had to fashion a new backfield to fill the gaps.

WORCESTER, Mass. — (P) — Powerful Holy Cross, with the East's leading passer, was widely mentioned today as a candidate team for a post-season bowl game—possibly the Orange Bowl at Miami, Fla., New Year's Day.

The streaking Crusaders, boasting a needle-eye aerial assault thimbled by Chuckin' Charlie Maloy, have taken six of their first seven games and gridiron guessers think they will win their last three.

MINNEAPOLIS — (P) — Formation of a Midwest intercollegiate hockey league was tentatively agreed upon Monday by representatives from six of seven midwestern universities which field hockey teams.

Members of the proposed league would be the University of Michigan, Michigan State College, Michigan Tech, North Dakota University, Denver University, the University of Minnesota and Colorado College.

ST. LOUIS, Mo. — (P) — St. Louis Cardinal Coach Terry Moore has requested and received a leave of absence, club officials announced today.

Moore said the leave was necessary to handle outside business interests, particularly a bowling alley here. A replacement for Moore has not yet been considered, club owner Fred Saigh said.

NEW YORK — (P) — Guyle Fielder, 21-year-old St. Louis Flyer rookie, led the American Hockey League's individual scoring race today for the second straight week with 17 points on eight goals and nine assists in 11 games.

Fielder's goal total also was the league's highest. Marcel Bonin, an-
