

# BULLETINS

Leadership became evident as the man on the street apathetically accepted the fall of Premier-designate Amintore Fanfani's 12-day-old "paper" government.

**MIAMI BEACH (AP)** — The 13 top officials of the American Federation of Labor began their mid-winter conference today with increasing unemployment and proposed changes in the Taft-Hartley law marked as chief topics of discussion. The annual 10-day sessions have been closed to the public in the past, but the union leaders always have been strong-spoken in daily statements and conferences with the press. Department of Labor figures just released showing increases in industrial unemployment were sure to evoke a blast from the AFL chieftains.

**WASHINGTON (AP)** — A large formation of MIG15s attacked an American reconnaissance plane off the Korean coast Jan. 25, but an accompanying force of U. S. Sabres scattered the Red fighters and shot down one of them, it was disclosed today. None of the American aircraft was lost in the incident, which the Air Force said occurred "over international waters." The Air Force did not give the nationality of the MIGs. They are Russian-built, however, and presumably were based in North Korea. Experts said they could have been piloted by Chinese, North Koreans, or even Russians.

**TOKYO (AP)** — A U. S. Air Force courier plane crashed into icy waters off northern Japan today and all 35 persons were killed, Far East Air Force headquarters said. Helicopters and Japanese coast guard patrol boats found several bodies but reported there were "no survivors." The twin-engine C46 went down in the Tsugaru Strait which separates northernmost Hokkaido Province from the main Japanese island of Honshu.

**WASHINGTON (AP)** — Republicans expect to set aside the biggest off-year budget in their history — perhaps double the \$1,900,000 of 1950 — to wage this year's crucial election campaign for control of Congress. The figures are to be presented to party fund-raisers when they meet here late this week to lay campaign plans, honor Abraham Lincoln and kick off the GOP's 100 birthday celebration. Rising costs of political campaigning, particularly in the field of television, and a firm determination to spare no effort to win next fall are largely responsible for the bigger budget.

**CHARLOTTE (AP)** — Richard S. Dick Smith, reputed Charlotte lottery boss, was to be sentenced in federal court here today on income tax evasion charges. A federal jury Friday found the 53-year-old businessman guilty on three of five counts of evading back income taxes. The government had charged him with evading more than \$107,000 in income taxes from 1946 to 1950. The charges could bring a maximum sentence of 15 years in prison and a fine of \$30,000.

**KINSTON (AP)** — An ex-Marine from Adrian, Mich., today faced a technical charge of manslaughter as a result of an accident which killed one person and injured five others. Mrs. Sam Ives, 60, of Kinston was killed instantly near here early yesterday when the car in which she was riding struck a house trailer being towed by the car driven by the ex-Marine, Ed A. Jeffrey. James Ives, Jr., a Kinston police officer, and Miss Natalie Fordham, a passenger in the Ives car, were seriously injured in the accident and are being treated at Duke Hospital in Durham.

**FAYETTEVILLE (AP)** — A Negro soldier from Ft. Bragg today faced manslaughter charges in the highway deaths of two persons on the Ft. Bragg reservation. Highway patrolmen said the charges would be brought against Pvt. John Wilbur Duddy, 27, in connection with the deaths of Robert Spell, 28, of Clinton and Mrs. Margaret McLeod Sykes, 60, of Salemburg. They were killed Saturday night when the car in which they were riding collided with that driven by Boddy on Highway 210 just inside the reservation.

**KINSTON (AP)** — Red Cross disaster workers here today prepared to assist those who suffered losses when they were forced to evacuate their homes in low sections near the flooding Neuse River over the weekend. John F. Burton, chairman of the disaster committee of the Lenoir County Red Cross chapter, said a disaster center set up here Saturday would remain open for the rest of the week to assist the evacuees. He said last night, "the problem here now is one of rehabilitation. The immediate danger appears to be over."

**SEOUL, Korea (AP)** — U. S. Far Eastern expert Kenneth Young declined comment today on possibility of resumption of preliminary talks to be convened the delayed Korean peace conference. "Until I have something to report," Young said, "I have no comment." The Communist proposed last week that the preliminary talks begin today but the United Nations still has not replied to the Red note.

**VATICAN CITY (AP)** — Vatican sources said today Pope Pius XII will spend the next three days in bed in an attempt to conquer the hiccupping that has upset his nervous system. The pontiff became ill last week and was forced to call off all audiences and other ceremonies. He was late for the early morning mass last Friday for the first time since he became Pope 14 years ago. Vatican authorities said over the weekend the Pope was recovering satisfactorily but must prolong his "period of less work and regular rest."

**SEOUL, Korea (AP)** — American Army crews recovered 57 mangled bodies from the wreckage of a Korea passenger train today and searched for other victims of Korea's worst rail disaster. All of the victims of the accident, which happened last night 35 minutes after the train left Seoul, were Koreans. At least six other bodies were believed to be in the twisted wreckage of three wooden passenger cars which had been telescoped into the space of one.

**CAIRO, Egypt (AP)** — President Mohammed Naguib's supreme military court charged 44 persons today with Communist activity and plotting to set up a Red regime in Egypt. Sixteen students, 15 workers, nine government officials and company employees, three journalists and a lawyer faced penalties up to life imprisonment for alleged plotting for revolution against Naguib's government. The indictment charged that as members of the "Communist movement for national liberation," the defendants plotted to wipe out the capitalist and employer class and establish a Russian-style "working class" society in its place.

HEARING DOWN ON THE HARMONY — Four well-known members of the Dunn Lions Club are shown here rehearsing songs for the big minstrel show to be presented Thursday night at 8 o'clock in the high school auditorium. Left in right are: Herman Lynch, Geover C. Henderson, Julius Morgan, and Palmer Davis. There are about 30 Lions and their wives in the minstrel chorus. (Daily Record Photo.)

## 3 Women

(Continued From Page One)

date with the man in my life." "ONLY CASUALLY" — Another alleged romantic partner of Roosevelt's Mrs. Julia Waterhouse Damon, divorced wife of Sam R. Damon, said in Honolulu, "the whole thing sounds nuts to me." She said she knew Roosevelt "only casually" during the war years.

Mrs. Richard C. Durant, former screen actress Jayne Shaddock said she had a vague recollection of Roosevelt from past meetings, but "I recognized him today. It would be from his cadaverous pictures in the papers."

She said in Honolulu he was anything but what she would consider the romantic type. In a cablegram to Los Angeles Mrs. Durant demanded "an immediate public retraction" of the "false statement" contained in the letter which was filed by Mrs. Roosevelt in her divorce action in Pasadena Superior Court.

Mrs. Howard said "this is a terrible thing for them, Roosevelt's. They must be very mixed up people."

Her wealthy husband and father of her two children was amused by the report of her alleged conduct with Roosevelt, she said.

"He asked me when I had turned Democrat."

**MAX QUIT RACE** — James Roosevelt, who allegedly admitted intimacies with nine women in a letter to his wife, today gave strong indication he was through as a candidate for Congress.

"I have released all my friends and supporters from any further obligation to me in the 26th District congressional campaign," Roosevelt said in a statement.

"I will not present my name to the 26th District Council for endorsement nor will I allow my friends to present it at the Feb. 11 meeting."

Roosevelt had announced last week that he was a candidate for the Democratic nomination in the June primaries. The seat is presently held by Rep. Samuel Korte, a Democrat, who has announced his intention to run for the Senate.

Roosevelt, however, said his announcement today was not a final decision.

However, the eldest son of the late President already was under fire from at least two prominent Democrats, one demanding that he withdraw as a candidate and the other describing events as "a sad situation" politically.

**WITHDRAWAL ASKED** — Former Gov. Gilbert L. Olson, elder statesman of the Democrats in California, issued the demand

## Cow Is Killed

(Continued From Page One)

for withdrawal. Mrs. India Edwards, vice chairman of the Democratic National Committee, shook her head and said a candidate had to have his personal house in order to run for office.

Roosevelt said yesterday he had been under pressure to withdraw his candidacy, but he was still in the race.

The 47-year-old political figure planned to issue a statement later today, 5 P. M. EST which may disclose a series of reasons why he signed a letter to alleged intimacies with nine women. Intimacies with three other women were alleged in a separate maintenance suit filed in Pasadena by Mrs. Romelle Schneider Roosevelt.

Samuel B. Picton, Roosevelt's lawyer, said both he and Roosevelt would attend a press conference at which the statement will be issued.

Roosevelt has made no comment on his wife's misconduct charges.

**Chewing Gum** — The candy company.

Maxwell took the Columbus County youth out to dinner and was making plans to get high on a national radio or TV program if possible.

The small, dark eyed youth, looking like a champion "wife caller," J. A.'s eyes snapped as he asked, "You want the police to come get me?"

**TOOK A CHALLENGE** — The gum chewing feat began as a challenge from four of J. A.'s friends. Newspapers had carried a story on a record set by Sue Johnson of Winston-Salem. She had chewed 31 sticks of gum for four hours. J. A. made a bet that he could top that record and a friend volunteered to supply the gum.

Since Dentyne is J. A.'s favorite gum, he selected that brand and began to chew. It took 30 minutes to get 30 sticks in his mouth. "It was a slow process," J. A. recalls, but he did it. In fact, not only did he beat Miss Johnson's number record, but he also topped her chewing record. He began at 7:30 in the afternoon and chewed constantly for four and a half hours.

The chewing gum had begun in Canada where one person set the first record of chewing 48 sticks for three hours.

As to what made him accept the challenge, J. A. said, "I had a feeling I could beat the world record."

But Miss Johnson has promised to top the Hallahora youth's record by at least one stick. But, J. A. says he will not stop with beating her record one time. "I'll make a come-back," he asserts. In fact, he promises more than a come-back. He

## William S. Tadlock Dies This Morning

William Sumler Tadlock, 36, of Dunn, Route 2, died at his home early Monday morning. He had been in ill health for two months and seriously ill for about three weeks.

Funeral services will be held Tuesday afternoon at 3 o'clock at the Hodges Chapel Free Will Baptist Church. The Rev. J. D. Capps and the Rev. C. S. Johnson will officiate. Burial will be in the church cemetery.

Mr. Tadlock was a native of Harnett County, son of John W. Tadlock and the late Martha Warrick Tadlock. He had been a machinist at the Lynch Manufacturing Company here for the past five years.

Surviving are his wife, Mrs. Kathryn Tanner Tadlock of Dunn, Route 2, one son, William Dempsey Tadlock of the home; his father, John W. Tadlock of Dunn, Route 3; four brothers, W. E. Tadlock of Wade, James W. Tadlock and Ira Tadlock, both of Dunn, Route 3; Rodney Tadlock of Erwin; three sisters, Mrs. D. E. Stewart of Dunn, Route 3, Mrs. G. D. Davis of Fayetteville, and Mrs. Raymond Murphy of Fayetteville, Route 1.

assist in national drives for funds for the two homes.

A number of persons who have expressed an interest in the Moose Club recently attended a meeting at the City Hall in Dunn, but plans for organization were not completed at that time.

Plans were announced here this week for holding an organizational meeting for establishing a Moose Club in Dunn. J. D. Smith, membership director of Wilson, has called a meeting for February 10, at the Dunn Armory, at 8 o'clock.

Smith stated today that a membership committee will be selected at the organizational meeting and general plans discussed. Organization of a Moose Club has been discussed in Dunn for some time.

The purpose of the local club, Smith said, will be to join with some 1,700 other lodges in caring for children and widows at the Moose Heart Home near Chicago, and for the aged at Moose Haven near Jacksonville, Fla.

Members of the local club would separate at her promise of beating him by one more stick, adding, "I'll try to leave her by a landslide." He declines to say how many sticks he will chew next time.

And what if Miss Johnson makes a come-back, J. A. was asked. "I'll begin immediately to beat her," he said.

Even though J. A. is a champ, he doesn't look on the issue with scorn. "Oh, I think it was a good record," he said of Miss Johnson's 11 sticks, "but I plan to do much better."

As to what his parents think of the chewing gum idea, "Oh, they're proud of me," J. A. asserts. He is the son of Mr. and Mrs. A. B. Young of Hallahora.

## Will Hold Meet Harnett NCEA

The third meeting of the Harnett County Unit of the N. C. E. A. for the current year will be held on Monday at 7:30 p. m. in the Killington High School auditorium.

Mrs. Lynda Powell of Boone Trail, president of the county teachers, has announced that the meeting will be dedicated to professional improvement. The program will be divided into two parts, one for elementary teachers and another for high school instructors.

A. E. Johnson, principal of the Dunn School, will conduct a science workshop for elementary teachers. High school teachers and supervisors will hear Miss Ella Stephens Barret, supervisor of guidance for the State Department of Public Instruction.

The program was arranged by the professional services committee headed by Mary D. Frigen of Dunn. The committee chairman said today that President Leslie Campbell of Campbell College has accepted the invitation to lead the opening devotional.

In the science workshop Principal will give several demonstrations and show how the use of the science kits aid the teaching of elementary science. Teachers also will see for the first time copies of the new science handbook, an official bulletin of the State Department of Public Instruction.

Mrs. Josephine Bradley, teacher on the Buie's Creek school, is chairman of a nominating committee which is scheduled to present a new slate of officers. Others serving with her on this committee are G. T. Proffit, Mrs. Jesse Parker, Ray W. Coon and D. T. Stults.

## Moose Lodge To Be Formed Here

Plans were announced here this week for holding an organizational meeting for establishing a Moose Club in Dunn. J. D. Smith, membership director of Wilson, has called a meeting for February 10, at the Dunn Armory, at 8 o'clock.

Smith stated today that a membership committee will be selected at the organizational meeting and general plans discussed. Organization of a Moose Club has been discussed in Dunn for some time.

The purpose of the local club, Smith said, will be to join with some 1,700 other lodges in caring for children and widows at the Moose Heart Home near Chicago, and for the aged at Moose Haven near Jacksonville, Fla.

Members of the local club would separate at her promise of beating him by one more stick, adding, "I'll try to leave her by a landslide." He declines to say how many sticks he will chew next time.

And what if Miss Johnson makes a come-back, J. A. was asked. "I'll begin immediately to beat her," he said.

Even though J. A. is a champ, he doesn't look on the issue with scorn. "Oh, I think it was a good record," he said of Miss Johnson's 11 sticks, "but I plan to do much better."

As to what his parents think of the chewing gum idea, "Oh, they're proud of me," J. A. asserts. He is the son of Mr. and Mrs. A. B. Young of Hallahora.

The youth says, however, that he doesn't usually chew much gum. He may average as much as a pack a day he stated. But when he does chew, it's Dentyne, he added.

## Two Trains Hit Car in Freak Accident

In one of the most unusual train-car crashes ever to occur in Dunn, two trains struck one 1946 Chevrolet Saturday morning around 12:30, completely demolishing the car and damaging the two trains and rail-road property approximately \$1,100.

According to the local Police Department, the Chevrolet, owned by Rufus Bethesda, 35 year old Dunn Negro, stalled on the tracks at the Cleveland Street crossing. When the car stalled, the two trains were said to have been around four blocks from the street crossing.

Bethesda told the police he became frightened when he was unable to start the car, and left it sitting on the tracks. The crossing is very steep at the Cleveland Street intersection, and a car could be pushed

off the tracks very easily if it permitted.

Atlantic Coast Line Train No. 115, a south bound train, first hit the car, valued at \$350, knocking into the path of an approaching north bound train, No. 87. Speed of the two trains was mated at approximately 20 m.p.h. per hour by Engineer C. C. Lee of Rocky Mount.

While the first train gave the car a hard enough lick to wreck it, the north bound train completed the demolishing job. No one was injured in the accident.

Damages to the two trains was set at \$500 and damage to a sign light at the crossing was set at \$600.

The accident was investigated by policemen H. F. Pope and J. Black.

## Benson Lions Planning Event

District Lions Governor Wallace I. West of Wilmington will be the principal speaker at a Ladies' Night banquet of the Benson Lions Club Wednesday night at 7:30 o'clock.

It will be the district governor's official visit to the Benson club. Joe Levinson will serve as master of ceremonies at the dinner.

The meeting will be held at the American Legion building. The dinner will be served by ladies of the American Legion Auxiliary.

Lions from several other clubs in the area are expected to attend as visitors at the meeting.

Shelton Moore is president of the Benson club and is in charge of arrangements.

## 4-H Club Gives Safety Program

The Brinlevel 4-H Club, with Miss Margaret Ray, assistant home demonstration agent, gave a program on Farm and Home Safety and Farm and Home Electricity over WSWG in Sanford January 26 at 11:45 a. m.

Miss Ray opened the program stressing the importance of safety in the home and on the farm. Elaine Byrd, president, introduced the panel members who were: Patricia Bryant, Corbett Parker, and Bobby Morrison. The 4-H Safety Songsters were: Helen Parker, Deloris Byrd, Elaine Byrd, Richard Byrd, Jr., W. E. Bethune, Jr. and Mel Bethune.

Following the panel discussion, Miss Ray informed the farm friends of the work that the club has done this year. At the present, with the help of Miss Ray and Mrs. J. Ellis Byrd, the community leader, the club is raising money for a club sign to be erected on the school ground during National 4-H Week in March.

Use a dull finish aluminum or glass pie plate, if you find that the bottom crust of pies are over-browning in other baking ware.

## President At Catholic Rites

WASHINGTON (AP) — President Eisenhower yesterday became the first chief executive ever to attend mass, the ancient Roman Catholic.

President and Mrs. Eisenhower joined scores of top government and diplomatic officials in celebrating the mass at St. Matthew's Cathedral here. The Most Rev. Archbishop Patrick J. O'Boyle, the archdiocese of Washington, officiated at the colorful services.

It was the first time that Eisenhower, a Presbyterian, has attended a Catholic church service, taking office a year ago.

## McLamb Takes Leave in Japan

KOBE, JAPAN — Army PFC. Bill McLamb, whose wife, Vida, a father, Fred McLamb, live on Route 2, Benson, N. C., recently spent seven-day rest and recuperation leave in Kobe, Japan.

Private First Class McLamb normally stationed in Korea as a bridge specialist with the 1st Coast 36th Engineer Group.

**1950 CADILLAC series 60 coupe de ville** — A silver metallic floral pattern tapestry cloth with white leather seats. The list of exceptionally rich upholstery choices available for the 1954 Cadillac Coupe de Ville. Dramatic new styling and new chrome and suspension engineering make the 1954 Cadillac a more distinctive, effective, establishing important future trends, according to Don E. Akers, General Manager of Cadillac's Motor Division.

Interior now has new, soft and new, and bright, new low length of body lines and increased interior roominess are outstanding. With improved steering, braking, handling and riding qualities, the new Cadillac delivers even greater smoothness and responsiveness from its high compression V-8 engine.
