

# WORLD NEWS IN PICTURES

**FRANK SINATRA KISSES DONNA REED** in Hollywood as a fitting tribute from motion pictures' best supporting actor of 1953 to the best supporting actress. The Academy of Motion Picture Arts and Sciences selected the pair for their performances in Columbia's "From Here to Eternity," which was named the best picture of the year. "Eternity" won awards in eight categories to tie the all-time record. (International)

## WHERE 18 DIED IN MEXICAN PLANE CRASH

**MEN DIG OUT THE CHARRED REMAINS** of 18 persons, including five Americans, who perished when a Mexican airliner crashed in the Salinas Mountains, near Monterrey, Mexico. Reports said the twin-engined DC-3 had attempted to land at Monterrey and had been told to stay in the air because of a sudden dust storm which obscured the runway. A short time later it struck a mountain. The U.S. victims were identified as James L. McCormick, his sons, George and Donald, all of Amarillo, Tex.; Burton Farmer, of Guthrie, Okla., and James A. Johnston, a mining engineer, of New York City. (International Soundphoto)

## On Missing Plane

**BOBBY GAY** is one of three Hollywood girls who vanished on a flight from Burbank to El Centro, Calif. It is feared that they died with John A. White, pilot of the plane. Search for wreckage of the missing craft was resumed when previous reports of it having been sighted proved to be erroneous.

## 1953 FILM 'OSCAR' WINNERS

**WILLIAM HOLDEN AND AUDREY HEPBURN** clutch their Academy Awards at opposite ends of the United States after they were named best actor and best actress of 1953. Holden received his "Oscar" in Hollywood for his portrayal of the hard-bitten prisoner of war in "Stalag 17." Audrey was given her award in New York for her performance in "Roman Holiday," her first appearance in a motion picture. (International)

## FIRST LADY AIDS SCLEROSIS DRIVE

**MRS. AGNES MULLIGAN**, of New York City, the "Miss M.S. of 1954," smiles from her wheelchair as Mrs. Dwight D. Eisenhower takes over the honorary chairmanship of the Multiple Sclerosis Society's annual fund campaign. In background at the White House gathering are William C. Stead Jr. (left), vice president of the organization, and Judge Edgar S. Goodrich, Washington, D.C., honorary chairman of the M.S. drive. This year's drive is for \$1,500,000 and starts April 20. (International)

## FRENCH BRING FIERY DEATH TO REDS IN INDO-CHINA

**A FIREBOMB DROPPED** from a French plane bursts on a Red Vietnam position near the besieged Vietnam garrison at Dienbienphu, Indo-China. Flying boxcars and C-47's have dumped 12,500 gallons of flaming napalm on trenches occupied by Communist-led enemy troops. At bottom, fighting is halted under a truce agreement while the dead are buried and the wounded carried from the field. (International Radiophotos)

## Gets 20 Years

**VINCENT GUCCI** is shown in front of his cell in Chicago after he was found guilty of slaying his wife, Ann, by a jury of six women and six men. The court sentenced the defendant to 20 years in prison. An assistant State Attorney said the state would also try to bring Gucci to trial as soon as possible for the slaying of his three children. (International Soundphoto)

## FBI WARNS OF MIDGET A-BOMBS

**TWO TYPES OF MIDGET ATOM BOMBS** are depicted by an artist in connection with the warning by the Federal Bureau of Investigation that such devices might be smuggled into the United States by enemy agents. The bomb at the top uses a high explosive to trigger a piece of fissionable material through the barrel into another piece of fissionable material at the muzzle end. It could be as long as two and a half feet. At bottom, a sphere the size of a softball, made of fissionable material surrounded by explosives, would weigh 50 pounds. (International)

## BOY SUFFERS RARE BONE DISEASE

**CHILD NURSE** Irene McCormick, of Los Angeles, Calif., Children's Hospital, entertains little Rex, 2, who suffers from bone tumors in the hands. The world's medical history records show only a dozen such cases. Note how badly the boy's right foot is twisted. It may be 10 years before he can get out of bed and walk. (International)

## Tearful Reunion

**REUNITED** after 47 years of separation, Mrs. Mary Unterhalter (left), bursts into tears as she and her sister, Mrs. Sara Wolfson, embrace in Los Angeles. The sisters were separated in 1907 when Mrs. Wolfson left their Lithuanian home to come to the United States with friends and relatives. After World War I, Mrs. Unterhalter emigrated to Johannesburg, South Africa. (International)

**WALT DISNEY** has his arms full of "Oscars" at the 26th annual presentation of the Academy Awards in Hollywood. Disney finished on top in four classes: short subject documentary, feature documentary, best cartoon, and best two-reel short subject. He said his first award for "Mickey Mouse" was still "the biggest thrill of all." (International)

## Hadassah Birthday

**MRS. REBECCA SHULMAN**, president of Hadassah, the women's Zionist Organization of America, blows out the candle on a birthday cake at a New York celebration marking the 42nd anniversary of the group. Since 1912, Hadassah membership has grown from 12,000 to 300,000. It has spent \$90,000,000 for medical and social welfare programs in Israel and for a broad program of Jewish education in the United States. (International)

## HE'S NOT NUTTY—JUST A BIT DAFFY

**IT MAY SEEM** a bit nutty, but this Washington, D.C., squirrel appears to be daffy over daffodils. And since they are blossoming on the Capitol lawn, he's getting his two cents worth. (International)
