Effective immediately, all classified ads must be paid for in advance unless the advertiser is a business firm and has an established account with this newspaper. Ladies Asked To Apply For Jobs
 All Harnett County women the ages of 18 and 40 in the vicinity of Lillington interested in a job at the new Lillington Garment Co. are asked to register in a labor survey which will be held Friday, July 9 from 9 a.m. to 3 p.m. in the Lillington Town Hall. This is a new survey and is one of a series of one-day surveys to be conducted by the N. C. Employment Security Commission at various times during the remainder of the summer. None of the approximately 1,300 women who registered as interested in jobs in a survey made earlier in the spring are asked to re-register. This Friday survey is intended for new registrants.
