

Dunn Boys Capture Second Place Spot

By FRANK SPRULL, JR.
Record Sports Writer

The Dunn High Greenwaves, sparked by the unerring shooting eye of Bobby Godwin and the all-around play of Daley Goff and Mac Turlington, stampeded to a 55-30 victory over Bule's Creek, who was tied with the Waves for second place in the standings before the game. The Dunn boys also won on last night's card by three more points than the boys, after the Dunn JV's had dropped a 34-29 encounter in the opener, when coach Sybil Barrett cleared her bench and let some of the guards and forwards swap places to run up a 58-30 score.

The victories moved the Dunn boys into undisputed possession of second place and assured the girls that they would at least have no ground to Coats, with whom they are tied for second, or to Benhaven who is occupying first.

JUNIOR CLASS
In the first game of the evening, the Dunn JV's blew a two-point halftime lead when the visitors scored the first 10 points of the third period to go ahead, 21-29, and to finish the third quarter out front by seven. The Baby Greenwaves did manage to cut the lead to two points at one time in the last stanza, but fouls at the wrong time coupled with an inability to get the ball from Bule's Creek, widened the gap to a final five point margin.

High scorer for the game was Cates for the visitors. He had 11 points. Byles added nine more to the Bule's Creek total, and Pags contributed eight.

Jerry Autry led Dunn's scoring with nine points, Jeff Jackson and Albert Fall had six each, Hubert Warren, five, and Pete Stewart, three. Bill Joyner was outstanding on defense for the locals.

TENTH LOSS
In the middle game, the Dunn girls, paced by Alice Prince's fourteen points, easily overcame an early lead which Bule's Creek got by scoring first, by outscoring their visitors in every period to win by a 28 point cushion.

In coasting to the victory the Greenwaves hit on 27 of 67 shots for an average of 40%. In their other game against Bule's Creek this year they hit on only 24%. Substitute forward Ana Britton hit on 80% of her shots to lead the percentages. She made four of five.

The Dunn misses were ahead 16-11 at the end of the first quarter, 32-18 at half, 42-22 at the third period closed, and finally at the end, 55-30.

The fastest play of the last half of the first string came back into the last game with the forwards playing guards and the guards at the forward posts.

In each half the visitors were outscored by 14 points, and a hint of future promise was shown in Ann Britton and Linda "Marilyn" Williams, two freshmen forwards, as each played well—Ann making 8 and Linda six.

Clarence Jean Sorrell managed to score during the last minute switch up while the Dunn forwards, who were playing guards held Bule's Creek scoreless.

BOYS WIN
In the tight gap Bobby Godwin displayed his old shooting form as he connected for 20 points (a new high for him this season) as the Greenwaves left no doubt in any one's mind that they were the better team in the court in the game even if they did lose in earlier game to Bule's Creek this season.

Nine of Godwin's points came in a terrific first quarter in which Dunn came out ahead 15-11. This was one of the fastest moving periods of the season as the ball was constantly in motion.

DEFENSIVE STONY
Remembering that they had also been leading by four at the end of

the first period at Bule's Creek, only to go behind by six at half time, the Waves were determined that this would not happen again. So they went out for the second stanza and proceeded to dump 16 more points through the nets while holding the visitors down to seven. In the third period they picked up three more, and in the fourth they outscored Bule's Creek by nine to win 55-30.

Goff was second in scoring for the Waves and Mac Turlington and Robert Pope gathered the most rebounds. Turlington scored 12 points besides his rebounds.

Travis Ross was high man for Bule's Creek with 12 points. No one else scored in the double figures for the visitors as the Greenwaves presented an almost impenetrable defense which yielded almost ten points less than they have yielded on the average all season long.

Both Dunn teams now have 8-2 records. The Bule's Creek boys are one game behind Dunn with a 7-3 record and the girls have yet to win in 10 conference attempts.

Friday night Bule's Creek will entertain Anderson Creek and Dunn will travel to Lillington to meet the league leading Lillington team. Games at H.C.C. Friday.

Dunn at Lillington; Anderson Creek at Bule's Creek; LaPayette at Erwin; Coats at Angier; Benhaven at Boone; Trall.

Erwin Boys Take Angier In Close 50 to 48 Game

By FRANK SPRULL, JR.
Record Sports Writer

The Erwin boys came from a 17-3 first quarter deficit to win a thriller from Angier last night in Erwin, 50-48, for their second victory of the season after the Erwin girls had put Angier down 67-41 in a preliminary game.

Gerry Matthews scored 48 points in the girls' game to lead the scoring for the evening. Ann Adams led the losers with 18.

Erwin took a 23-7 lead by the end of the first period and coasted the rest of the way. They led at halftime 41-12, and were ahead at the end of the third quarter, 54-27.

FIFTH WIN
The victory was Erwin's fifth against five setbacks. The Erwin boys have now won two and lost eight. The Angier girls have won two while losing eight also while the Angier boys are sporting an even 5-5 record.

In Lillington, both Lillington teams took a game each for Anderson Creek, the girls winning 54-44 and the boys by a top heavy, 60-16 score.

In the girls' game Lillington outscored the Anderson Creek girls by two points in every period except the second, when they made four more, to steadily move away from the visitors for a final 10 point cushion.

Bales led the scoring with 26 points, four shy of half the Lillington

KILLED NEAR DUNN — Charles Jernigan of Dunn, Route 3, is pictured above with a 30 inch grey fox which he killed this week on his farm. Dogs cornered the fox, Jernigan said, but never would kill him. Finally, he shot him, he stated. The fox weighed nine pounds and three quarters, and measured 40 inches long. (Daily Record Photo)

Jeep 'Little Bull' Of Army Equipment

WASHINGTON (AP) — An Army colonel once said to me: "I wouldn't be surprised to see that little work horse climb a telephone pole, repair the lines, roll down, call in a report and then go on plowing through the mud.

The colonel was talking about the little old jeep that helped the Allies come out ahead on World War II. The "small horse" has been active in other fields recently.

For example: In Peru, they now are using the vehicles to pull defeated bulls from the fight ring.

The jeep was the first motor vehicle to crash through the jungles of Venezuela's Rio Negro region. The sight of the strange contraption pushing its square nose through the jungle startled the natives who never before had seen a total. Matthews with 16 led the losers.

WON FOUR
The girls from Lillington have won four now while losing six and the Anderson Creek girls have won two and dropped eight.

In the feature game of the evening, the undefeated Lillington boys routed Anderson Creek by 44 points. McDonald led the scoring with 15 points for the winners. Howard had six for the losers. Anderson Creek has yet to win in Harnett County Conference competition. Lillington's next game is against Dunn Friday night in Lillington. Anderson Creek will play at Bule's Creek then.

Parolman's Father Buried Yesterday

Funeral services for Charles Taylor Leonard, 75, father of State Highway Patrolman R. Black Leonard of Lillington, were conducted Tuesday afternoon from Calvin Heights Baptist Church near Morganton, and burial followed in the church cemetery.

Mr. Leonard died Sunday at his home in Glen Alpine, a native of Caldwell County. He moved to Burke County about 30 years ago and was connected with farming and lumbering business in that county.

He is survived by the daughter, Mrs. O. E. Payne of Houston.

Five Men

(Continued from page one)
with each other. Originally they were cited for assault with a deadly weapon with intent to kill. The defendants entered guilty pleas to engaging in an affray in which a deadly weapon was used. This lesser plea was accepted by the state.

TRAFFIC VIOLATORS
Trail of traffic violators commanded majority of the court's attention. James W. Jones, charged with speeding 85 miles an hour and driving while intoxicated, through his attorney, D. C. Wilson offered a plea of guilty to public drunkenness. The solicitor accepted the plea and judgment was suspended on payment of costs.

Paul Price submitted to the charge of driving with his operator's license and with improper lights. He drew 90 days on the roads, suspended on condition he not violate any motor vehicle law and pay \$25 fine and costs.

Orange William Mitchell, guilty of speeding 85 miles an hour, and passing on a hill was sentenced to 30 days on the road, suspended on payment of \$25 fine and costs. He also must not violate any N. C. motor vehicle law for 90 days. A second count against Mitchell of carrying concealed weapons was dismissed.

OTHERS
Owen Holloway was acquitted of the charge of speeding 65 miles an hour.

Nelson Suit paid costs for failure to yield right of way.

William McLean paid costs for driving on wrong side of road.

Otis Allen, guilty of driving with no operator's license, was fined \$25 and costs and ordered not to drive until he obtains license.

Myles E. Swain submitted to charge of passing car without 500 feet clearance and paid the costs.

Billy F. Nix was cleared of charge of passing another automobile at an intersection.

Henry Waldo Messer paid costs for permitting an unlicensed operator to drive his car.

Doris Rose Chappell paid costs for driving a car without an operator's license.

FOLLOWED TOO CLOSE
Elmo Braxton Johnson, entered guilty plea for following a car too closely. Johnson had been indicted for careless and reckless driving following an accident in which his truck collided with a car driven by W. J. Coffin of Kipling. The lesser plea was accepted and prayer for judgment was continued for 90

days on condition he not violate any motor vehicle law and pay \$10 fine. He was acquitted of the careless and reckless driving charge.

William Leslie McCracken paid costs for violation of a stop sign.

A charge of engaging in an affray and driving while intoxicated, were dismissed as to Mildred Lanier. Wade Wilson entered a guilty plea to issuing a worthless check and prayer for judgment was continued for two weeks.

TRAFFIC CASES
In two traffic cases bonds were ordered forfeited if the defendants do not appear for trial within 30 days. Cases were those of Bill Taylor of Cliffside Park, N. J. charged with speeding 70 miles and hour, and Merle E. Offenhausser charged with speeding 65 miles an hour.

Three men paid the costs for public drunkenness.

Pro Red

(Continued from page one)
by a drum and bugle corps which had fashioned instruments out of beer cans and scraps of prison camp metal, boarded American ships at Inchon. They will leave at dawn for Formosa.

North Koreans looked stoically from openings in their boxcars which they had boarded for the southward journey to relocation centers at Pohang and Kunsan in South Korea.

Release of the prisoners ended an unwavering U.N. fight against holding them indefinitely. Indian guards called the roll; giving each man a final chance to change his mind, but only 49 Chinese and 31 North Koreans out of the first 11,298 men released chose to return to Communism.

New Finer Carolina Program Offers \$6,750⁰⁰ Cash Prizes!

\$1,000—\$500—\$250 OR \$100 CAN BE WON BY YOUR TOWN THROUGH CIVIC ACCOMPLISHMENT

WE CORDIALLY INVITE your community to enter the new Finer Carolina Program.

DURING THE PAST two years towns enrolling under the program have found civic improvements easier to accomplish. Two reasons are: (1) through the contest, the entire town cooperates, works faster, accomplishes more. (2) prize money will help finance new civic improvements for the 24 cash winners during the following year.

ANY TOWN served electricity at retail by CP&L is eligible to compete. Where a community has already expressed interest in entering, the CP&L Manager is meeting with representative citizens. This group will pick a General Chairman and a Steering Committee. The Committee will survey their town and determine the five most-needed projects, such as parks, playgrounds, municipal facilities, industrial development and other important improvements. The entry blank should be sent in by February 1.

FOR OUTSTANDING SUCCESS on the five projects when judged at year-end, CP&L offers these prizes:

Prize	To towns with a population of:	To towns with a population of:	To towns with a population of:
	0-1000	1001-2500	over 2500
1st	\$1,000	\$1,000	\$1,000
2nd	\$500	\$500	\$300
3rd	\$250	\$250	\$250

Honorable mention—15 prizes of \$100, awarded proportionally to population.

NO TOWN CAN LOSE—whether or not it wins a cash prize. Your town will be a FINER TOWN because of your effort. So, notice the places where you, personally, can help—then do your part. Let's do more in '54 to make you town CAROLINAS' FINEST!
