

DELTA THETA DELTA SORORITY DANCE HIGHLIGHT OF HOLIDAY SEASON

The Dunn Armory was touched by a magic wand and turned into a veritable silver and green fairyland for the annual Delta Chapter of the Delta Theta Delta Sorority Christmas dance held on Monday night.

Playing for the dance was Earl Williams and his orchestra from Raleigh.

The theme for the decorations was "Wishing" and in keeping with this a silver wishing well centered the dance floor. Green ivy was artistically entwined around the well

and a huge revolving spotlight cast various colors upon the arrangement during the evening.

Green crepe paper was used overhead and behind the grand stand a back drop held large silver letters spelling out the theme, WISHING.

The stage was filled with snow covered Christmas trees and at 10:30 the sorority girls emerged from behind this setting to descend the grass covered stairs to meet their escorts for the grand march. Each couple walked to the center and exchanged rings at the wishing well

A time for resolution —

A New Year — a fresh start. Time to take stock of what we have done; an even better time to "resolve" for the future. Webster defines "resolution" in many ways. Particularly apt, in these troubled times, are these definitions:— "firmness; constancy; determination." Your determination to foster these qualities in our young people, can guide us to greatness. It is a grave responsibility yet its reward can be equally great. All of us should share in this task. Here at C. P. & L., we deem it our duty and privilege to help build a Finer Carolina. By building finer communities and strengthening the base of our agriculture, we help create opportunity for our young people. Your children have a right to opportunity; a right to progress. And, Progress demands "resolution" from all of us.
