Erwin Teen Chatter

By MAE COOPER The pictures have returned at last. Everyone is tickled pink with the way they turned out this year. They are truly the best ever taken at E. H. S. The Seniors are the happiest class around school. Why? Their class rings came the other day and ever since they've been talking with their hands. No joke, Seniors, they are really pretty and something to be proud of. It won't be long now!! The Junior play is scheduled to be put on Friday night, the twelfth of this month. All the juniors are busy preparing for the last minute changes and as things look now this will be the best play to be given by any class of Erwin High, so be sure to turn out and see the comed nit of the year at 8 o'clock in the Erwin High School Auditorium. To her surprise Harold "Brosnie" Brown was calling. Ever since then Gail has been walking around on a cloud. Why Gail, I thought the lucky boy was an Erwin Junior. Ray Hall is still dating that cute little Jean Caudle from Dunn. You two together make one of the cutest couples ever, keep up the good work. Jo Ann Whitman has cast her eyes from Dunn to Campbell College and to a fine looking lad by the name of Bobby Massengill. Love makes the world go 'round, huh Jo Ann?? At long last! Pat Whitman and Gilbert Smith have made up. They had a bad spat awhile back, but now they're back together again and from the look on their faces you'd know they're glad of it. Bob Cooper and Pat Woodworth can be added to our steady list. Bob is attending STATE and Pat is attending Meredith. They look swell together and one consolation, ever so near. Ohhhhh, and by the way Bob, we all like the songs you have played over "Our Best To You." Pat does too. Who was this cute U.N.C. lad Frances Lucas dated over the week end. Uh-huh! You guessed it. The Warren receiving letters from a "sweet" boy in Dunn?? So near and yet soooo far. By the way Peggy, what did you say your phone number was?? Peggy isn't the only one receiving letters from the Dunn boys. Shirley Royals can depend on one every time she goes to the post office. You girls have really got it made with those Dunn boys. Have you noticed Jessie Sugg walking around in a perpetual daze? I wonder if that R.B.C. (Real Bad Cat) Luke Hammock could have something to do with it?? Speaking of R.B.C.'s, I hear that Peter Parker is a pretty big one. What!!!! No comments from the Peanut Gallery?? We're glad to have J. C. Hubbard

lad's name is Jerry Thomas. He's a swell boy, Frances, wish you luck. Congratulations to the Dunn Junior Class. I saw their Student Night and it was really good. Those who didn't attend missed a lot of good entertainment. Congratulations also to all the superlatives. Your student body was just in their choices and Mr. and Miss Dunn High are the cutest who have been chosen in a long time. Once again, congratulations! Frank Weaver seems to like the girls from Dunn almost as much as Charles Page does. Frank's latest "flame" is a pretty Miss by the name of Jewel Pope. Wish you luck, Frank. Speaking of having "flames" from Dunn, Ben Parke is not one to be left out. Ben has his eyes on a swell looking Miss called - - - well, I'd better not say if you want to know who it is that bad, ask Ben, I'm sure he'll tell you. Can hardly wait until the 1953 We get out for the Christmas holidays and then that damn the year. AGE CLUB is having a good time. It should be lots of fun for everyone. See all of you there.

WE ARE USING NORWOOD Brick FROM LILLINGTON LOOK FOR THIS SIGN IN EASTERN NORTH CAROLINA "BUILD NOW FOR EVER"

How would you like the fun of Christmas to last all the year through? That's the way it seems to be when you call this Buick beauty your own - what with the constant cheer it brings to you week after week, month after month. The cheer of traveling in style that's bright and gay as a holiday wrapping. The cheer of having rich and spacious comfort - plus the cheery thought that nowhere else can you get as much room for the money. The cheer of knowing abundant and mighty able power is on call, with all that's valve-in-head - and also high-compression. The cheer of riding wonderfully buoyant, level and steady - with a ride that feels like the million dollars it cost to perfect. The cheer of taking your travel free and easy - with Dynaflo Drive* doing the chores in letter-perfect smoothness - with Power Steering** assisting to make parking and slow-motion maneuvers no task at all. Even the price is a cheerful note here - low enough, you'll find, to crowd the so-named "low-price three." That means action is called for this very week, to make the most of this good deal while it lasts. Why not drop in today or tomorrow and see how much cheer is to be found in a Buick showroom right now? Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost on Roadmaster and Super only.
