

Kidnapers

(Continued From Page One)
served a feast if they request it. The first meal today for the two killers was the regular prison breakfast. The Thanksgiving meal is served at 11 a.m. It will consist of roast turkey, candied yams, giblet gravy, peas, onion dressing, cranberries, celery, pickles, pumpkin pie, hot buns and coffee.

At 3 p. m. they will have cold turkey and leftovers.
It was revealed that both Hall and Mrs. Heady will die penniless. Hall, who once spent a \$200,000 inheritance in three years and came into possession of the record \$600,000 ransom money paid for his victim, has no estate requiring probating.
Mrs. Heady inherited the \$15,000 home in St. Joseph, Mo. behind which Bobby Greenlease was buried briefly. She also inherited a

farm near Maryville, Mo., valued at \$32,000. However, since her arrest and conviction she has deeded her property and possessions to an aging aunt, Mrs. Nellie Baker of Chicago.
KANSAS CITY, Mo. (U) — Here is the text of the letter written by Mrs. Bonnie Brown Heady to Mr. and Mrs. Robert C. Greenlease: Mr. and Mrs. Greenlease:
I doubt if this letter will do much good, but there isn't anything that we could do or say that would atone

Chalybeate Springs Club Is Outstanding

Someone has said that nothing succeeds like success stated C. R. Ammons here today. And this literally is true of the activities of the Chalybeate Springs community. Some fifteen years ago there was organized in the Chalybeate Springs community a Home Demonstration Club, the purpose of this club as well as all other Home demonstration clubs organized by farm women, is first to improve their standard of living through information from the research centers and State College and in developing a better home life for farm women, boys and girls. This better home life embodies both physical, mental, moral and spiritual growth of the entire farm family. Often as it was the case with the Chalybeate Community, goals and objectives are set up and then every effort is bent toward achieving those goals and efforts. Such was the case in November 1947 when the Chalybeate Home Demonstration Club, which is an integral part of the Chalybeate Community, received a \$25.00 War Bond for having made the most progress of any club in Harnett County during the preceding year. Inspired by this achievement the women of the Chalybeate Community began planning, thinking and talking about a club building to serve the community.

As one of the officers of this club and a leading lady in the community expressed to the farm agent "we have used every money-making scheme we could think of to put over this project." One of the first measures used was to answer the roll call at the club meetings with one or more eggs from their poultry flocks. These eggs were sold and the receipts placed in their building fund. Next, birthday dues were employed to increase the building fund and often rather than \$2.00 or \$3.00 as none of them ever get beyond the twenties.

Another method used was the sale of coat and dress hangers which were assembled and sold to local dry cleaning plants. Another measure that was utilized was the donation of one hen from the poultry flock from each of the club members which were sold and the proceeds added to the building fund.

SPONSORS PROGRAMS
The Chalybeate Home Demonstration Club also sponsored radio and group entertainment at the local school at which time, before, during and after the program, candy, popcorn and other items of this nature were sold and these proceeds added to the building fund along with the returns from the sponsorship of the entertainment. This group has also participated in county fair exhibits and won on two separate occasions \$70.00 which was added to the building fund. A concession stand was also featured at the North Carolina State Fair at which time home-cooked

foods, pies, cakes, coffee and drinks were sold to the general public and proceeds were applied to the building fund. Other projects similar to the selling of greeting cards, stationery, Christmas cards, games and other related materials were sold and proceeds added to the building fund.

Another feature that was developed and explored was where each member of the club made a quilt square and embroidered the name of any person who would give a dime or more on the square. After the squares in the community were collected the top was made and an old fashioned quilting party held in the church basement and later at the harvest festival this quilt was sold at auction netting \$324.00.

Mrs. L. B. Smith, a leader of the Chalybeate Community states that their suppers and harvest sales were the greatest source of income along with baked chicken suppers, Bar-B-Que suppers, etc., which were served in the local school cafeteria. Also articles of use and interest were made by the women of the community and auctions were held in connection with school entertainment and such items as sock dolls and other related items sold extremely well.

Another outstanding feature for raising funds by the Chalybeate women was the sponsoring of a pancake supper in the LaFayette High School Cafeteria. Representatives of the Pillsbury Company, Pet Milk Company, Vermont Maid Syrup Company and the Jones Sausage Company provided all the ingredients and in addition prepared and served the supper. At this party everyone in the community was invited and the fine fellowship as well as the food was something to behold. After this supper donations were asked for and more than \$2000 were added to the building fund at this time.

One of the most recent activities of the Chalybeate Community was a Bar-B-Que supper and a used article auction which was held on May 15 of this year where men in the community donated used farm equipment and this was auctioned and netted some \$600.
A Stanley party was also given in the community and the proceeds went to the building fund along with \$450 that was received from a canvass of the business houses of Fuquay Springs.

On March 9, 1953 the Chalybeate Community house was located and laid off on the Chalybeate Springs Baptist Church property and construction started immediately thereafter and on May 15, 1953 the first Home Demonstration Club meeting was held in the new community building which is now valued at more than \$10,000.

A fine thing about this community is that it not only serves as a meeting place in the community for home demonstration and other clubs, but will also be utilized in connection with the Chalybeate Baptist Church in the serving of dinners and other like occasions for church programs. To equip this community building a stove, refrigerator and piano have been donated by persons in the community while chairs, tables and other fur-

for our mistake. I do hope it helps a little.
I would give anything if I could go back to that Sunday in September and erase everything that happened since. It all seems like a nightmare.
We have always known that we would have to pay, but that doesn't return Bobby, but if it gives you satisfaction then we won't be giving our lives in vain.
I don't say I don't enjoy money, as everyone does, but that was not my motive. I could have been very very happy with Carl living in my house as I had been, but he has been used to more money. My case was loving not wisely, but for well. I wanted so much for him to be happy.

BLAMES WHISKEY
I never realized Bobby would be such a sweet child until too late. I am not trying in any way to make any excuse for my actions as I don't have any. But I think anyone will find that if he drinks from one to two fifths of whiskey a day for a year and a half that your brain doesn't function properly.
Since I've been in jail is the first time I've been able to reason clearly for some time.
I would like for the sisters to know I am sorry too, as there is a wonderful faith.
I hope as time goes on it will help heal your hurt and that you find peace.
Yours respectfully
Bonnie Heady

Hart Sentenced In Manslaughter

Harnett County Superior Court ended the November session yesterday following the trial and conviction of Julian Hart, 28, of Angier, for manslaughter.
Hart was tried for manslaughter — his second fatal one within a year to the day and almost to the hour as the first.

He was tried for the killing of John Wilson Lockamy, 16. Judge Glasen Williams sentenced him to three to five years in Superior Court yesterday.
Lockamy was killed March 26, 1952, at about 7:45 p. m. at Pea Ridge on the Benson-Angier Highway when a tractor on which he was riding was hit by Hart's automobile.

On March 26, 1952, at about 8 p. m. at the same place, Hart was driving an automobile involved in a wreck that killed three persons. He was not indicted in connection with this case.

The trial took most of the week with the largest crowds attending ever present for a trial in Harnett County, according to some observers.
In the trial, testimony was given that a few minutes before this year's car-tractor collision Hart remarked at a service station that he thought he would "try his luck again" on the Benson-Angier road.

He will appeal the sentence.
Other cases disposed of yesterday included, Cleve Nordan and Ralph Turlington, both given from four to six years for their part in several tobacco thefts in Harnett County during the year.
Henry C. Harriman, Negro, was sentenced to 25 years in the State prison for carnal knowledge of a young child.
A case against Homer O. Childress, charging bigamy, was continued indefinitely when it was learned that he is in the State sanitarium where he is being treated for TB. Russell Gilmore and Jasper Massey were given from three to five years for several cases of forgery of checks.

Ministers Meet

(Continued from page one)
previous meetings of the foreign ministers.

In this event, the Dutch will propose to separate the problem of defense in the hope of finally winning ratification by all six nations of the army treaty signed 18 months ago and which was aimed at making possible the use of \$500,000 West German soldiers.
MANHATTAN BEACH, Calif. (U) — Motorcycle patrolman Robert M. Short noticed something shiny on the highway and pulled over to the curb to investigate. It was his police badge.

niture have been acquired from various sources with little outlay of money.
This is the unfolding of a community project or goal which was born in the minds of the leaders of the Chalybeate Community and has been brought to a complete realization by the construction of the Community building to serve the entire Chalybeate Community.

Lay-Away
Your Toys Now
Efird's
TOYLAND
Is OPEN Now With A Full Assortment Of Exciting New TOYS For Boys And Girls — Use Our Lay-Away Plan.

 Tricycles A large selection of shiny new colors in sturdy built tricycles — Sizes for all size children .. \$6.95 to \$10.95	 Pianos A wonderful selection of Pianos in assorted sizes .. \$1.98 to \$3.29	 Wagons Sturdy steel wagons with heavy rubber tires — shiny baked on red enamel .. \$1.98 to \$9.45	Buy your Toys on our convenient Lay Away Plan — Choose now from our large selection of Toys — A small deposit will hold your selection. Buy now while our stocks are fresh and complete.
