Thomas Is Stock Car Winner

Herb Thomas of Olivia, 1951 stock car racing champion, took first place and a \$1,000 purse Sunday afternoon before a crowd of more than 7,000 people in a NASCAR-sanctioned Grand National Circuit race at Harnett Speedway.

Driving his famed "Fabulous Hornet," a 1932 Hudson, Thomas led the field of 31 top-ranking drivers all the way and when the race ended he was three laps ahead of the second car.

In the time trials, he also came out first, rounding the beautiful half-mile track in only 34.67 seconds.

Teenagers Caught Operating Still

They're starting bootlegging at a young age these days.

Two 18-year-old Meadow Township youths were captured when deputies raided a 50-gallon copper still in Meadow Township, just across the line in Johnston County.

Matthew Capps and Luby Cole were placed under \$300 bond for their appearance in the Johnston County Recorder's Court to face trial on charges of possession of the still for the purpose of manufacturing bootleg liquor.

Deputies E. O. Beasley and Ersaleen Creech reported that a third youth escaped. The officers poured out about 50 gallons of beer.

Young Negro Burglar Bound Over Today

Although 19-year-old Edward McKoy, the latest one-man crime wave in Dunn, had confessed to six burglaries, and even led Chief of Police A. A. Cobb to the residences he had entered, his attorney, D. C. Wilson, pleaded the youthful Negro not guilty at his hearing in Dunn Recorder's Court this morning.

Attorney Wilson contended that since in none of the cases heard, his client had forced an entrance, that his crime was not a felony, but that he was only guilty of larceny, a misdemeanor.

However, Judge H. Paul Strickland produced a ruling upheld by the Supreme Court that said, in effect, that entering a residence, whether the door was open or not, constituted breaking and entering.

"People don't have to barricade their homes in order to protect their property," the judge declared.

Charges on only three of the warrants were heard this morning. At the home of F. N. McLamb, McKoy was charged with stealing a wrist watch and \$22 in cash; at (Continued on Page 7)

Stalin Funeral This Morning In Below Zero Cold

By HENRY SHAPIRO United Press Staff Correspondent

MOSCOW (U) — Russia's new premier, Georgi M. Malenkov, speaking at the funeral of Josef Stalin, said today the Soviets wanted to collaborate with the Western world but would keep their armed forces strong.

Speaking from the rostrum of the Mausoleum where Stalin used to review Red army troops, Malenkov told the thousands assembled for the last rites for the Soviet leader.

"Our sacred duty is to strengthen by every means the mighty Soviet armed forces. We must keep them in a state of fighting preparedness for crushing rebuff to any attack of the enemy."

Malenkov Minister of Interior and Security Lavrenti Beria and Foreign Minister Vyacheslav M. Molotov eulogized Stalin.

FIRST STATEMENT Malenkov used the funeral tribute to Stalin to make his first major foreign and domestic policy statement.

Red Square was a veritable forest of flowers flown in from the Soviet Union's sub-tropical areas. The walls and buildings along the route the funeral procession followed from Hunter's Row and the Union House to Red Square were banked with white and red roses, tulips, mimosas and narcissus.

The weather was below zero and an uncanny silence covered the city. (Continued on Page 7)

Magazine Cover Features Dunn

A photograph of Dunn's safety signboard appears on the front cover of ELECTRICAL WORLD, a national trade magazine for the electric industry.

The March 2 issue of the magazine featured the "Finer Carolina" contest sponsored by Carolina Power & Light Company. Three inside pages were devoted to pictures of outstanding projects for community improvement.

Dunn was singled out for attention because of the Junior Chamber of Commerce campaign for traffic safety. A picture of the Jaycees' lighted billboard appeared on the magazine cover. Dunn received a \$100 prize for honorable mention among the towns competing in the largest population classification. This group included both top money winners — Hartsville, S. C., and Sanford, N. C.

Assembly Begins Ninth Full Week

RALEIGH (U) — The General Assembly begins its ninth full week of the 1935 session tonight, and the thoughts of the legislators were beginning to turn toward adjournment and going home.

The lawmakers will at least have to get the appropriations bill out of the way before they quit. House Speaker E. T. Holt, Jr. predicted that if no serious development in disposing of the huge money bill the legislature should be able to adjourn by the second week in April. With the session entering the late (Continued on page two)

Dunn AA Unit Is Planning Banquet

More than 700 people are expected to gather in the Dunn Armory Friday night at 7 o'clock for the third annual banquet of the Dunn Chapter of Alcoholics Anonymous.

It is the biggest event held in Dunn each year and a record attendance is expected at this year's event.

Members of the arrangements committee reported today that already approximately 500 tickets have been sold and facilities have been arranged for 750.

Practically all of Dunn's civic organizations — Rotarians, Lions Jaycees, various women's groups and fraternal organizations — have voted to meet jointly with the AA unit for this occasion.

An added attraction at this year's banquet will be an address by one of the top orators in the national AA movement, who will fly here from Bristol, Va. for the event.

DR. SAM D. TO SPEAK

Every year the AA chapter has been trying to secure Dr. Sam D. Anonymous for their banquet, but have been unable to secure him previously. According to the rules of the organization, members of AA remain anonymous.

A pastor of a large church and former pastor of some of the largest churches of the country in his denomination, Dr. Sam D. is in great demand as a speaker and travels from coast-to-coast addressing AA banquets and other large gatherings.

Dunn citizens who heard him at Fayetteville several years ago have been singing his praises since.

CUTHRELL TO PRESIDE Dr. George F. Cuthrell, pastor of Hood Memorial Christian Church and president of the Dunn Ministerial Association, will serve as the toastmaster at the banquet and will introduce the speaker. (Continued on Page 7)

New Area Is Being Searched For Plane

GREENWOOD, S. C. (U) — South Carolina Civil Air Patrol planes searching for a small private plane missing a week and a half, today shifted their base of operations here and resumed the hunt.

The plane, a red and silver Beechcraft Bonanza flown by Worth Stewart, wealthy Charlotte, N. C., theatre executive, disappeared ten days ago on a flight from Jacksonville, Fla., to Charlotte.

(Mrs. Ralph Johnson of Dunn, sister-in-law of Mr. Stewart, returned to Dunn last night from Charlotte, where she has been for the past week with the family.

"We won't give up until every possible hope is exhausted," said Mrs. Johnson, who expressed appreciation for the many messages sent the family.

Despite 35 to 40 mile an hour winds, search planes scoured the area from Charleston to Myrtle Beach and from the coast inland to the Santee-Cooper basin over the weekend.

REWARD OFFERED Mrs. Stewart offered a \$1,000 reward to anyone supplying information leading to the location of her husband's plane.

A search party cut its way 10 miles through thick forests up the slope of Cold Mountain near Canton, yesterday in hopes of finding Stewart's plane. But the wreckage, previously spotted from the air turned out to be that of an Air Force B-25 which crashed several years ago.

Col. Norman Young of the Civil Air Patrol said the area was a "regular graveyard of airplanes" with five old crashes scattered around the mountains.

NO REVISION Taft said there may never be an official administration bill as such to revise the law.

Durkin has encountered difficulty in getting labor-management agreement on proposed changes. The administration's first effort to achieve agreement ended in failure last week when Durkin's bipartisan advisory committee broke up in disagreement over procedure in recommending changes.

Labor and public members of the 15-member group favored taking a vote on proposed changes in the law. (Continued on Page 7)
