## 3 Grand Prizes, 4 Bonus Awards In Record Contest

Always the leader in promoting programs for the betterment and prosperity of this thriving community, The Daily Record today announces a big Trade Expansion and Everybody Wins subscription drive in which every resident of Dunn and its trade area will benefit—readers, advertisers, and the general public. Everyone who participates will be liberally paid for his or her time.

The Daily Record takes great pride in announcing the inauguration of one of the most unique methods of placing within easy reach of its many readers and potential subscribers, an opportunity to earn for themselves awards amounting to thousands of dollars in prizes. This great prize-giving event gets underway today as The Daily Record announces a seven and one-half week subscription campaign with the most interesting and attractive prizes being offered to those participating.

A 1954 Dodge Royal V-8 four-door sedan worth \$3021.35 and \$1000 cash and \$500 cash are to be awarded the top three contestants at the close of the contest, Saturday, Dec. 19th. These three prizes alone should be sufficient reason for those interested to enter the contest quickly, but, to make things all the more attractive, four big cash bonus awards will go to the fourth, fifth, sixth and seventh place winning contestants.

Nor is that all! A veritable shower of money in the form of special prizes and weekly commission paychecks are yours for the asking. All of these prizes are being offered to anyone who is willing to cooperate with The Daily Record in this short program.

**PURPOSE IS TWOFOLD** — Although The Record enjoys an ever-growing circulation throughout this area, it nevertheless wishes to add to its lists quickly, and at the same time give present readers the opportunity to renew their subscriptions by helping a friend or relative who participates in the contest.

Also, through the contest, the Record offers a real opportunity to any energetic citizen of this area to earn valuable prizes and commissions during spare time.

**"EVERYBODY WINS" SLOGAN** — One of the outstanding features of this unique contest is the fact that there will be no losers! A cash commission of 20 percent (one dollar out of every five collected) on either new or renewal subscription.

### Area Leaders Named Judges

Seven prominent citizens of this section have accepted appointment to serve as members of the advisory board and as judges of The Daily Record's big "Everybody Wins" Expansion Contest.

The judges were announced today by Lloyd Flora, director of the big campaign.

They are: Linton A. Tart, chairman of the Harnett County Board of Commissioners; the Rev. W. Robert Insko of Erwin, pastor of St. Stephen's Episcopal Church; State Representative Carson Gregory of Angier, Route 2; Mayor J. Roscoe Barefoot of Benson; F. A. Fiquet, principal of the Plain View School; Norman Butts, manager of the Dunn Chamber of Commerce and W. E. Nichols, prominent Coats leader.

### Cash Prizes To Be Given First Week

Just to "start the ball rolling," so to speak, and as a little added incentive for prompt action on the part of those who want to make the most of every opportunity in The Daily Record's big "Everybody Wins" prize subscription campaign, this newspaper will award ten special \$25 cash prizes to aggressive "early starters" making the best showing during first week of the contest, terminating Saturday night, October 24th.

These special prizes are in ADDITION to the regular 20 percent commission, payable weekly and major prizes to be awarded at end of the contest, but to show good faith a minimum of \$100 in subscription collections is necessary to qualify for one of these special prizes (these winners will receive in return a check for \$45 out of their first \$100 in new and renewal subscriptions) which, after all, is a very small requirement and easily obtainable.

Then, too, there's another extra-special \$25 cash bonus award on top of the above mentioned special prizes and cash commissions for extra effort and unusual results during your first week — also easily obtainable — as more fully outlined in the big announcement elsewhere in this issue of The Daily Record.

It is easily possible, therefore, for any aggressive contestant to earn \$100 cash, or more, during his or her very first week in campaign, while at the same time accumulating large numbers of votes toward winning one of the major awards.

Be an "early starter" and share in ALL the good things offered.

### Coats Church To Hold Sale

The First Baptist Church of Coats will observe their annual Harvest Day sale at the church Wednesday afternoon, October 23, following a barbecue dinner. Tickets are on sale by members of the Sunday School for the dinner, Pastor J. Ben Eller announced today. Both chicken and pork barbecue will be served.

### Three Held In Tobacco Theft

Rural policemen revealed today that it was a few grains of wheat found in the car of William Cleave Nordan which first linked the Erwin man with a chain of tobacco and grain thefts which have harassed Harnett farmers for more than a month.

Nordan, free on \$5,000 bond, faces charges of breaking and entering and larceny in superior court. Yesterday, in Harnett Recorder's Court, Nordan confessed his guilt and testifying for the state at the preliminary hearing, implicated his 19 year old step son, Malcolm Ivey and his brother-in-law, 33 year old Ralph Turlington of Erwin, Route 1, recently employed as a Lillington construction worker.

Nearly a thousand pounds of tobacco belonging to Charles V. Lanier of Lillington was recovered by county officers last week at the Nordan home. But it was the few grains from the 30 bags of wheat Nordan allegedly stole from R. K. Turlington in another part of the county which led officers to visit Nordan's now.

### George Favors Drastic Cuts By Government

WASHINGTON (UP) — Sen. Walter F. George D-Ga. said today he sees no hope for balancing the federal budget in the next two years without "drastic" cuts in defense and foreign aid spending.

He said he personally favors such cuts. Without indicating how large he thinks the deficit might be, he made it clear that he does not expect congress to close the gap by voting increased taxes.

**RAPS FOREIGN AID** — George, senior Democrat on the Senate Finance Committee, said in an interview that "foreign aid is the real area" where reductions could be made in spending. Foreign aid programs will take an estimated six billion dollars from the treasury this year.

The Georgia senator expressed the belief that some further reductions also would be justified in the military budget. Asked if he thinks it would be safe to make such cuts, he replied: "I'd assume the responsibility and make the decision and go with it. I'd get our own house in order once more."

### Harnett County Designated As Disaster Area

RALEIGH (AP) — Three more North Carolina counties were designated as drought disaster areas late yesterday, on the eve of a conference in Kansas City to outline plans for obtaining emergency hay supplies for drought-stricken southern cattle-men.

The counties of Chatham, Harnett and Randolph were added to the list of 16 others approved earlier by Secretary of Agriculture (Continued on page two)

### Mrs. H. B. Taylor Dies; Funeral Set For Friday At 3

Mrs. Herbert B. Taylor, 62, one of Dunn's leading women and former State and national official of the American Legion Auxiliary, died in Dunn Hospital Thursday morning about 10 o'clock.

Death came after a long illness. She had been sick for over a year and a patient at the hospital since August 14th.

One of the best known women in the State, Mrs. Taylor had been prominently identified with the American Legion Auxiliary, the Baptist Church and the State Nurses Association for more than a quarter of a century.

She had served as State president of the American Legion Auxiliary and as the Auxiliary's National Committeewoman from North Carolina. Regarded as one of the Auxiliary's most outstanding presidents and leaders, Mrs. Taylor was in great demand as a speaker for the organization before her illness and had appeared at Auxiliary functions in practically every State in the Union.

### Plant To Chain Atom For Peace As Well As War

CHICAGO (UP) — The Atomic Energy Commission announced today that it is going to build history's first full scale atomic power plant to chain the atom for peace as well as for possible war.

Atomic Commissioner Thomas E. Murray said "this is America's answer" to the recent tests behind the Iron Curtain that revealed Russia's swift march toward development of the hydrogen bomb.

"It should show the world that even in this gravest phase of arm-race for defense America's eyes are still on the peaceful future," Murray said.

For years the splitting atom, packed in weapons has been our main shield against the barbarians. Now, in addition, it is to become a given instrument to do the constructive work of mankind.

**TO COST MILLIONS** — Murray revealed the AEC momentous decision in a speech prepared for delivery before the electric companies public information program here. He said the plant will cost "tens of millions" of dollars and probably take three to four years to build.

The pioneer plant, ushering in a new era in atomic development, will be built for the commission by Westinghouse Electric Corp. It will produce a minimum of 60,000 kilowatts of electrical energy with good possibilities of much higher output.

Murray said the commission is thinking of locating it at or near one of its gaseous diffusion plants where flammable A-bomb material is produced.

The commissioner warned that it is just as important for the (Continued on page two)

### Verdict Is Upheld By Supreme Court

In a court case which Judge J. Paul Frizzell said set "precedent in North Carolina," the North Carolina Supreme Court ruled yesterday "no error" in a suit against the McLean Trucking Company brought by the Atlantic Coast Lines to recover \$15,000 damages.

The case grew out of an accident at the Railroad-Cumberland Avenue intersection here September 15, 1952. In the wreck, a McLean truck was completely demolished, electrical signal wrecked, and several store fronts in Dunn damaged.

When heard in Lillington by Judge Frizzell, he told the jury that their decision to give the Coast Line \$15,000 would set precedent in the State. To his knowledge, the Judge said, that was the first case in which a railroad company had not been held negligent in a crossing accident.

**COUNTER SUIT** — McLean also filed a \$14,100 claim against the railroad company but the jurors ruled that there was (Continued on page two)

### Negroes Held In Old Murder

Two Lillington Negroes, Lacy Murchison and Bobby Spencer, were in jail in Lillington today without privilege of bond, charged with having part in a murder that happened nearly a year ago.

In a preliminary hearing given them yesterday in Harnett Recorder's Court, Judge M. O. Lee found probable cause and they (Continued on Page Eight)

### Last Minute News Shorts

WASHINGTON (AP) — President Eisenhower will play for election of a Republican Congress next year but he won't harness the country endorsing individual candidates. Political advisers said today that was what the President meant in telling a news conference yesterday that he absolutely will not campaign in state or congressional elections.

HANOI, Indochina (AP) — A French armored column today smashed last-Bitch Communist defenses and captured the fortress town of Phu Nho Quan, the biggest prize taken in the eight-day-old French drive against northern Red strongholds.

WASHINGTON (AP) — American officials sought today to pin down Yugoslavia on the precise terms on which it will agree to a five-power conference regarding the explosive Trieste dispute. Yugoslav Ambassador Vladimir Popovic disclosed yesterday that the United States, Britain and France have formally proposed the meeting and that his government has accepted, "at least in principle."

### Fight Brewing On SS Tax Increase

WASHINGTON (UP) — Congress may be plunged into a major battle soon after it meets next January by an administration bid to cancel an increase in the Social Security tax.

The payroll levy, collected from both employers and employees, is now one and one-half per cent of the first \$3,000 of annual income. Under existing law, it will automatically go up to two per cent on Jan. 1. Although the higher rate will be in effect before Congress meets, a rollback presumably could be made retroactive to Jan. 1.

Rep. Richard M. Simpson (R-Pa.), a high-ranking member of the House Ways and Means Committee, which handles Social Security legislation, predicted in a speech to the National Coal Association Wednesday that an effort would be made next year to hold the tax at its present rate.

President Eisenhower asked Congress during the last session to freeze the rate at one and one-half per cent pending a study of the Social Security system, but Congress took no action on the request.

The administration is certain to encounter strong opposition. DEMOS OPPOSE CHANGE — Democrats, who sponsored the Social Security law in the first place (Continued on page two)

### Man Must Buy Cop New Pair Of Pants

Judge H. Paul Strickland fired for Policeman J. M. Black to get a new pair of pants in Recorder's Court this morning.

After finding Oliver Fayall guilty of possession of non taxed liquor Judge Strickland sentenced him to 90 days in jail, suspended for 12 months on payment of a fine of \$35 and on payment of \$12.50 to purchase a pair of trousers for officer Black.

Black ruined a pair of trousers while chasing Fayall who ran when he saw the officers. In the chase, Black ran into a pile of trash and tin cans, ruining his trousers.

Other cases heard by Judge Strickland today included: Gerald Ray Johnson, 31, white, found guilty of stealing tobacco and sentenced to six months in jail, suspended for three years on condition of good behavior (Continued on Page Eight)

## BULLETINS

**BERLIN (UP)** — Walter Schreiber was elected mayor of West Berlin today to succeed the late Ernst Reuter. The nomination of Schreiber, who has been acting mayor since Reuter's unexpected death on Sept. 29, was approved by the West Berlin City Council by a vote of 62 to 57.

**WASHINGTON (UP)** — Sen. Karl E. Mundt says his investigation of a government decision to give Russia plates to make German occupation currency shows how Communist spies operate. The South Dakota Republican said the U. S. action resulted at least partly from pressure espionage agents put on "high officials of our Treasury Department."

**TOKYO (UP)** — Pyongyang Radio reported today for the first time that a South Korean pilot flew an American-made Mustang to North Korea and surrendered it to the Communists.

**LONDON (UP)** — Prime Minister Winston Churchill's government faced a full-scale debate today on the Labor party's challenge to the ouster of the government of Britain.

## + Record Roundup +

**METHODIST LUNCH AND DINNER** — The women of the Divine Street Methodist Church are having a turkey lunch and dinner in the basement of the church Friday, October 23rd. Price of the plates will be \$1.50. The affair was previously slated for the Johnson Cotton Co. Implement Building. Lunch will be served starting at 12:30 and dinner starting at 6:00.

**SUNDAY SCHOOL MEETING** — Teachers and Sunday School workers of the Gospel Tabernacle will meet tomorrow evening at 8:15 in the Education Building. All workers are asked to attend and bring a basket supper.

**ONE ARRESTED** — One person has been arrested during the past 24 hours by the Dunn Police Department.

Sylvester Thompson, Red Line, Dunn, was charged with drunkenness.

**ACCIDENT** — Damage estimated at \$310 resulted from an accident yesterday when a 1951 Dodge driven by Mrs. Bernadine E. Davis, 604 E. Fayetteville, hit a 1952 Pontiac driven by Wilton Durwood Astwood, Fugate Springs. Mrs. Davis was driving east on W. Cumberland, and Astwood was driving north on E. Orange when they collided at the intersection. The Dodge was damaged \$250 and the Pontiac \$50, the Police Department reported. No charges were made.
