Boys, Here's A Way To Make Money In Your Spare Time.

A Daily Record home delivery route is the best year 'round opportunity for any school boy.

It's profitable - you'll earn more than at most other part time work. Your earnings are limited ONLY, by your ability and ambitions because you're in business for yourself. It's educational - you'll learn more as you sell, deliver, collect and keep records.

You're preparing yourself for stepping ahead in life. An evening route does not hamper you in your school work. In fact most teachers say it advances most boys. You'll also find a real thrill in earning your own money, buying your own things and building your own savings account.

We need competent boys between 12 and 16 years. Fill in application below and mail to Circulation Dept., The Daily Record, Dunn, N. C.
