Meadow School PTA Has Interesting Meet

Meadow School held its regular P. T. A. meeting Monday night, December 15 1952. Approximately 500 members and friends were present.

Miss Mary Elizabeth Blackman played two violin selections, accompanied by Mrs. Beatrice Hamilton at the piano.

The meeting was called to order by the president, Mrs. Joe E. Hadson, who extended a welcome to all those present.

As our annual Christmas program was to be presented, the meeting was turned over to Mrs. Thelma Smith, the program chairman. The program included:

1 Two selections by the Primary Rhythm Band, under the direction of Miss Lucy Bell Pitt.

2 Two selections by the Elementary Rhythm Band under the direction of Mrs. Glenn Flowers.

3 A play "The Boy Who Didn't Believe in Christmas" presented by Mrs. Esther Parker's 2nd grade section.

4 Several selections by the High School Glee Club directed by Mrs. Beatrice Hamilton after which the audience joined in singing with the Glee Club "Blue Christmas" and "White Christmas".

Miss Margaret Watt led the devotions.

The minutes of the last meeting were read by the secretary and were approved as read.

Mr. Nelson Newton, the treasurer, gave a treasury report on the barbecue supper sponsored by the Ways and Means Committee for the purpose of raising funds for our lunch room equipment. Total receipts were \$2,230.95; total expenses, \$387.53; total clear, \$1,943.42.

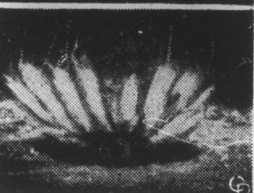

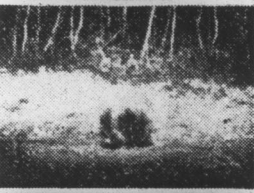

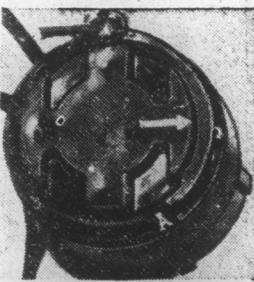

The chairmen of the various committees were called on to give their reports.

Mrs. Lawhon, chairman of the membership committee, reported that at the present time we have 234 paid members. She urged those who were not a member to become one.

Mrs. Heber Johnson, chairman of the Ways and Means Committee, expressed her thanks and appreciation to all of those who helped and cooperated with them in making our barbecue supper a success. Mr. Cub Barefoot offered two prizes—one to the room selling the most tickets, Mrs. Ernestine Jones' 4th grade section won one prize and Mrs. Ernestine Jones, herself, won the ladies' prize.

Mrs. Eugene Lee, representing the social committee, said that they would ask the various clubs in the community to furnish the refreshments for each P. T. A. meeting. A motion was made and seconded that we take money from the P. T. A. treasury for supplying the paper cups and plates necessary for serving refreshments. The motion was carried.

Ounces That Pound

ALTHOUGH it weighs a mere 4½ ounces, the new anti-personnel mine (top) packs the wallop of its 9-pound predecessor. Developed by the Army Ordnance Department, the midget M14, which can be carried in the palm of a hand, is pictured in three stages of explosion. Its cost is one-fifth less than the heavier mine used in World War II. (International)
