Tar Heel Youths Meet President

WASHINGTON 8P — President Eisenhower likes to broil steak in the glass-walled solarium atop the White House. This came out today as the chief executive was chatting with six 4-H club award winners. He recalled that during the 1952 election campaign 4-H Club members at Kansas City, Mo., presented him a calf which he left behind when he went to the White House. Once the calf grew into a mature steer, he had it butchered and sent to the White House. Eisenhower told Ann Wade, 19, Achlochnee, Ga., national 4-H Achievement Award winner, that he now enjoys cooking steaks on a portable charcoal broiler in the solarium which is perched on the south side of the White House just above the third floor. Other award winners who met the President were Bobby L. Newton, 18, Creedmoor, N. C., and Nancy E. Mason, 17, Statesville, N. C.
