military conferences and some plain and fancy relaxation. The high point of Defense Secretary Charles E. Wilson's day "party" for top civilian and military brass will come Saturday when President Eisenhower will talk informally at lunch and then probably get in a round on the reservation's 18-hole golf course.

**AMARILLO, Tex. (P)** — More than three inches of rain fell in the heart of the Southwest drought disaster area Wednesday night and early today. In eastern Texas, lowlands of the Sabine River were flooded near Mineola. Rains of from two to three inches were reported Wednesday over part of the Sabine watershed.

**CAIRO (P)** — Premier Mohammed Naguib marked the first anniversary of his seizure of power today with a demand that British troops get out of the Suez Canal Zone before his country enters any alliances with the West. Shortly before a massed artillery salute, tolling bells and flaring sky rockets marked the end of his first year in control, Naguib said in a speech.

**RIO DE JANEIRO (P)** — Milton S. Eisenhower, special representative of his brother, President Eisenhower, begins today the final week of his good will tour of Latin America.

**WASHINGTON (P)** — Sen. Charles E. Potter insisted today that he is sticking with the Senate's Permanent Investigating subcommittee despite some differences with its controversial chairman Joseph R. McCarthy.

**LONDON (P)** — The decision to replace Princess Margaret as a possible successor to the throne and thus give her more freedom in her private life "will" be widely regretted," the influential Daily Express said today. The government Wednesday announced its intention to amend the Regency Act, replacing the 22-year-old princess, probably by Queen Elizabeth's husband, Prince Philip.

**WASHINGTON (P)** — Senate leaders predicted prompt approval today of legislation to prevent movie stars and others from escaping U. S. income taxes by remaining abroad for at least 17 months. Chairman Eugene D. Millikin R-Colo. said the Senate Finance Committee would act quickly.

**WASHINGTON (P)** — A strong move got underway in the Senate Appropriations Committee today to take an even bigger whack at President Eisenhower's foreign aid request than the House did last night. In a decisive 288 to 115 vote, the House overrode the President's personal appeals and approved a \$1,100,000,000 slash in aid funds for the current fiscal year.

**MUNSAN, Korea (P)** — A high explosive rocket carried by an unidentified plane fell today on the Allied truce camp's baseball diamond about 600 yards from Lt. Gen. William K. Harrison's tent, but failed to explode.

**ATLANTA (P)** — Trade conditions in the Southeast during the first five months of 1953 were "very satisfactory," the Commerce Department said today. Retail sales were up in most areas compared with a corresponding period a year ago, the department said, and wholesale sales reflected proportionate gains.

**TRAVIS AFB, Calif. (P)** — Jet ace Maj. James Jabara, back home after his second Korean tour of duty, says Communist pilots are reluctant to fight. "There are as many MIGs out there now as there were on my first trip," Jabara said. "But you have to go looking for a fight now."

**LONDON (P)** — Prime Minister Winston Churchill was reported today by an official source to have recovered sufficiently to take "a very active part in the conduct of every-day affairs." The official said Churchill had surprised many Britons by his decision to move from his own country home to Chequers, the official country residence of prime ministers.

**WASHINGTON (P)** — A controversial proposal to earmark oil and gas revenues from federally-controlled ocean-bottom lands for education may get another Senate test, it was learned today. Senate members of the conference committee on a federal oil leasing bill for the continental shelf may take the step in an attempt to break the House-Senate deadlock on the measure.

**ANCHORAGE, Alaska (P)** — Ice cakes as big as office buildings thundered into the Knik river today as mighty torrents of glacial water were unleashed in the annual breakup of Lake George 50 miles north of Anchorage.

**WASHINGTON (P)** — The House Judiciary Committee today approved, 17 to 12, a bill to admit to this country 240,000 extra immigrants, mostly Europeans, during the next three years. The committee endorsed the measure after knocking out provisions to include a number of Japanese, Chinese, and Arabs in the above-quota immigration, and after adding a provision to admit 1,000 Korean orphans.

**BEIRUT, Lebanon (P)** — A candidate for parliament was assassinated today by a support of his opponent. The stomach as he stepped from the presidential palace, EJ assassin pumped four bullets into Mohammed El Abboud's Abdoud was a candidate running for election from the Akkar district.

## Two Named To Zoning Board

City Manager A. B. O'Neil announced the appointment of two new members to the zoning board this morning to replace two members whose terms have expired. The term of office is three years.

## Scout Jamboree Comes To Close

**NEWPORT BEACH, Calif. (P)** — Some 50,000 tired, sunburned and footsore Boy Scouts, "the United Nations in short pants," reached the end of their third National Jamboree today.

Tomorrow the Scouts, from the 42 states and 15 foreign countries, begin the weary task of breaking camp.

Today's final activities included shows starring Bob Crosby and the Sons of the Pioneers. The jamboree's climax will come in the evening with the Scouts themselves staging a pageant called "Scouting's Trail to the Future." Approximately 21,000 Scouts were scheduled to break camp here tomorrow and head for home. They will be followed by 7,087 Saturday, 6,622 Sunday and the remainder Monday.

**MANY CELEBRITIES**  
Among prominent personalities who visited the Scout campment yesterday were Arizona Gov. Howard Pyle, Mittal Gaynor, Irene Dunne, Jimmy Stewart, Bill Holden and Andy Devine.

## South Koreans Win, Lose Hill

**SEOUL, Korea (P)** — South Korean infantrymen captured vital Sam Hwon Hill on the central front as a "gift" for President Syngman Rhee, but the Reds pushed them off two hours later.

The ROKs broke a two-day battle front hill by savagely fighting their way to the crest of Sam Hwon, which was seized with other important outposts in the recent 100,000-man Chinese offensive.

**REEHE SHOWS UP**  
President Rhee, advocate of a fight to the last man against the Chinese invaders, made an unexpected appearance at the front and wept as he thanked the ROKs for their stand against the KUMS-ong bulge offensive.

An American advisory officer attached to the ROK 2nd Division, Rhee said he hoped the sacrifices of American troops—the 24,963 who died from the beginning of the war up to last Friday—"will not go in vain and that we will gain our common objective."

## Clement Attlee May Be Fired

**LONDON (P)** — Former Prime Minister Clement Attlee may be fired as British Labor party leader and replaced by Herbert Morrison, informed sources said today.

Britain's power union leaders are reported to be fed up with Attlee's failure to attack and defeat their bitter enemy—left-wing leader Amrulin, Beyan.

However, any move to get rid of Attlee still appears to be a long way off. The time may not be ripe until perhaps next year. Then, the labor chiefs may try to force Attlee's retirement in favor of Morrison. This could be done by pressure from the Labor members of Parliament, who choose the party.

## New Record Set At The Palladium

**LONDON (P)** — American blues singer Billy Daniels today claimed the house attendance record at the London Palladium, one of the most coveted—and most claimed—honors in show business.

The "Old Black Magic" man said he used his claim on his just-concluded two weeks engagement at the premier vaudeville house. The SRC's sign went up at every performance, he said.
