to the city limits. This means that the tax-payers of the town will have to finance improvements to private property at a great burden to the citizens.

The sub-division involved was that of the Fleishman property northwest of the town. The re-guest was made by A. B. Smith, Jr., representing the Fleishmans, and Lewis Godwin, local grading contractor.

By its action, the board let down the bars for other sub-divisions to be taken into the town limits at the taxpayers extense.
