#### Campbell Concert Series Announced Gloria Grahame

Campbell College's Concert Association changed its name to the Mutual Concerts Association of Campbell College today and announced its 1954-55 program list for

S. David Smith, music director of Campbell and chairman of the concert group for Campbell, said today that the change in name was caused by the acceptance of an invitation to the college from the luttual Concerts Association to join to group.

"The name was changed" said mith "because all of the publicity material, programs and tickets from the parent association bear its trademark."

Its said that he felt that the invitation to Campbell to join the national group was a "distinct long range and a tribute to the many interest vorkers locally who have.

Worked so hard over the years to worked so hard over the years to be ring good music to Campbell and the area."

He said that members of the association to renew their members of the sample to

Calif — TO —Blone film star Gloria Grahame. 28, and writer-producer Cy Howard, 38, packed for a Hawalian honevmoon today after a wedding which was rushed because the bride groom was so nervous. The couple exchanged vows at Howard's plush Beverly Hills home vesterday. The civil ceremony was held an hour earlier than scheduled because of Howard's case of pre-wedding, litters.

### **New Tax Bill** Is Signed By President

WASHINGTON (P) - President Eisenhower signed today a \$1,363,000,000 tax-saving revision measure which he described as a good law that would "benefit all Americans."

The President said the new law is part of a comprehensive tax program which since Jan. 1 has pro-

gram which since Jan. 1 has provided tax cuts totaling \$7,400,000,000—"The largest dollar tax cut in any year in the nation's history."

He signed the law in the presence of the congressional leaders who pushed it through. They included Rep. Daniel A. Reed (R-NY), chairman of the House Ways and Means Committee, and Sen. Eugene D. Millikin (R-Colo), chairman of the Senate Finance Comman of the Senate Finance Comman of the Senate Finance Com

COMPREHENSIVE REVISION

The new tax law is the first comprehensive re-writing of federal tax laws in more than 50 years. In addition to giving tax relief to corporations and individuals, it gives individuals an extra month to file returns.

gives individuals an extra month to file returns.

The President flipped through the 929 pages of the bill and remarked with a laugh. "Boy. there is a lot of work in there for the lawyers." In a formal statement about the bill, he recited many of the pro-visions which he said would bene-fit millions of taxpayers. He men-tioned more liberal allowances for medical expenses, special deducttioned more liberal allowances for medical expenses, special deduct-ions for working widows and widow-ers with small children, and the special consideration given persons who live on retirement income, "In addition, to removing inequi-ties in our tax system, this law will help our economy expand and (Continued On Page Two)

### L. Y. Ballentine, State Commissioner of Agricul-ture, predicted here this morning that if flexible Tobacco Barn **Lost In Fire**

G. W. Henry, well-known Dunn businessman and farmer, austained a loss of approximately \$2,500 or more early Sunday afternoon when a tobacco barn filled with tobacco wa destroyed by fire on one of his farms.

Speaking at the opening of the Dunn Tobacco Market Monday morning, the State official described passage of flexible supports by the Republicans as "the modern tragedy of agriculture."

Even though the tobacco program still calls for a fixed parity price, said Ballentine. "all of us realize that tobacco can not stand alone and the demise of the tobacco program as we know it is only The fire occurred about 2:45 o'-

The fire occurred about 2:45 o'clock and apparently was started
when a stick of cured tobacco fell
on one of the oil burners.

Dunn firemen were called to the
scene, but the blaze had made such
headway that it was impossible to
save the barn, pointed out Sectitary Howard M. Lee.

However the firemen beat the

tary Howard M. Lee.

However, the firemen kept the blaze from spreading to another barn nearby and other buildings. In addition to the barn, a storage shed and other equipment were destroyed. There were 630 sticks of top-grade tobacco m the barn. Mr. Henry said he didn't have a cent of insurance on the property. The tobacco was being cured by one of his tenants, James Roberson, Negro. The barn was located (Continued on Page Two) ruins us."

Ballentine explained that the tobacco program, as the lone crop enjoying a fixed support price, would
be the target of vigorous and bitter son,
