BUILDING CONSULTANT

When Bobby tries his hand at construction, Dad always has some worthwhile ideas . . . just as Mother so often helps Betty with her knitting.

Far more necessary, though, that Dad and Mother be expert "consultants" in the every-day problems of growing up. There are so many vital truths—moral and spiritual principles—which a child can hardly be expected to understand without the help and example of conscientious parents.

Recognizing this, every Church urges parents to BRING (rather than send) their youngsters to Church and Worship Services!

Parents who—with their children—study and practice the Christian Faith become the best parents . . . and see their children fulfill their own highest ideals.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
