Grandmother Knows

Grandmother knows so many things! She can sew and knit and crochet and make lots of pretty things that people prize because they are hand-made. And you simply can't beat her as a good cook and housekeeper.

Yes, honey, Grandmother does know. She knows about all these practical things—and much more. She knows the deeper lessons of life. She knows that right is right and wrong is wrong—and that right is always best.

The girl who is blest with a good mother and a good grandmother, and is smart enough to learn from them, can practically chart her own happiness and build a life that is a blessing to mankind and the world.

Grandmother knows that spiritual things are far more important than material things. She knows that God rules in the kingdom of men, that the Church is His messenger, and that faith is man's hope of salvation.
