

Teen Tattle Tales

By LINDA AYCOCK

"We hit the jackpot!" Ray! Rahl! for good ole Dunn High! Yes sires, we hit the jackpot with Coats! The games Tuesday night were thrilling for Dunn cause we won all three by pretty large margins. We haven't won all three games of basketball in a lifetime it seems, but now we pulled all three out of the bag. No use telling you basketball players we're proud and happy for you can see it's plainly written all over our faces. Let's see if we can't do the same to Blue's Creek Friday night. Hope everyone drags up a ride and beats it over to the brand new Campbell College gym to see the game. Shore do want a nice showing and a lot of yelling to let our opponents know Dunn is really something. And I can say the cheerleaders are doing a fine job with the yell. Dunn's School spirit is almost revived so come on, folks,

let's live it up.
Seems Frances Crumpler and Billy Barfield are still on speaking terms but the real man in her life is Ed Purdie. Also there are a few others who would like to be in his shoes.

And while speaking of Crumplers Betty Byrd Crumpler hasn't any trouble with the boys either. When she first came to Dunn she attracted them like sugar does ants and had a different date most every night! But now I think she has settled down, recollected her thoughts, and decided on Frank Wilson for her beau. They seem to have the most of fun always, and never get mad. One question--How do they do it?

DAFFYNITIONS:
A woman's mind - scheme machine
Puppy - a little waggin' without wheels
Chesecake photography - clothes-up
Tears - gum-drops
Appearance - surrender on installment
Graft - dip in the heart of taxes
Four-letterman - J-E-R-K
Winter - the age of shoverly
Nudist - one suffering from clothes-trophobia
Nylon's - sheer today and gone tomorrow

School has gotten rather hard lately. Seems the teachers have decided that the second semester is the time to work. (Oh, how we disagree!) So now the teenagers are laden with enough homework to supply an army. Looks like another renaissance (rebirth of learning) for Dunn cause the students of Dunn High are gonna start learning once again. Oh, I knew I should have studied for exams!!!

Yesterday's Answer

DAILY CRYPTOQUOTE—Here's how to work it:
is LONG FELLOW
A X Y D L B A A X R

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation
Q B R R A O N H : V X O V Q O A R O N H M E
Q N V X O V I M Q B R - A X O G B A L B O I B.

Yesterday's Cryptogram: OUR SINS, LIKE TO OUR SHADOWS, WHEN OUR DAY IS IN ITS GLORY, SCARCE APPEAR—SUCKLING.

Every Sunday night a youth fellowship is held in the Baptist Church. In the basement after church a group of young people gather and play games, sing songs, or do a number of other things. Refreshments are served by members of the board of Deacons every Sunday night. Everyone has a wonderful time and ends up going home from church with a load off their minds. We'd like to have more of the young folks (especially Baptists) come and at least try us out. If you like it maybe you can start something similar in your church. At any rate come on down next Sunday night and see if you don't have a marvelous time.

Joyce Godwin is getting mail most everyday from Walter Byrd. Guess he'll be as faithful as ever. Reminds me of another boy in the Air Force, William Moody. He seems pretty steady with his letters to Annette, Barefoot. Ain't love grand," Oh yes, by all means don't get writers' cramp.

Much happiness to Effie Lou and Lynwood Sills who were married January 17th. Effie Lou looked lovely and Lyn was as handsome as ever as they spoke the vows that made them one. Certainly no two people have ever been any more in love!
