Plane Is Held At Airport By U. S. Officials

WILMINGTON, N. C. (AP) — A Venezuelan air line Constellation with 35 passengers and a crew of seven aboard was ordered down by U. S. officials today after its pilot made an unauthorized take-off from Blumenthal Field here enroute to New York.

Customs and immigration officials here and in Washington made repeated radio demands that the plane return here, and the officer in charge aboard the plane, Capt. Gonzalo Parraga, obeyed.

Passengers and crew were processed through customs and immigration officers here after the plane returned.

There was no indication when the plane and its passengers would be cleared to continue to New York. The four-engine air liner of Linea Aero Postal made an unauthorized and unscheduled landing here at 8:25 p. m. last night, officials said.

STARTING EARLY — The Rev. Bane T. Underwood, pastor of the Gospel Tabernacle in Dunn, is shown here as he welcomed a young member of his Sunday School yesterday. The new member is Ronald Randolph Tripp, only 9 days old, shown here in the arms of his mother, Mrs. T. T. Tripp of Dunn, Route 3. The pastor pointed out that the mother set a wonderful example by starting the baby to Sunday School as early as possible. The church has an excellent nursery for babies. (Daily Record Photo).

Erwin Youths Face Charge Of Burglary

Erwin men today were indicted on charges of burglary after a store was broken into and \$400 worth of merchandise was stolen.

Probable cause was found last Tuesday by Judge M. O. Lee in Recorder's Court against David "Sambo" Brown, 21, Odell Moore, 24, and Harold Gowin, 15, and Harold Johnson, 23. Bond for each was fixed at \$500 and before the week ended all the defendants had made bond.

Byrd, the store owner, testified that on Feb. 27 it was found that his store had been robbed of around \$400 worth of merchandise. Missing articles consisted of clothes, shoes, and other items.

Better Planes Sent To Europe

Democrats To Be Rooted Out Of Holdover Jobs

WASHINGTON (AP) — President Eisenhower will soon issue an executive order to root Democratic holdovers out of policy-making jobs covered by civil service.

Leaving the weekly White House legislative conference with Mr. Eisenhower and key leaders, Martin said the talk on "unfreezing" civil service jobs covered only those of policy-making levels.

The White House had announced more than two weeks ago that Mr. Eisenhower would issue the order. He said then that past Democratic administrations had abused the idea of civil service by "blanketing in" some jobs.

Republican officials have been complaining, ever since they took office last Jan. 20, that too many high-salaried federal officials appointed during 20 years of Democratic rule were entrenched in their jobs by civil service rules.

Mr. Eisenhower took the first step toward clearing out some of these holdovers when he announced on March 5 that he would revoke an order issued by former President Truman which blanketed several hundred policy-level jobs.

The twister struck about 11 p. m. Workers who began the big clean-up job at dawn described the scene as a "general mess" and said debris was draped across power lines like a giant-sized Monday morning wash hung out to dry.

School officials estimated damage to the Sam Vick elementary school in a Negro residential section at \$30,000. A 40-foot flagpole on the schoolground was bent flat against the ground.

The winds whisked roofs and porches from two houses across the street from the school, knocking them down.

Rev. Bane T. Underwood, pastor of the Gospel Tabernacle, has been elected Chaplain for the Dunn Fire Department. It was announced today by Howard M. Lee, secretary-treasurer.

Before coming to Dunn Mr. Underwood was a member of the auxiliary fire department in Greenville, S. C.

PEOPLE BY THE HUNDREDS — This picture will give you a small idea of the huge crowd present Friday night for the annual banquet of the Dunn chapter of Alcoholics Anonymous. The picture just shows a portion of the big crowd—largest ever to gather here for a banquet. The AA event was acclaimed a big success in every respect. The crowd of nearly 700 enjoyed an outstanding address, music by the Dunn High School Band, and barbecue. Members of the organization today expressed appreciation to citizens for their support. Assembly Begins Tenth Full Week

RALEIGH (AP) — The General Assembly begins the 10th full week of its 1953 session tonight with the House expected to hand Gov. William B. Umstead another governmental agency to be reorganized.

The bill by Rep. R. Lee Whitmire of Henderson County would end the terms of all members of the State Board of Elections on May 1. The governor would then appoint new members. If passed, it will be the fifth state board which Umstead has been given the power to reorganize.

Two big hearings this week appear likely to stir up trouble on Capitol Hill. The House Senatorial Districts Committee on Wednesday will hold a public hearing on bills to reorganize the House and Senate seats.

The Constitution demands it. The lawmakers want to ignore it. It may be rowdy.

Company officials testified in the first round of the rate hearing last Dec. 10 that the increase is necessary to give the company a 7.5 per cent return on its investment and finance the expanded and improved service which the region wants.

Opposition spokesmen contend they represent more than 55,000 of the company's nearly 104,000 customers. The rate-fighting committee has hired a special accountant.

County Farm Woman Assured By Benson

Secretary of Agriculture Ezra Taft Benson has assured a prominent Harnett County farm woman that he is "deeply interested" in the problems of the South.

Mrs. Arthur Capps of Coats, R. 1, secretary of the Harnett County Home Demonstration Council and an active leader among farm women of the county, disclosed today that she has received a personal letter from Mr. Benson.

Mrs. Capps had written Secretary Benson asking for information which might reassure the farm women of the area that they need not be worried about the administration's new farm program.

"As one who has traveled through the South many times, Secretary Benson wrote her, 'I can assure you that I am deeply interested in the problems of the South and somewhat acquainted with the agriculture of that great area.'

"I believe you will always find me fully sympathetic to the problems of the South and anxious to help in any way I can."

Mr. Carlyle is back home to attend a meeting of Army officials and other Congressmen and Senators to be held Tuesday at Fort Bragg.

Battle Tested Sabre Jets Are At German Base

WIESBADEN, Germany (AP) — American F-86 Sabre jets battle tested against Russian-built MIG-15s in Korea, arrived in West Germany today to bolster Western air defenses against marauding MIGs which last week shot down two Western military planes over Germany.

The speedy U. S. jets - fastest and most modern in the American arsenal of operational fighters - were sent at once to Fuerstenfeldbruck airbase.

It was from that base in Bavaria, near the Czechoslovak frontier, that two American Thunder jets took off last Tuesday when they were attacked and one was shot down by two MIGs of the Red Czech airforce.

The Sabre jets were rushed here from bases in Britain. The Air Force announcement said they were ordered to the southeast corner of the U. S. zone of Germany for "temporary duty."

A regular force of Sabre jets had been earmarked for service in Germany and will be flown here from the United States later this week.

A spokesman indicated that the Sabre jets flown here from Britain will be used to intercept any Soviet or Iron Curtain aircraft that violate the borders of the U. S. zone of Germany - before the regular force of Sabre jets is delivered.

Russian MIG-15s last week shot down a British Lincoln bomber over the northern portion of West Germany, and the downing of a German plane by a Soviet MIG-15 was reported by the German press.

Grunewald, a man of many connections in the capital, exposed himself to the contempt charges and earned the nickname of "the silent Dutchman" by refusing to answer questions of a House War and Means subcommittee in December, 1951.

His reticence continued right up to the opening of the trial today. His only public comment on the case was "not guilty."

That was the plea he entered before Judge Alexander M. Holtzoff last January after being indicted on 30 federal counts of contempt.

Six Plead Guilty In Superior Court

Six guilty pleas were accepted and two true bills returned as Harnett Superior Court opened on a one-week criminal term this morning.

True bills for murder in the first degree were returned against Mack Vinston for shooting Theodore Williams and Roger Massey for the January 4 killing of Bobby McNeill.

Solicitor Jack Hooks submitted six defendants who had entered guilty pleas. Sentences were as follows:

Talmadge Jernigan, charged with forging a \$50 check on his mother, Donnie was given six months in jail; George Stargill, driver after his license was revoked, 30 days.

Andy Del Vescovo of Burlington, the new Jersey veteran who led the 1951 Bonus March on the State Capitol and since that time has been State membership Director of North Carolina AMVETS, has been fined \$100.

Small Tornado Strikes Wilson

WILSON, N. C. (AP) — A small tornado struck here late last night, ripped off the roof from an elementary school, carried away porches and downed power lines, and did damage estimated today at between \$50,000 and \$70,000.

City officials said no one was injured. The twister struck about 11 p. m. Workers who began the big clean-up job at dawn described the scene as a "general mess" and said debris was draped across power lines like a giant-sized Monday morning wash hung out to dry.
