

Mostly fair and warmer today and tonight. Wednesday increasing cloudiness and warm with showers beginning Wednesday afternoon.

DISCUSS PROBLEMS — Miss Patsy Montague, a social educational supervisor, State Department of Public Instruction from Raleigh, was at Dunn Grammar School this morning to discuss playground evaluation with teachers and parents, as part of the Southern Association cooperative study in education. Shown are, left to right: Mrs. J. S. Bryan, Principal; Mrs. Herman Green; Mrs. Earl Jones; Mrs. Thad Pope, teacher; Miss Montague; Mrs. John Gray; Mrs. At Wullenwaber; Mrs. J. P. Jones, teacher; Mrs. Howard Godwin, teacher; and Miss Bessie Massengill, County elementary supervisor. (Daily Record photo by Louis Dearborn).

Harnett Vaccination Clinic To Open Second Week In May

Dr. W. B. Hunter, county health officer, said today that the annual vaccination clinics in Harnett will begin the second week in May.

The county health department offers free vaccinations for all citizens each Saturday morning the year around at the health centers in Dunn and Lillington. In addition a series of vaccination centers will be set up at county schools and community centers starting May 11 and running through May 21.

Vaccinations to prevent diphtheria, whooping cough, tetanus (lock jaw) and small pox will be given. Vaccinations for typhoid also may be secured if desired.

Dr. Hunter pointed out that the power of preventative medicine has been demonstrated dramatically by the elimination of typhoid fever by mass vaccination. The disease is now so rare that vaccination is not considered mandatory, but will be given to any who desire it.

He noted that nine children in North Carolina died last year from diphtheria and that the toxoid should be given to all children at the age of three months. Whooping cough killed seven children in 1952, in contrast to the 52 of the previous year and the vaccine should be given at the age of three months. Small pox vaccinations should be done in the childhood and once later in life.

THE SCHEDULE

Following is the vaccination schedule:

Monday, May 11: Bethlehem Colored school, 9:30 a. m.; Buckhorn school, 10:30 a. m.; Baptist Grove Church, 11:30 a. m.; Lafayette school, 2 p. m.

Tuesday, May 12: Erwin white school, 9:30 a. m.; Erwin Gentry school, 1 p. m.

Wednesday, May 13: Mason's Store, 9:30 a. m.; Anderson Creek school, 10:30 a. m.; McLean's Church, 11:30 a. m.

EVANGELIST AND PASTOR — The Rev. William T. Iverson, left, pastor of Calvary Presbyterian Church in Elberton, Ga., is holding revival services this week at the Grove Presbyterian Church. Attendance is good and the response has been excellent. At the right is the Rev. Glenn H. Pritchett, pastor of the church. They are shown as they went over plans for the services. The Youth Choir sings at 7:30 and the services begin at 8 p. m. (Daily Record Photo).

District Scouters Hold Monthly Meet

The regular monthly meeting of the Harnett District, Oconeechee Council, Boy Scouts of America, was held last night in St. Stephen's parish house in Erwin. Glenn L. Hooper, district chairman presided.

Tom Burgess, assistant scout executive of the council, laid before the meeting a series of suggestions for improving the efficiency of scouting in the county. In the main this took the form of increasing the number of adult members of the committee by a large number of men, asking each new committee-man to do a particular and clearly specified job on one of the standing committees.

Fowler And Layton Race In Lillington

The field of candidates for mayor of Lillington in the forthcoming municipal election on Monday May 4 has narrowed from four to two.

Joel Layton, Jr. and Casey S. Fowler are the two men seeking the position as mayor. Two other candidates removed their names on Saturday.

Dewey Johnson, well-known Lillington merchant, who had been humorously conducting a vigorous campaign for mayor in his drug store, withdrew his name as a candidate.

LAST MINUTE NEWS SHORTS

RICHMOND, Va. (AP) — Police charged two teen-agers today with the murder of an elderly night witchman during a gun battle last night in an unfinished apartment of a low-rent housing development. Henry J. Parker, 76, surprised two youths going through the apartment and emptied his revolver in the ensuing gun battle before he fell dying to the floor, officers said.

William H. Cropper, 35, South Richmond, was treated at the Medical College of Virginia Hospital for a bullet wound in the side. Police charged him and Bobby Dalton, 18, also of Richmond, with murder.

KIMPO AIR BASE, Korea (AP) — The United Nations offer of \$100,000 for a Communist MIG-15 jet a mixed reaction today from American pilots who largely frequently with the Russian-built jets. But the jet pilots agreed upon the necessity of careful plans for safeguarding a surrounding MIG pilot from U. N. Sabre jets and aircraft fire and Communist MIG fliers.

WASHINGTON (AP) — Senate opposition to the proposed \$100-million expansion of the Tennessee Valley Authority (TVA) was expected to be a major issue in the upcoming election.

Reds Urged To Cease Stalling

General's Offer For Russian MIG Is New Strategy

WASHINGTON (AP) — Gen. Mark W. Clark will undertake new psychological warfare moves in Korea if his offer of a \$100,000 reward induces a Red pilot to fly to freedom in a MIG-15 jet, informed sources predicted today.

They said the unorthodox offer is an experiment to see how much demoralization can be produced in the enemy camp by such attractive invitations to desertion.

At the least, officials believe, the tempting reward will sow mutual suspicion and discord among Communist pilots and thereby decrease their battle efficiency. At best, it may also give the United Nations command a late-model MIG in good condition for operational flight tests.

Since the first rule of psychological warfare is to "keep 'em guessing," high administration officials were reluctant to say very much about the strategy behind Clark's offer, or future plans along the same line.

In fact, it took several hours of high-level conference, interspersed with numerous telephone calls between the Air Force psychological warfare branch, its research and development section and the Joint Chiefs of Staff, to produce the sole official statement on the affair. It said:

AIR FORCE FUNDS

"The Department of Defense has verified the fact that Gen. Clark has offered asylum and remuneration to Communist pilots flying MIG-15 or other jet aircraft over to U. N. lines. Such remuneration (Continued On Page Two)

Blast Kills 11 Aboard Carrier

QUANTANAMO, Cuba (AP) — A boiler room explosion aboard the U. S. aircraft carrier Bennington about 50 miles offshore from this Naval base caused the death of 11 members of the crew.

The U. S. Naval base authorities here said four other persons aboard the Bennington were injured in the explosion yesterday while the flat top was engaged in maneuvers between Guantanamo and Puerto Rico.

The Navy said the dead included: Fireman Louis Jackson Mitchell; wife, Mrs. Shirley Louise Mitchell, Box 242, Chancellor, Va.; Fireman William Edward Satter. (Continued on Page 3)

Given License By State Board

Tommy Godwin, one of the operators of Nu-Home Builders and Supply Co., today was licensed by the State Board as a general contractor, which will enable his firm to take construction projects up to \$75,000.

Mr. Godwin is the second Dunn man to be licensed by the State. The only other general contractor or licensed here is O. W. Godwin, Sr.

The Dunn contractor took the State examination sometime ago and made a very high rating. He was assigned License No. 2526.

He and an uncle, Dewey Godwin, established Nu-Home Builders and Supply Co. here a little over a year ago and the company has shown rapid growth and progress.

Nu-Home Builders has been awarded the contract for most of (Continued on page two)

BULLETINS

SEOUL, Korea (AP) — Rain and a heavy overcast today slowed fighting in Korea to almost a standstill on the ground, air and propaganda fronts.

But B-29 Superforts reported they hit a "tinderbox" supply and troop area 23 miles north of the Kaesong Communist truce camp last night and saw flames sweep through 80 acres of buildings.

CLARKSVILLE, Va. (AP) — Engineering, industrial and technical officials from 14 Allied nations toured the \$80,000,000 John H. Kerr dam and hydroelectric plant on the Roanoke River at nearby Buggs Island, Va., today under auspices of the U. S. Army Corps of Engineers.

WASHINGTON (AP) — Sen. Richard B. Russell (D-Ga.) thinks Agriculture Department officials spend too much (Continued On Page Two)

CHECKING IN SWINE — Henry A. Turlington and son, Henry, Jr., and Miss Sue Turlington, right, are shown here checking in a pen full of prized Duroc pigs for the Four-County Fat Stock Show and Sale being held here today. Officials checking in the swine are Jeff Denny, extreme left, and M. O. Phillips. Mr. Turlington, chief deputy U. S. Marshall, made no bones about it. He's mighty proud of those fine porkers. They won prizes previously at the State Fair. The pen shown here today won the grand championship for the father and son. Miss Turlington's entry also took the grand championship in the individual entry group. (Daily Record Photo).

Cross Drive Is Far Behind Goal

The fund drive for the Dunn-Erwin Chapter of the American Red Cross is still far from its goal, the members of the executive board were informed at their meeting last night in the Red Cross Center here.

Dunn is behind on its quota by \$23.56 and Erwin the drive has fallen short about \$900. Jointly the two communities have raised \$6,144.

An all-out effort to raise the deficit will be made during the next two weeks in both communities. Many persons who usually contribute have not yet been contacted according to the records of the drive and an effort is to be made to contact those who have not contributed.

Persons who have been missed on the canvases and who wish to contribute are urged to call the Red Cross Center here. Mrs. Grace Swain, executive-secretary, will get in touch with one of the workers who will call to pick up the contribution.

The Chapter offices have now been moved to the front of the building, which was formerly occupied by the Health Center and Mrs. Swain with volunteer assistance, is working on the major project of cleaning and painting the new quarters.

Mrs. Swain revealed last night that Erwin chairman James Glenover had promised to supply the paint. Godwin Building Supply Co. she said, had offered to supply flower boxes to further "dress up" the new headquarters.

Still No Word From Officials

There was still no official explanation from Dunn's city council today as to why a move to bring Federal officers into Dunn to clean up bootlegging and other evils was blocked.

Members of the council were still accusing each other of blocking the move after the board had voted (Continued On Page Six)

New Bill Offered On Search Warrants

BULLETIN

Harnett Representative Carson Gregory today introduced a bill which would give Dunn police "limited authority" to issue search warrants.

He said the bill requested by Dunn's city council would have given the police too much authority and would not have been constitutional.

In the new bill, all the Constitutional safeguards have been set up and police will not be allowed to issue warrants indiscriminately at will without verified reports and reliable information which will make the issuing police officer liable and responsible.

Court Bill Seen As Test Of Strength

RALEIGH (AP) — A test of Gov. William B. Umstead's strength in the current general Assembly developed today as Rep. R. Lee Whitmire moved to follow the governor's recommendations and discard Senate-approved legislation to reshuffle the state's superior court districts.

Whitmire of Hendersonville, took the floor to move that the House insist upon Umstead's plan to add six superior court judges and leave boundaries of the present judicial districts unchanged.

The Umstead plan was killed by a Senate committee. The Senate then passed a Senate measure to reshuffle the districts, adding eight districts and a total of 11 new superior court judges.

Umstead had said the redistricting bill would give "too many judges too few terms of court."

The House by-passed temporarily controversial legislation to create a powerful State Milk Control Board to take up the judges bill. House Speaker E. T. Bost Jr. appointed a Calendar Committee, which immediately began work, taking up measures left unfinished by other standing committees.

Naming a calendar committee is expected to clear the decks for adjournment by the week-end unless (Continued on page two)

Gregory Kills Pay Hike Bill

Harnett Representative Carson Gregory today dealt a death blow to a bill he introduced earlier providing salary raises of \$600 each for Dunn's city judge and solicitor.

Rep. Gregory this morning postponed action on the bill indefinitely. This means, he pointed out, that the bill will never again come up for action and is dead.

(Continued On Page Two)

Prisoner Issue Still Blocking Armistice Talk

PANMUNJOM, Korea (AP) — The United Nations told the Communist truce team today to start talking business or face another rupture in armistice negotiations.

Lt. Gen. William K. Harrison, senior U. N. delegate, gave the warning to North Korean senior delegate Gen. Nam Il at a fruitless 39-minute meeting here, third of the resumed truce talks.

The sticking point still was the disposition of the 50,000 Communist prisoners who refuse to go back to their Red-ruled homelands. It was indicated Harrison was trying to speed things up. Most observers believe the Communists really want an armistice this time.

They suggest that the Reds first may nominate India as a neutral to take charge of Communist prisoners who refuse to go home, and that the U. N. will agree. Then they expect the Communists to accept the U. N. stand that the prisoners must remain in Korea until their future has been decided.

The Communists spent nearly the entire 39-minutes of today's session reshaping proposals—which the U. N. already had rejected—for the disposition of the prisoner issue.

GETS TOUGH

Harrison got tough at the outset. He reminded the Communists they themselves had urged resumption of armistice negotiations.

"It was our hope that we might be able to agree on a reasonable and honorable armistice which would protect the human rights of the prisoners of war that caused us to consent to resume meetings," Harrison said.

"We do not intend to become involved in protracted and useless arguments. From your experience in previous negotiations with us you should be well aware that we mean what we say."

Smith Cautions On Farm Cuts

Senator Willis Smith today cautioned against "hasty and unwise" cuts in appropriations for the nation's farm program and recommended that "we had better cut off somewhere of the appropriations for less worthwhile projects than to stifle the welfare of our farmers."

Senator Smith said that "there may be spots where such appropriations can be cut to eliminate abuses and waste. But if we are going to spend billions for the preservation of foreign nations' lands, the question certainly arises as to why we should not, at least do as much for our own land."

Smith said that "everybody is (Continued On Page Six)

Packard Dealer Planning Event

Local civic leaders will participate in the opening ceremonies of "Packard Invitation Month, on Saturday, May 9, to launch a national competition through which the public will be awarded automobiles.
