We've had so much steak in the we've felt it.

The war taight my bride dozens for recipes, such as peanut-butter scup, vecetable pot pie, and early plant patties, that do not call for beef. She used 'em regularly and economically until we were luration to taking adventage of the eash savings offered by the cold cheet. We bought one It was a beauty trimmed in blue to make it look as wings offered by the cold cheet. We bought one It was a beauty trimmed in blue to make it look colder ctill.

For a while we kept nothing much in it excent ergs, which freeze for when busted and saited; strawberries of our own production: a few half-callon carteers of fee cream, which freeze so solid took a strong man with a hattest took a strong man with a hattest of core tinto 'em and an occasional leftour waffle. Then came the chance for the big savings in beet.

The butcher said if my bride dozens of received was and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happort of lefts. It was a bargain for sure and we spent a happor of lefts. It was a bargain for sure and we spent a happor of lefts. It was a left in the found of the conduction of the cold wasting and the butcher left in the left of the le

"Tut-tut!-this is on me. After all, you paid for the dinner and show.'

Walter Winchell

gratefully.

The demonstrations, according to Flander, always started in the same corners, and the whole legislature followed the example of a couple of kew members. They acted as sort of cheer leaders without being too moticeable. The senator said he storted "one stout lady with a uprathetic to all uarties concerned. You may find such help by calling set the pace for the applause in her corner.

Asked if he visited with Peron. Asked if he visited with Peron. The senator from Vermont said:

"I krew he had nothing to tell me that I would believe, and I had nothing to tell him that would inlerest him."

SALEY OF DOUBLE IN PAST 13 YEARS NEW YORK — (I) — Sales of concessive wines lawyer.

NEW YORK — (I) — Sales of concessive winestic wines two dubled since to said the outlook for 1953 is or continued growth, according to Franz W. Sichel, president of Franz W. Sichel,
