Sewell Unhappy With The GOP

CARTHAGE @ - H. F. Sewell, the Republican who received more votes than any other GOP candidate in North Carolina since Reconstruction days, today considered abandoning the Republican Party and joining the Democrats.

He said "the Republicans in power today could take a leaf from the Democrats' book and start listening to the people."

But he hasn't made up his mind completely yet.

"You can say that I have received several thousand invitations to join the Democratic Party. I am sitting on the fence," he said.

Sewell was Republican candidate for governor in 1952 against William B. Umstead.

A Carthage attorney, Sewell recently was overlooked by national GOP leaders for MIDDLE DISTRICT U. S. attorney after having the backing of both Republican and Democratic state leaders.
