MOSCOW (U) — The official Communist newspaper Pravda disclosed today that a "tech trading syndicate" has been operating illegally in the little blood-sucking creatures used in Russia for treatment of some illnesses. The newspaper said the gang has been operating between Berlin and Moscow and had netted its managers 1,000,000 rubles of private profit in the past six years.

WIMBLEDON Eng. (U) — Four U. S. tennis queens, led by Margaret Little McConelly of San Diego, Calif., swept into the women's singles semifinals of the Wimbledon tournament today, and assured America of the championship for the 10th straight year. Doris Hart of Copal, Fla. (Continued on page two)

Dunn Weed Market To Open August 20

RALEIGH, N. C. (U) — The first of the five tobacco "free-trade" markets will open in just two and a half weeks, the board of governors of the Bright Belt Warehouse Assn. decided here yesterday. The board adopted 19 to 6 recommendations of a new 15-man industry-wide committee for the opening dates. Most of the dissenting votes came from the North and South Carolina Border Belts. The Georgia-Florida belt opens July 16, the Border Belt Aug. 3, Eastern Belt Aug. 20, Middle Belt Sept. 1 and the Old Belt Sept. 14. The board voted unanimously to have the sales day consist of five and one-half hours, subject to

By EMERY WISTER (Special to the Record) CHARLOTTE — A former Dunn boy is running the show in the newest and most fabulous promotion enterprise in North Carolina.

He is manager of Charlotte's new \$400,000 Radio Center, a fancy merchandise mart and display hall just opened in the Queen City.

As manager he is right hand man to George Patterson, who owns it. Mr. Patterson arranged for the financing, then built the structure.

IN CHARLOTTE FIVE YEARS Mr. Mahone, who came here five years ago, was elected for his position because of his experience in assisting with trade shows.

The trade shows, the displays of new clothing, are conducted in Charlotte several times each year. Manufacturers of men's, women's and children's wear bring in samples of their newest creations and display them for hundreds of re-

changed by a warehouse sales committee if it be deemed necessary.

COULD BE CHANGED Opening dates could also be changed by the sales committee if market conditions make it advisable but it could only be done in the advice of the new industry committee.

Association President Fred Royler of Raleigh said the formation of the new committee is "one of the best forward steps the industry has taken."

The board voted to hold its 1954 convention at Virginia Beach, Va., next June 27-30 at which time opening dates for 1954 will probably be set.

Meeting Held By Red Cross

The executive board of the Dunn-Erwin Chapter of the American Red Cross last night heard the report of the nominating committee who had been selected at a prior meeting to select a slate of officers for the coming year.

Only the committee for the Dunn sector of the Chapter reported and the nominees for the Erwin sector will be presented later this week to Mrs. Grace Swain, executive secretary. The list of chairmen and co-chairmen for the entire Chapter will be announced as soon as it is complete. Mrs. Swain said.

Members of the nominating committee for Dunn are Ralph Wade, Earl Mahone, Earl Jones and Mrs. Bob Warren.

For the Erwin Branch of the Chapter the nominating committee included Z. E. Matthews, chairman, Mike Crawford, Mrs. James Adams, Mrs. E. G. Purcell and (Continued on Page 3)

Man Overthrown From Wagon Dies

Anthony E. Hall, News farmer of near Lillington, who was thrown from his wagon by a runaway team of mules, died around 1:30 this afternoon in the Dunn Hospital. Ray, suffering from a severe rash on the head and bleeding profusely, was found along the Lattin Road about one-half mile west of Lillington by W. E. Nichols and Gandy Kays, passing motorists, who summoned an ambulance.

City-Wide Sales Event Will Open Thursday At 9

The big sales event will open Thursday morning at 9 o'clock in Dunn stores.

Bargain Days will get underway Thursday morning and continue through Saturday night, with Dunn merchants cooperating to offer sensational money-saving values.

It's a semi-annual event in Dunn, designed to bring new shoppers to this progressive and growing shopping center to acquaint them with Dunn's friendly stores.

Dave Kimmell, chairman of the Retail Merchants Committee of the Dunn Chamber of Commerce, sponsoring organization, said today that everything is in readiness.

Stores are well stocked with merchandise—much of it ordered especially for Bargain Days—and prices have been slashed to pre-war days.

"Actually, I haven't seen prices like this since back in the days of the great depression," declared one merchant.

BARGAINS GALORE There will be bargains galore for the thrifty shopper not only on the opening day Thursday but on the final day of the sale.

Dunn merchants have been planning the event for weeks and every effort is being made to make this Bargain Days event the biggest success in the history of the town.

Many From Here To Attend Meet

Dunn will be represented by a delegation of twenty-five at the International Convention of Jehovah's Witnesses, Yankee Stadium, New York city, July 1-5.

Mr. McLamb pointed out that Jehovah's witnesses are coming from every state in the Union and nearly 100 countries to participate in the largest religious convention ever to be held in America.

Korean Spokesman Invites U. S. To Withdraw Troops

SEOUL, Korea, Wednesday. — (U) — South Korean leaders turned against President Eisenhower's special trouble-shooting envoy today and one of them invited the United States to pull its troops out of Korea if it wanted to.

The truce talks were doubly deadlocked. The Communists indicated clearly they would not accept Gen. Mark W. Clark's call for an armistice with or without the support of South Korean President Syngman Rhee.

TALKS BOG DOWN It was made clear also that the talks between Rhee and Assistant Secretary of State Walter S. Robertson, the trouble-shooter Mr. Eisenhower sent here to induce Rhee to accept the armistice, had bogged down.

There were open hints in high Korean quarters that Robertson lacked authority. "Too many things are being referred back to Washington," one official said.

Thousands Receive Polio Vaccinations

MONTGOMERY, Ala. — (U) — Thousands of children started through a needle line today in the first community-wide attempt to prevent a polio epidemic with gamma globulin.

There were some tears and many brave grins on the faces of small fry, few of whom realized the role they were playing in man's effort to halt the ravages of the devastating disease that twists small bodies.

A shirtless barefoot little boy of five, whose name—Edward Daniel Crumble—save attendant—a start at one injection center, was No. 1 in line.

"Thanks it didn't hurt a bit," he said after the three-quarter inch needle was jabbed into his tender backside and the gamma globulin squirted into him.

ONLY TEMPORARY Doctors know that GGB is only a temporary preventive. They hope it will last long enough to break the further spread of the malady that has hit 90 persons in Montgomery County and caused three deaths here.

Teams of doctors and nurses began the inoculation of all children under 10 years of age at 8 a. m. Apprised parents lined up with their children at 18 vaccination stations.

"Vaccination Needle" will take minutes Friday to complete and by then about 30,000 children will have been jabbed. All children with last names beginning with A through F were to be inoculated today.

The doctors who volunteered their services also passed the hat to pay for special important article—30,000 ballpens, for quick recovery of mood spirits among the youngsters.

They worked methodically in assembly line fashion.

Speedy Trials, Punishment Of Rioters Pledged

BERLIN — (U) — Rebellious East Germans, defying Russian bayonets and scoffing at Communist promises, launched a new campaign of fire and fury against the Reds in Germany today.

A large part of Saxony-Anhalt province's coal fields was reported in flames, while workers throughout Soviet Germany were walking off the job and wrecking industrial machinery.

In the big cities of the Soviet zone, mobs of housewives were gathering outside government buildings to protest the recent breakdown in the Red supply system, screaming: "We want bread for our children!"

FOOD CRITICAL The food situation in Red Germany has grown critical during the two weeks since revolt flared in Soviet Berlin and spread across the zone.

Last week, an East Berliner's ration card entitled him to only a quarter-pound of meat, an approximately equal amount of bread, and—if he was lucky—two pounds of fish.

Many grocers could get only about two ounces of some of the fish ration.

Vegetables and fruits were unobtainable.

Hunger riots were reported in Erfurt, Dessau, Halle, Pforta, and other cities.

COAL FIRES SEEN Reliable reports coming here said the coalfield fires were set by miners who, scoring Communist promises of future benefits, are demanding more pay and better working conditions right now.

Tens of thousands of other workers risked mass arrest and sum-

Scouters Discuss Plans For Finance

Plans for the annual financial drive were the chief order of business at the district meeting of Harnett County Boy Scout leaders at St. Stephen's Parish House in Erwin last night. Names were proposed of men to head the campaign in the various towns and in the county as a whole. These leaders will be announced later.

Russell McLean, field scout executive for the county, gave a brief report on his experiences at the school for professional scouters at Schiff Scout Reservation, Minden, N. J., from which he has just returned. Thirty-three men from all over the United States, and from overseas attended the 45 day session. McLean's roommate was a Scout leader from Liberia.
