FIRE THREATENS HOUSE HERE — Prompt work by the members of the Durin Fire Department saved the house shown here from complete destruction yesterday. When the men arrived they found the rear roof and kitchen sheathed in flames. They put out the blaze, caused by an oil stove explosion, and prevented their spreading from the rear roof and kitchen to the rest of the house, The house is occupied by Rex Watson and owned by George F. Pope. (Daily Record photo by T. M. Stewart).

BASIC FRAMEWORK

"Some of our poncies have been encoaciful and some have part, but, by and large it can be said that we have created the base framework that is necessary to resist aggression and to unhold the principles of the United Nations."

Mr. Truman reviewed the steps which have been taken under his "policy for peace" — from aid to Greece in 1947, through the Marshall Plan, the North Atlantic Treaty the Japanese peace treaty, the still unconcluded peace contract with Western Germany, and the Pacific security arrangements.
