

Riverside Church Will Hear Iverson

The Reverend William T. Iverson of Ellersboro, Georgia, will conduct a seven-day preaching mission at Riverside Presbyterian Church, beginning Monday night, November 16, at 7:30 p. m. It was announced today by the Rev. Glans Fishbeck, pastor.

Mr. Iverson has for the last four years been the minister of the Calvary Presbyterian Church of Ellersboro, Georgia. He graduated from Davidson College in 1949 and from Columbia Theological Seminary in 1952. This month, after conducting the meeting at Riverside Church, he will go to Fort St. Joe, Florida, where he will be installed as the pastor of the Presbyterian Church. SPOKE HERE LAST YEAR

Many here will remember that Mr. Iverson was the speaker at a two-week revival at Grove Presbyterian Church last spring. At that time he also spoke over the radio nine different times, and addressed Riverside Church three times. Riverside Church was pleased therefore when Mr. Iverson accepted their invitation to come and hold special meetings. One could find few who seem to love to tell about the Saviour as much as he. He has great faith in the ministry of the Holy Spirit. Like William Carey, he attempts great things for God, and expects great things from God.

Riverside Church wishes to extend to as many as possible this opportunity to hear the old, old story with its gracious and irresistible appeal.

Troop Leaders Needed In Dunn

Miss Catherine Crossman, executive director of Girl Scouts for this area, stressed the need for more troop leaders at the meeting of the scouts and brownies at the Dunn High School auditorium Tuesday night at 8:00.

Miss Crossman, who awarded the Girl Scouts their tenderfoot wings in the court of awards, was introduced by Mrs. Westley Coats who is leader of the local Brownie troop and Girl Scout troop No. 58. She said the need for troop leaders to assist Mrs. Coats was desperate. A large number of grammar school students wish to join the local Brownie group but can't due to the fact that there are no troop leaders available. One troop of Brownies in Dunn are without a leader at the present time.

The speaker reminded on the wonderful opportunities offered girls in the Brownies and Girl Scouts. She said that several towns had civic groups backing them and seeing to their being well organized. A part of the United Fund in Dunn goes towards Scouting. Any person that could be of help in solving the problem of troop leaders in Dunn is urged to contact Mrs. Coats.
