ERWIN AND LAFAYETTE ARE ADDED TO GREENWAVE SCHEDULE

Dunn will play all eight teams in the county it was announced recently after a meeting of the respective school representatives. Previously Dunn did not have a game scheduled with LaFayette and Erwin but now both teams have been added to the schedule but only for one game.

The schedule has been revised so that January 13th, previously an open date, we will play LaFayette there and that on February 13th we will play Erwin there. You notice that in both cases Dunn has to play there instead of playing two games and having a return game with each team here. With these two changes Dunn still has four open dates.

One other minor change that was made was with Coats. Instead of Dunn playing Coats there January 20th and Coats playing here February 24 the order of the contests has been reversed.

INDOOR SWIMMING POOL???

Have you seen Dunn's Indoor Swimming Pool? You haven't? Well, next time it rains just take a trip over to the Armory. Every time it rains the basketball court in the Armory is flooded due to a few small chasms in the roof, but rain or shine the Varsity Girls team, and Junior Varsity have to practice in the Armory and any member of these teams will tell you it is no fun to play basketball when you have to wade around the court.

The Dunn Armory has depreciated beyond words of description in the past few years while supposedly under the care of our fair city. Now the Armory has been turned over to the National Guard and they say that nothing can be done about the leaking roof until the first of the year.

The High School has leased the Armory from someone since the Armory has changed hands we don't know who and it seems that someone is responsible for the upkeep of it. Dunn has two home games in the Armory between now and the first of the year and unless something is done about the roof before these two games both teams are going to suffer. I never heard of a Basketball game being cancelled on account of rain but considering the condition of the Armory it's certainly a possibility. The old gymnasium wasn't the best in the world, but at least it was dry! Oh well, Dunn can always drop basketball and organize a rowing team.

187 Golfers To Play Off In Miami Open

MIAMI, Fla. — A field of 183 golfers, including 127 professionals, was scheduled to play off in a qualifying round today for 65 starting berths in the \$10,000 Miami Open Golf tournament.

The survivors of today's 18-hole competition at the palm-studded Miami Springs Course will join 85 "name" professionals, who were exempted from qualifying play, in the first round of the tournament on Thursday.

The absence of defending champion Sam Snead, of White Sulphur Springs, W. Va., who has won this tourney five times, and National Open champion Julius Boros was expected to make this a wide open battle. Both stars passed up the event to make a motion picture in Hollywood.

E. J. Dutch Harrison, the famed "Arkansas Traveler" of the links who won the Havana Open last week, was expected to be a slight favorite to regain the title he won here in 1944. Other former champions entered include Willie Klein, 1926; Tommy Armour, 1932 and 1935; Johnny Revolta, 1933; Steve Wurga, 1943; Henry Picard, 1945; Jimmy Demaret, 1947; amateur Frank Stranahan, 1948; and Freddie Haas, 1949.

Salas Thinks Collin's Win Is Big Fluke

BOSTON — Tommy Collins is a "good fighter" but Lauro Salas would like to fight him again and show the cocky Boston featherweight that Monday night's decision was a fluke.

Collins won the unanimous nod of the two judges and Referee Eddie Curley. Ringsiders credited Collins with eight consecutive rounds after the former light-weight champion from Monterrey, Mex., floored him twice in the opening three minutes.

"He's a good fighter," Salas said afterward as his trainers worked on his puffed and bleeding face. "But Jimmy Carter's too sharp a puncher for him. He'd beat him."

Carter lost the world's light-weight title to Salas May 14 and won it back in a return bout five months later.

"I'd like to fight Collins here again," said Salas, who weighed 131 to 128 for Collins. "I still feel shaky from my cold."

"The fight was repeatedly postponed on account of Salas' cold. Collins was game for a rematch too."

"I didn't get warmed up again after that first round until the fourth," he said. "I'd be glad to fight him tomorrow."

SPARTAN SPARK - - - By Alan Maver

DAVEY-PRUDEN FIGHT TONIGHT

CLEVELAND, O. — A capacity house of 13,000 is expected to jam the Arena tonight to watch boxing's most educated man, Chuck Davey from Michigan State College, meet Fritzie Pruden in the 10-round televised main event of the 26th annual Cleveland News' Christmas Toy Fund Show.

Davey, B.A., M.A., and now teaching English at his alma mater, has about clinched a shot at Kid Gavilan's welterweight crown. In order not to spoil his chances Davey backed out of his original match here with Dandy Del Flanagan of St. Paul, because their styles were "incompatible" for a good fight.

However, Pruden, who has won 56 of his 65 pro fights since coming out of Canada to Paterson, N. J., is noted as a puncher and hopes to solve "The Little Professor's" baffling southpaw style that has carried him unbeaten through 32 fights.

For the benefit of Flanagan and fans here who like the handsome Irishman, sports editor Ed Bangs of the News has matched him in another 10 rounder with Dick Anderson of New York City, who will outweigh his veteran opponent by about 10 pounds.

Also on the card are 10-rounders between Akron's Ronnie Delaney

Wake Forest Team Now Toast Of South After Two Big Upsets

NEW YORK — Amazing accuracy from the free-throw line even during a pressure-packed final minute of play, enabled Wake Forest to pull the biggest upset of the young basketball season Tuesday night by beating North Carolina State, 51-50.

North Carolina State, ranked sixth among the nation's case powers by the United Press Board of Coaches, was a heavy favorite to score its fourth win of the season at Wake Forest, N. C. Instead, the Wolfpack found itself played to a standstill on the floor by Wake Forest's zone defense. As for free throws, the Deacons sank 17 out of 21 shots.

Dunn Boys, Girls Lose Cage Openers

The Dunn High Basketball team opened their cage seasons last night by dropping their first contests respectively to the Boone Trail Girls and Boys Teams.

Ernie Mills led the Boone Trail girls to a 55 to 35 victory over the locals by scoring 27 points. Betty Lee scored 12 for Dunn and Martha Ann Butler and Katherine White got 10 and 8 points apiece. The defensive leaders for Dunn were Jean Sorrell and Mary Lou Westbrook.

Lemon Knight led the Boone Trail Boys to a 53 to 49 victory over the Dunn lads to take high scoring honors for both teams. Buchanan was next high man with 14 points. For Dunn, Daley Goff led the scoring with 8 points and Mac Turlington was next with 7. The defensive leaders for Dunn were Carter, Goff and Billy Ray Godwin.

The locals will face Benhaven here Friday night.

Negro Held

(Continued From Page One) Mrs. Kirby told officers she rebuked the Negro, waved a knife blade at him and he ran from the store. When she called her invalid husband who was lying on a cot in the rear of the building Mr. Kirby hobbled out and chased Bailey who allegedly threw the drink bottle at Mr. Kirby.

Judge Lee granted the motion of defense attorney's for two weeks continuance in order to prepare a defense.

Mrs. Kirby told officers she rebuked the Negro, waved a knife blade at him and he ran from the store. When she called her invalid husband who was lying on a cot in the rear of the building Mr. Kirby hobbled out and chased Bailey who allegedly threw the drink bottle at Mr. Kirby.

It was not an easy decision to make, but for what I considered a better opportunity to advance in my work, I have accepted the position as Superintendent of the City Water Plant with the City of Goldsboro, N. C.

Again, I thank you for your friendship and the interest that you have shown in helping me to get the Water Plant in the condition it is now.

Please do not forget that there still are a lot of improvements necessary to bring it up to present-day standards.

I want to assure all of you that for the remaining time that I am here, the City Manager may expect my whole-hearted cooperation in helping him to select someone qualified to fill the vacancy at the Water Plant due to my resignation.

King Will

(Continued From Page One) reports from him and from the State and that officials know what improvements are needed.

Asked for comment this morning, Mayor Ralph E. Hanna declared: "We admit the plant is 30 years old and needs maintenance, but as far as any glaring fault, I do not know of any."

The mayor pointed out that many improvements have already been made upon Mr. King's recommendations.

"I have enjoyed my work," declared Mr. King in his letter of resignation, "and will always cherish the relationship and cooperation that you gentlemen and the other people of the City of Dunn have shown me in the approximately four years that I have had the pleasure of serving you." He said it was not an easy decision to make.

The official said he would be happy to give his wholehearted cooperation in helping to find a successor and in helping familiarize his successor with the operation of the plants.

King is a native of Sanford. He received his training at State College in Raleigh.

Active in affairs of Dunn and Erwin, he is president of the Erwin P.T.A., is a member of the Methodist Church, the Masonic lodge and the Dunn Rotary Club.

Following is the text of Mr. King's letter of resignation:

I hereby submit my resignation as Superintendent of the City Water and Sewage Plants, effective December 31, 1952. During this time, I will be happy to work with whom ever you wish in helping to familiarize him with the operation of the Plants.

I have enjoyed my work and will

N. C. State had control of the ball at that point but Mel Thompson missed a hook shot with 40 seconds left and in the under-basket net, Billy Lyles of the Deacons was fouled. Lyles calmly sank both shots for a three-point lead and Thompson's basket for State in the closing seconds was too little, too late.

3-0 RECORD

Jackie Williams racked up 26 points for Wake Forest, which now has a 3-0 record.

Tenth-ranked Holy Cross opened its season with a 76-40 victory over Massachusetts and 18th-ranked St. John's gained its second win, 83-70 over Arnold.

Illinois, with virtually the same lineup that won the Big Ten championship last year except for graduated All-American Rod Fletcher is risking trouble in opening its season against Loyola. The Chicago Ramblers have a green team, but have been comfortable winners in their first three games.

LASALLE OVER ALBRIGHT

La Salle, the nation's No. 2 ranked team, is expected to triumph over Albright tonight. The Oklahoma Aggies, ranged fifth, meet Creighton.

League games Monday night saw Duke beat Washington and Lee, 91-80, in the Southern Conference, while in the same league Davidson downed Furman, 71-67 and West Virginia nipped Georgia Washington, 94-83; Connecticut whipped Yale, 76-68; Columbia whipped Trinity, 75-55; Mercer up-

set Georgia, 68-63; Pitt edged Westminster, 62-57; Hamline beat MacAlester, 79-65; Marshall rolled over Virginia Tech, 113-57; and Washington State beat Whitman, 67-50.
