

Ike Outlines Program To Prevent Destruction

Says Future Of Humanity Rests On U. S.

By MERRIMAM SMITH UP White House Writer

ATLANTIC CITY, N. J. (UP) — President Eisenhower today outlined a five-point program for averting the "sudden and mass destruction" of an atomic world war.

In an address prepared for delivery before the sixth national assembly of the United Church Women, Eisenhower said the "future well-being of humanity depends directly" upon United States leadership.

Then Eisenhower outlined the aims of that leadership in five "must" points:

- 1. "We and our friends in the free world must build, maintain and pay for a military might assuring us reasonable safety from attack."
2. "From this position of secure confidence, we must seek to know and respond to the legitimate aspirations and hopes of all peoples."
3. "We must arrange trade systems that will provide each with the necessities of life and opportunity for self-advancement."
4. "We must seek to understand and resolve age-old prejudices, ambitions and hatreds that scar great parts of the world."
5. "We must provide machinery and techniques to encourage that peaceful communication and mutual confidence which alone can finally lift the burden of arms from the backs of men."

PEACEFUL USE OF ARMS

The President said this nation must make sure that all the world understands clearly the alternatives of military and peaceful uses of atomic energy.

"The first of these alternatives is a wasteful and devastating contest in the production of weapons of inconceivable power," Eisenhower declared.

"The other alternative is a world ever advancing in peace and prosperity through the cooperative efforts of its nations and peoples."

He called the mushroom cloud that rises from the explosion of an atomic bomb a symbol of "terror and death."

"In its wake we see only sudden and mass destruction, erasure of cities, rows of unidentifiable dead, the possible doom of every nation and society," he said, adding:

"This horror must not be. This titanic force must be reduced to the fruitful service of mankind."

He solemnly pledged that if it is within his power, "with God's help," atomic power will be put to peaceful rather than destructive uses.

Eisenhower said Russia's possession of atomic weapons, and long-range bombers to deliver them, wipes out the security against air attack that this nation has previously had.

He warned that world peace "cannot be achieved suddenly by force, by edict, or by treaty. He said it can come 'only slowly and tortuously.'"

LONG BEACH, Calif. (UP) — Police here were puzzled when the parents of Jackie White, 2, a lost child, waited five hours to contact them.

"When you have nine children you don't miss one immediately," Mrs. Ethel White explained.

Dockmen End Strike; Go Back To Work

NEW YORK (UP) — The striking International Longshoremen's Association ordered its members back to work on Atlantic Coast piers today, bowing reluctantly to a Taft-Hartley court order banning its strike for at least 10 days.

Patrick J. Connolly, acting head of the discredited union which has tied up traffic in eastern ports since last Thursday, announced late Monday night his men would start returning to work with the night shift tonight.

He said an earlier resumption of activity on the docks would be impossible because of "confusion."

"We're not going back willingly," Connolly said. "We're going back because it's the law of the land."

He referred to a temporary restraining order issued Monday night by Federal Judge Edward Weinfeld under the Taft-Hartley law. President Eisenhower earlier had ordered the attorney general to seek an injunction because the walkout threatened the "health and safety" of the action.

Weinfeld issued a restraining order and set a hearing for next week.

No Will Was Left By George F. Pope

The late George F. Pope, who died here last Friday as one of the wealthiest men in this section of the State, apparently left no will, it was disclosed today.

So far, no will has been found and none is believed to be in existence.

"He just didn't believe in wills," intimates said.

It was reported that his three children will serve as co-administrators of the Pope estate. The children are: Mrs. Alfred Blalock, Mrs. Margaret Pope McKay and Arthur F. Pope, all prominent Dunn citizens.

SELL IN DUNN — The Smith's and Fish's of J. D. Fish and J. D. Fish, Jr. The Fish family stated Coats, shown above grading tobacco, said this week that they have sold all of their tobacco in Dunn. In the picture (l. to r.) are, Blakie sold his tobacco in Dunn, and couldn't beat the Washington, boy sitting; Mrs. Howard Smith, Kay, 68 and \$70 average he has held here for his entire life; Howard Smith, Jerry Fish, J. D. Fish, Mrs. crop. (Photo by T. M. Stewart.)

Harnett Young Democrats Campaign For Mrs. Drake

South Carolina's Young Democrats will have a political good time beginning Thursday of this week when they assemble in Raleigh for their annual convention and election.

The usual hotly contested elections were evident today as more candidates threw their hats in the ring. Mrs. Alina Young Drake, daughter of former State Senator Bob Young of Harnett has announced for national committee-woman. Mrs. Drake will be opposed by Miss Mary McChes of Raleigh.

Most of the politics will center around the YDC's president, however. A Harnett politician said last week that former Governor W. Kerr Scott has added his usual bit to the convention by calling him backing support for Edith Marsh, popular former national committee-woman and former secretary to Congressman Deans.

The presidential race will center around Horace Korneyog of Greensboro with Arthur York, High Point attorney as campaign manager and Edith Marsh. Two other presidential candidates, George Morrow of Forest City, and Lamont Brown of Southern Pines, are less well known.

With four persons in the race, a run-off seems certain. However, some delegations may swing their votes to either Marsh or Korneyog when they see their candidate cannot win, and take the second place of vice president.

John Campbell of Lumberton has come out for the YDC National Committee's position.

The convention opens Thursday afternoon with the registration of delegations in the Sir Walter Hotel. A reception for delegates and their wives will be held Thursday night.

Business sessions will begin Friday morning when the delegates come together for a political forum which will be followed by luncheon meetings for various convention committees.

Committee reports will be presented Saturday morning when the election of new officers will be held. Present plans call for the election of officers at 11 o'clock to allow delegates to attend the football game.

A large delegation from Harnett is expected to attend the convention to carry the flag for Mrs. Drake. Headquarters will be maintained at the Sir Walter Raleigh Hotel.

Ike Accused Of Favoring North

BIRMINGHAM, Ala. (UP) — Col. Harry M. Ayres, editor and publisher of the Addison Star, has accused the Eisenhower Administration and New England interests of attempting to keep industry from moving South.

Ayres told the Birmingham Enquirer (Continued on Page 3)

Indian Guards Won't Prevent Antis' Escaping

PANMUNJOM, Korea (UP) — India's highest ranking officer in Korea said today Indian guards would not force anti-Red prisoners to listen to Communist lectures or try to stop them from making a mass escape.

Lt. Gen. K. S. Thimayya told Allied and Communist newsmen, however, that Indian guards were duty-bound to escort any of the 22,500 North Koreans and Chinese to the Communists for explanations as often as the Reds desire.

"I don't see how he can be forced to listen," Thimayya said. "The Indian general, chairman of the Neutral Nations Repatriation Commission, said Indian guards had sufficient arms and ammunition to prevent a mass escape should the anti-Communists make a break for freedom."

But he said, an attempt to stop them would lead to "terrible slaughter," a price too great for any country to pay.

HE WOULDNT KNOW Thimayya said he would not know what to do if an entire compound of anti-Communist prisoners went on a sit-down strike and refused to march to an interview session.

"Search me, I don't know what we could do," he said. "I suppose I'd have to refer to the commission."

Thimayya said the anti-Communist prisoners are arming themselves with makeshift weapons and are in an ugly mood.

"The only thing we can do is prepare to meet such weapons if they are used against us," he said.

Thimayya also crushed Communist hopes of attacking the position of "unpleasant" to prisoners why they should return to Red rule beyond the Dec. 31 deadline agreed upon in the armistice document.

Gen. Mark W. Clark, supreme commander of Far Eastern United Nations forces, said the Allies would insist on the explanations ending on schedule.

"I'm afraid the NNRC will have no alternative," Thimayya told a Communist newsmen.

Garyin To Speak At Glad Tidings

The Rev. W. F. Garyin, well-known evangelist and world traveler, will be guest minister at Glad Tidings Assembly of God Church tonight and tomorrow evening at 8 o'clock. Pastor A. A. Amerine announced today.

Rev. Garyin has recently conducted two evangelistic meetings for the local Assembly, and is well-known in this area.

Services tonight and tomorrow evening will center around a series of slides taken on a recent visit to Europe, and to the Assembly of God churches in Brazil.

Horse Show, Dance Slated At Benson

The Benson Chamber of Commerce announces today that all of the events rained out on the regular Mule Days week-end will be held at the following later dates:

The Horse Show will be held on Sunday, October 11th, with Mr. and Mrs. Luby Bell of Mount Olive setting up the show along with Mr. Willis McComb of the Mule Day committee of Benson assisting.

The street dance, which was partially rained out on Friday night will be held the Friday night before the Horse Show on Sunday. James and Hayden and Bill Joe Austin will furnish the music and Allen Johnson will call the figures for the square dances. Round dancing music will also be played.

CANCELLED BY RAIN WFTY's Johnson Brothers, whose Saturday night show was called off because of excessive rain, will be held on Saturday night.

+ Record Roundup +

PLANNING BOARD — Only routine matters were discussed at last night's Planning Board meeting. City Manager A. E. Ozell said today.

TOBACCO SALES — Yesterday's average on the tobacco market was 12.3. Sales Supervisor Norman Gilling said today that 28,482 pounds sold for \$109,207.17.

SETS UP UFD OFFICE—Mrs. Floyd Furr, pictured above, will serve as secretary of the United Fund Drive in Dunn. Mrs. Furr is setting up her office at the Masonic Lodge lounge room on N. Wilson Avenue this week. Employers are requested to get a list of their employees to the UFD office for filing. (Daily Record Photo.)

United Fund Offices Opened

The United Fund of Dunn has opened an office in the Masonic Lodge lounge room on N. Wilson Avenue with Mrs. Floyd Furr serving as secretary.

Mrs. Furr pointed out today that there has been considerable misunderstanding of the purpose of UFD. It is not a new drive, she emphasized, but an attempt to consolidate all drives under one.

An effort is being made to secure a list of employees of each Dunn firm this week in order to set up the drive. The executive board of UFD, under Al Wullenwaber, chairman, has decided that a payroll deduction plan would be the best method of carrying out the drive.

ONE DRIVE A YEAR Under the UFD, a drive will be conducted once each year with all organizations coming under a budget committee set up by the executive board of the drive.

Norwood Stephenson of Dunn is serving as campaign manager for the drive.

Mrs. Furr said this morning that seven organizations have already made application to come under the UFD budget. They include, the Dunn Free Will Baptist Orphanage, Girl Scouts, Salvation Army, Children Home Society, Falcon Pentecostal Orphanage, the Red Cross, and the United Defense Fund.

Dunn firms are urged to get their employee list to the UFD office this week so the campaign can be mapped out.

The drive was set up under the sponsorship of the Chamber of Commerce of Dunn.

KANSAS CITY, Mo. (UP) — Police prepared for an all-out search today for six-year-old Bobby Greenlease Jr., who was abducted from his exclusive school Monday by a red-haired woman and disappeared without a trace.

The new police plan was an exact reversal of the cautious wait-and-see attitude they had taken since the kidnapping to prevent possible danger to the boy.

BULLETINS

NOTTINGHAM, England (UP)—The number of lodgers at Nottingham's skid row' reception center has dropped from 206 to 70 a night since a new "bath every night" rule went into effect, officials said today.

ISTANBUL, Turkey (UP) — American long distance swimmer Florence Chadwick postponed today her scheduled swim across the Bosphorus. The 32-year old former San Diego, Calif., stenographer, said she will enter the water Wednesday at 2 a. m. EST if conditions are right. Miss Chadwick swam the English Channel and the Straits of Gibraltar earlier this year.

PARIS (UP) — The French National Assembly meets today in special session to decide whether to end the 11-week old government of Premier Joseph Laniel. Observers believed the divided assembly will call a political truce and permit the government to stand until the election of a new president of the republic in December.

Dunn Group Plans Highway Protest

Hugh Willie Tart, president of the Dunn Tourist Bureau, said today that a delegation from Dunn will appear before a joint meeting of County Commissioners and State highway officials in Lillington tomorrow afternoon at 2 o'clock to see if the Relocation of Highway 301 around Dunn can be delayed.

C. A. Hasty, district Highway Commissioner of Maxton, will be in Lillington to meet with the group and discuss the possibilities of an alternate 301 route.

County Commissioners have been invited to attend the meeting to get their views on the matter.

Tart said this afternoon that if it is not possible to delay the construction of the new 301 around Dunn, an easy way to get in and out of Dunn will be sought.

An alternate 301 down Clinton Avenue has been discussed by local officials, and will probably be the "easy in and out" sought tomorrow afternoon.

The tourist business is one of Dunn's principle sources of revenue and removal of the highway would be a serious financial blow to many.

\$65,000 Is Sought In Hit-Run Case

A suit for \$65,000 damages has been filed in Harnett Superior Court against Robert W. Tew, Dunn business man, for the alleged hit-and-run injury of Inez Gywin Moore, two and a half year old daughter of Mr. and Mrs. Joe Moore of Erwin.

The suit was filed by Attorneys Everette L. Doffermyre and D. K. Stewart of the law firm of Doffermyre and Stewart with Court Clerk Robert Morgan in the name of the father, as next friend.

It is alleged in the suit that Tew, driving a 1951 Packard sedan, struck the child on September 19th at 5:08 p. m. while she was playing in the edge of the yard directly across the street from her home.

The investigating officer reportedly quote Tew as telling him that he was fully covered by insurance.

It is alleged in the complaint that Tew was driving the automobile in a careless and negligent manner and was "under the influence of intoxicating liquor" at the time of the accident. It is alleged that he was speeding at the time, that he failed to keep a proper lookout, that he failed to give warning of his approach and that he also failed to stop and render assistance after knocking the child down and rendering her helpless and unconscious.

CLAIMS MIND IMPAIRED According to the complaint, the (Continued On Page 3)

Trouble, Trouble We Had Abundance

When it rains it pours. Yesterday, The Daily Record had double trouble.

First thing, two of our printers were out sick, which caused a two-hour delay in going to press.

And, when the press had rolled off less than 100 papers, a piece of the big press popped in two, resulting in a wedding job. That's the reason you paper was late last night.

Ordinarily, The Daily Record goes to press at about 3:30. In the event you see next morning paper by 8 o'clock, please blame Mrs. Tolson at 4:15, and copy will be taken to you promptly.
