NEW YORK (AP) — Texans aren't going to like this but a recent race track survey shows that while the Lone Star State may be the home of champion bronc busters it has only one jockey among the top 20 American race riders.

Before the lads down yonder start shooting, it should be pointed out that — as usual, pardner — Texas produced the number one man by name of Willie Shoemaker.

If you're looking for reasons, however, why Texas has so few of the little men in silks, number one probably is because most of their national athletes are golfers. Aside from that, they probably wouldn't even have Shoemaker up there among the jockeys if it hadn't been for the fact that he moved to California when he was only 10 years old. If he had stayed in Texas, he undoubtedly would have grown big enough to be a tackle for the Chicago Bears . . . everybody knows they have the bestest and the mostest . . .

Baseball Commissioner Ford Frick's audit of his office expenses during the World Series is an interesting account which undoubtedly proves something or other. For instance, the six umpires received about \$2,300 each in salary for the classic . . . but brains always pay off. The guy who simply made the audit got \$2,113 . . .

Don't let the fact that old "Dutch" Harrison won the Bing Crosby Invitational at 44 fool you into believing the same ancient group of golf pros are going to keep cleaning up all the fairway loot this year. The word is to watch out for Doug Ford, at 30 just starting to come into his own.

Ford, they say, is going to be golf's new big man. He has been out of the money only 12 times since turning pro in 1949 and would have been golf's leading money winner last year except for Lew Worsham's magic eagle in the \$25,000 World Championship . . .

Some baseball men seem to think the New York Yankees, shooting for their sixth straight world championship, may be dumped by an aging pitching staff which could come apart at the seams all together. Hah! Back of Ed Lopat, Vic Raschi, Allie Reynolds and Johnny Sain are a flock of good young ones. Ready to step in now are Whitey Ford, Harry Byrd, Steve Kraly, Tom Gorman, Jim McDonald, Mel Wright, Wally Burnette, Bill Miller and Bob Wiesler . . . how you gonna beat 'em?

ATLANTA (AP) — The red-hot Southeastern Conference scoring race will have to simmer until Saturday when the loop's top five scorers all get back into action. The members of the exclusive "20-point club" Louisiana State's Bob Pettit, Kentucky's Cliff Hagan, Vanderbilt's Dan Finch and Cob Jarvis and Denver Brackeen of Mississippi will take a rest until Saturday with only three loop teams slated for action on week nights. Win-less Georgia Tech plays Murray State, Ky., Monday night, Mississippi meets Howard College Wednesday night and the first league action of the week comes Friday night when Auburn and Florida square off.

TAMPA, Fla. (AP) — Betsy Rawls is one golfer who can spot her rivals a bad round and still win most tournaments. The National Women's Open champion from Spartanburg, S. C., took an 83, eight strokes over par, in Sunday's final round of the Tampa Open tournament yet emerged with a winning 72-hole total of 311. Amateurs Polly Riley of Fort Worth, Tex., and Canadian champion Marlene Stewart of Fonthill, Ont., tied for second at 313, one stroke ahead of Patty Berg of West Chicago, Ill.

WASHINGTON (AP) — A small, dark-haired speedster from the island of Trinidad, just barely 19 years of age, ranks today as the latest and hottest candidate for the glittering title of "World's Fastest Human." Little Mike Agostini turned in the most amazing clocking of the indoor track season Saturday night when he broke the world's indoor record for 100 yards in the annual Evening Star track meet here. The Trinidad flyer was credited with a 9.6 second clocking, two-tenths of a second under the old record of 9.8 seconds set 30 years ago by Lewis Clark of Baltimore. More amazingly, the feat was accomplished in flat-soled shoes on an armory floor.

NEW YORK (AP) — This week's parade of excellent fights will get off to a slam-bang start tonight at Brooklyn's Eastern Parkway Arena, where heavyweight Rex Layne tries to come-back against Tommy (Hurricane) Jackson in a television 10-rounder. The Layne-Jackson bout will be an important and bruising brawl although it naturally lacks the attention commanded by light heavyweight champion Archie Moore and Joey Maxim in the week's featured fight at Miami Wednesday night.

SOUTH END, Ind. Furman Bisher, sports editor of the Constitution, said that a "consistently reliable" source told the paper that the New Orleans Mid-Winter Sports Association has offered Notre Dame a 5-to-10-year contract to appear in the Sugar Bowl game. Bisher's dispatch added that Notre Dame officials, according to the source, were "leaning toward acceptance."

# Erwin Boys Tie Lafayette

By FRANK SPUILL JR.  
Record Sports Writer

The Erwin boys broke an eighth place tie with Lafayette Friday with a 61-51 victory on the strength of a 21 point first quarter after the girls from Erwin had come through in a preliminary game over the Lafayette girls, who had been tied for fourth place in the standings before the defeat.

Sewell was the leader for Erwin with 20 points. Howell had 17 for the losers.

The Redskins served notice of their intentions early in the ball game as they seized the nets for 21 points while holding their visitors to only five for a 16 point lead at the end of the first quarter. Then in the second period they picked up three more as they took a 36-17 halftime lead. In the last half the Lafayette boys came back to cut the lead down nine points for a final 61-51 margin.

In the girls' game Gerry Matthews threw 58 points through the nets to lead her team to a 72-35 victory. The girls from Erwin outscored Lafayette in every period and were leading by two points at the end of the first quarter, seven at the half, eight at the end of the third period, and they hit for 26 points in the final stanza to stretch their lead to the final 72-35 margin.

Erwin will entertain Boone Trail Tuesday night while Lafayette will be entertaining Dunn.

In a game played at Angier the resurgent Coats boys overcame an eight point halftime lead in the third period to go ahead by three and then went on to finally win by four, 52-48, after the high flying Coats girls had routed the Angier girls, 56-31.

B. Smith led the winner's attack with 14 points, but Tudor of Angier was high man for the game with 25.

Angier took a 17-10 first quarter lead and stretched it to 36-18 at the half. Then in the third period the Coats boys held the home team to only five points while scoring 14 themselves to go ahead by three and they added one more to the slight margin in the final quarter.

The Coats girls stretched their record for the season to nine wins and two losses in a preliminary game by outscoring Angier in every period by at least five points to win by a landslide, 56-31.

Stewart and Johnson each scored 20 in the victory and Adams led the losers with 12.

Coats led at halftime 31-30. The Coats girls are now tied with Dunn for second place in the county standings. Tuesday they will meet league leading Benhaven at Benhaven in the game of the week in the girls circles.

Angier plays tonight in Lillington when they meet Anderson Creek.

# Lillington Two Out Of Three

By FRANK SPUILL JR.

Friday night in Lillington the Lillington High School basketball teams took two of three games from Dunn—the Lillington JV's and varsity winning and the Dunn girls taking one. The JV's won, 48-32, the varsity came from 10 points behind to win in the last minute of play, 61-56, and the Dunn girls came back from a 31-19 halftime deficit to squeeze through by two points, 69-61.

The night was filled with weird happenings as the competition was stopped twice during the evening—one to quiet the fans so the players could hear the officials' whistle when blown and once to clean off the court. And to begin with the Dunn girls team was 25 minutes late because the bus had gotten stuck in Coach Waggoner's big yard and the team had to run down cars back to school to get to Lillington.

The Dunn first string guards fouled out of the game (every one of them) the reserves took over and held the Lillington girls to 14 points less than the Waves got to enable Dunn to win.

The forwards had their problems too. One girl, Alice Prince, was held scoreless in the first half but broke loose in the last to score 17 points. Another forward Mary Lou Westbrook fouled out of the game after scoring six points some time in the second period and her substitute came and proceeded to burn the nets with 22 points in a little less than three quarters. Margaret Godwin couldn't hit the basket from the left side nor could she miss from the right. She shot four times from the left and shot ten from the right and hit plus two foul shots to get 22, her highest total ever.

Snow Falls Fast. Then when the evening's festivities were over, which saw two games have story book endings, and the doors to the gym were thrown open, a snowfall greeted the shouting throng. It had been snowing for about 45 minutes, or perhaps an hour, when the game was over and all the cars were covered with a white blanket of snow when the people went out to go home after a thoroughly enjoyable evening.

JV's GAME. The junior varsities from the two schools met in the opener. The boys from the county seat used their superior height to an advantage in running up an 8-4 first quarter lead and then holding the Dunn hopefuls scoreless in the second period while adding 15 more points to their total in the 23-4 halftime lead. In the third period the Dunn boys picked up four of these points but were still on the lower end of the score when the stanza ended, 32-20. But in the final quarter the roof fell in for the locals. Lillington sent 25 points hopping through the basket while Dunn could garner but 12 to win pulling away, 49-32.

Cox and Parker with 13 each led the winners scoring, while Autry with nine and Warren with eight led the Dunn team.

The Dunn JV's will probably play again tomorrow night at LaFayette, Girls' Game.

The Girl's game (to the Dunn supporters) was probably the most thrilling and enjoyable of the three. Arriving late, the girls from Dunn were at a decided disadvantage at the start of the game and showed their nervousness by the numerous fouls that they committed and also by the number of foul shots that they missed. A total of 58 fouls were called in this game, which is an enormous number for girls. Thirty were on Dunn and the other 28 were at Lillington's expense. However the Dunn lassies missed 11 of 16 free throws in the first two periods and made only seven field goals for a total of 19 points in the entire first half while Lillington was getting 11 gratis tosses and ten goals for 31 points.

This inability to score though was not entirely the forwards' fault. The guards had trouble securing the ball for them and any team will find that it's hard to score when you don't have the ball.

Lillington took a six-nothing lead on four free throws and a field goal before Mary Lou Westbrook hit on a foul shot for Dunn. Then a mixture of free tosses and field goals—mostly free tosses—ran the score up to 15-8 as the first stanza closed.

In the second quarter things got

# Defeats Dunn Of Three Games

gradually worse for the Waves, much bearing on the outcome was that Lillington connected on 28 free throws. Almost half of their points were given to them by the Waves.

McDonald led the Lillington scoring with 29 points. Langdon added 13.

Goff, however, was high man for the game with 30 and Turlington contributed 13 more.

The defeat dropped the Waves from undisputed possession of second place to a second place tie with Buie's Creek if Buie's Creek beat Anderson Creek. If Benhaven triumphed over Boone Trail they too have a share of second.

Tuesday Lillington will be host to Buie's Creek and Dunn will travel to LaFayette. There will probably be three games in both places. All four schools have junior varsities.

There will be one game played in the conference tonight. Angier and Anderson Creek are scheduled to meet in Lillington.

RECEIVES LETTER. Among those receiving letters of appreciation in fall sports at Duke University was Billy Thompson of Dunn, it was announced today by Athletic Director Eddie Cameron. Thompson is the son of Mr. and Mrs. W. J. Thompson of Dunn. He will receive the award for freshman football.

CORTINA D'AMPEZZO, Italy (AP) — United States stars Stanley Benham and James Bickford prepared for two supreme efforts today in an attempt to overtake a daredevil Italian team and win the 21st annual two-man world bobbed championship. Luigi Petrelli and Luigi Figoli of Italy seized the lead Sunday with consecutive heats of 1:28.22 and 1:27.32 down the icy, 1700-meter Olympic course.

STORRS, Conn. (AP) — A "two-platoon-and-no-go" system has made the University of Connecticut basketball team one of the nation's four major undefeated quietests. Connecticut's hustlin' Huskies have whipped 14 foes, most by sizeable margins, and boast a 17-game winning streak which started last season. They've racked up the best record in the University's 73-year history with a squad whose two tallest men are only 6-foot and one inch which has few consistent stand-out performers but where every man's a star sooner or later.

Lillington took an early 6-3 lead but this was soon overcome by the Greenwaves who went a head 10-8 and ran up a four point lead which was cut back to two as the period ended. The Dunn boys picked up two more points on the conference leaders in the second quarter to lead them 32-28, at the half. In the third period the Waves stretched their lead to eight points, and were leading 47-39, at the period ended. Dunn scored the first two points of the last stanza and it looked as if the Dunn boys might break this game wide open as they had so many times in the past but Lillington braced and began to cut the Greenwave lead down—little by little. A rough job was made considerably easier when three of the Dunn starters left the game because of five personal fouls. In fact it's doubtful if it could have been done if Mac Turlington, Daley Goff, and Robert Pope had been in the contest.

The Dunn reserves tried hard but superior height which enabled Lillington to control the backboards with these three Dunn boys out was the deciding factor in a fourth quarter which saw Lillington outscore Dunn, 22-9.

Another factor which had right
