MISS MASSENGILL GIVES PROGRAM ON EDUCATION TO WOMAN'S CLUB

The Woman's Club of Dunn met Tuesday afternoon at 3:30 o'clock in the library of the Dunn High School with the president, Mrs. Pat Lynch, presiding.

The meeting was opened with all members standing and repeating the Club Collect in unison, after which Mrs. Lynch turned the meeting over to Miss Bessie Massengill, chairman of the International Relations Committee, who presented a delightful program, using for her topic, "Education For International Understanding."

In presenting her program, Miss Massengill stated, "education is no longer made up of the original three 'R's'—reading, (writing and arithmetic but we also now have rights, responsibilities and human relations."

Appearing on the program were Judy Stewart, daughter of Mr. and Mrs. Edwin Stewart and a fourth grade student of Mrs. Rachel White; Betsy Byerly, daughter of Mr. and Mrs. Fred Byerly and a seventh

grade student of Mrs. Blanche Barefoot; and Herman Godwin Jr., son of Mr. and Mrs. Herman Godwin and a World History student under Miss Rachel Clifford. All made interesting talks, using maps to bring out the relationship of the different countries.

At the close of her program, Miss Massengill presented Miss Anne Bachman who showed slides of her trip to Europe last year, and gave a story of each in a most charming manner.

Mrs. Lynch thanked Miss Massengill for a most informative program, after which a short business session was held. A letter was read from the Fuquay-Varina Club introducing and transferring to this club the membership of Mrs. J. W. Linberger.

Mrs. William Carroll gave a report on the district meeting which was held in Hamlet October 1 at which the Dunn Junior Woman's Club won a prize—a plate which will be hung in the new club

house.
It was voted that the club take part in the Red Cross program for

GLAMOUR SAYS:

"WANTED
A SABLE-SOFT
SKIN"

Any expert will tell you that the reason for most less-than-perfect skins is to be found in insufficient and/or incorrect cleansing. Faces to to pretty must be swept free of make-up and dirt. They must be softened, smoothed, constantly cod-dled. For faces have a way of revealing when these things regularly happen (or don't happen) to them. The best looking faces you see around these days certainly are getting that kind of care. And very likely they're getting it from an exciting new liquid cleanser called White Sable. Created by Revlon, this delicate white preparation gets your skin thoroughly clean, usually in one application. It also contains some beneficial ingredients with tongue-twisting names that help keep the skin close to a normal state; not too oily; not too dry. Thus the one cleanser is good for all complexions. In addition, White Sable is completely free of pore-mefacing waxes and soaps, has the added advantage of lanolite, Revlon's special softening agent, in its formula.

From the moment you pour a little White Sable from its delicate pink plastic bottle into your palms you'll feel confident that this lightly scented cleanser is going to do an efficient job. Simply smooth it on, tissue it off. It leaves your face feeling soft, refreshed and spotlessly clean. Furthermore, Revlon proclaims that a skin freshener is not necessary after such cleansing, for any slight vestige of remainine cream actually is good for the skin.

And finally, for those whose skins need a little extra pampering there is a companion-piece, White Sable with Hormones, which not only does a superior job of cleansing, but gives the added, accepted advantage the modern woman has over the wicked working of Mother Nature.

Like all Revlon products, White Sable is the result of years of chemical research and consumer testing. As the first venture of this famous house into the facial treatment field, it had to be good. (P. S. It is.) Six ounces, \$1.50 plus tax. With hormones, \$2.25 plus tax.
