RALEIGH  $(\mathbb{P})$  — A plan to collect state income taxes by withholding was in the drafting stages today as the House and Senate swapped and shifted their budget stu-dies to the opposite side of the ledger.

# **Ike Endorses Dick Nixon** As Campaigner

WASHINGTON (P) - President Eisenhower is firmly recorded as endorsing Vice President Richard M. Nixon's 1954 campaign tactics and feels now that informed Republicans should defend them against Democratic charges of a smear.

Mr. Elsenhower's endorsement was in a campaign wind-up letter to the vice president expressing admiration "for the tremendous job you have done since the open-ing of the present campaign." The, President's feeling that other Re-publicants familiar with Nixon's campaign tactics should rise in their defense has been expressed privately since Speaker Sam Ray-burn and numerous other Demo-crats started a hot fire as the 84th Congress convened. Congress convened. It is understood that Nixon in-

It is understood that Nixon in-tends to leave his defense to others unless their efforts prove inade-quate. In that event, Nixon prob-tion to that which dramatically in-ably would utilize his high statior in government to seize the atten-terrupted his campaign for election back in 1952.

**Make Report** back in 1952. **REFERS TO "DOG" SPEECH** That was the occasion when the Republican vice presidential nom-inee, supported by Mrs. Nixon and the Nixons' dog. Checkers, made a TW reply to inquiries about the source and use of his funds. Mean-time, the defense of Nixon has beeun with a Senate sneech by Sen The Harnett County Grand Jury and d is duty for the term yester-day and rendered a report with the recommendation that the Clerk of Court be given adequate office space and that wiring be repaired and impred in the courtburge begun with a Senate speech by Sen. ## WASHINGTON (P) -President Eisenhower today asked Congress to exetend the draft for four years, set up a massive reserve training program for young men 17 and 18 years old and raise the pay of the armed

Pay Increase

**Proposed** For

**Armed Forces** 

services, services, He proposed an aggregate pay increase of 6.7 per cent in military pay. This is estimated to cost about 750 milion dollars in pay and allowances for men and wom-en already in the armed services. The chief executive's reserve plan called for "volunteers" in the 17 and 18-year age bracket for six months' basic training to be fol-lowed by active reserve participa-tion for 9<sup>1</sup>2 years. He gave no figure as to how many "volunteers" would be needed—he said an "adequate" number. The Defense Department has said the goal is 100,000 a year to start. The President said if an "ade-quate" number do not volunteer,

quate" number do not volunteer, authority should be given to draft quate"

young men between the ages of 18½ and 19. RESERVE DUTY

RESERVE DUTY Men not volunteering, or select-ed, for this program—a modified form of universal military training —would continue subject to calls by their draft boards for two years of regular military duty, as at pre-sent.<sup>1</sup>

sent.<sup>7</sup> For the first time, reserve duty for discharged draftees would be made compulsory. The President proposed "other than honorable" discharges for those who failed to carry out their assigned reserve duties.

The President said it shall always (Continued On Page 'Two)
