

Circle Members Met At Home Of Mrs. Fowler

Circle II of the Divine Street Methodist Church met Monday afternoon at 3:30 at the home of Mrs. Wesley Fowler.

Mrs. Nathan Johnson Sr. conducted the business meeting. Mrs. Charles Highsmith was in charge of the devotional period, using as her theme, "God Nearside To Us."

Red roses decorated the living room of the Fowler home for the afternoon meeting. During the social hour, the hostess served ambrosia, fruit cake, and coffee.

Christian Women Hear Mrs. Mattox

Members of the Christian Women's Fellowship of the Hood Memorial Christian Church met last night at seven o'clock in the Fellowship Hall.

Refreshments were served buffet style by members of Circles 3, 4, and 5, the losers in a recent attendance contest sponsored by the CWF. Mrs. Wallace Dixon poured coffee, and from a table centered with an arrangement of winter greenery and berries, members served themselves pimento cheese and chicken salad sandwiches, cookies, and nuts.

Mrs. Wayne Justesen, Worship Chairman, was in charge of the devotional period, leading the group in singing, "Work For The Night Coming," and presenting the scripture and prayer.

Mrs. Pat Lynch, president of the WF presided over a routine business meeting. The secretary's report was given by Mrs. Paul Barefoot, and the secretary of each circle presented her report.

Mrs. Owen Willis introduced the speaker of the evening, Mrs. Ben Mattox of Smithfield. Mrs. Mattox presented, in a most interesting way, a review of the study course book, "Man and God in the City." She pointed out that conditions in the city are in reality, little different from the conditions existing in towns such as Dunn and Smithfield.

THIS BEAUTY SPEAKS FOR ITSELF... SO HERE ARE JUST THE FACTS

SERIES AND MODELS AVAILABLE—The 1955 Mercury is offered in 3 series, 10 models. At the top of the line, the entirely new Montclair Series: Available as a hardtop Coupe, Convertible, or Sun Valley with a transparent roof panel. The Monterey Series includes a 4-door Sedan, hardtop Coupe, and a Station Wagon with simulated wood paneling (4 door; seats 8). The lowest-cost Custom Series includes a 2-door Sedan, 4-door Sedan, hardtop Coupe, and an entirely new all-metal Station Wagon (4 door; seats 8).

ACCELERATION FIGURES—Mercury's pickup and passing power has been boosted in every speed range. Test-track comparisons of 1954 and 1955 models show average acceleration increases as follows: From 0 to 30 mph—30% greater; 0 to 60 mph—22% greater; under passing conditions (30 to 60 mph)—22.5% greater. These increases are the direct results of Mercury's new SUPER-TORQUE V-8 engines and a new quicker-acting Merc-O-Matic Drive. (A new "kick-down" position on the accelerator automatically moves Merc-O-Matic Drive into "Lo" for fast starts. At cruising speeds you can "kick-down" from high to "intermediate" for extra passing power.)

EXCLUSIVE MERCURY FEATURES—Only Mercury in its field has dual-exhaust systems as standard equipment (on Montclair and Monterey models), ball-joint front suspension for ease of handling and sureness in cornering, and a 4-barrel carburetor in every model in every series. It works on a unique vacuum principle to give you 4-barrel acceleration for pickup and passing, 2-barrel economy for normal driving. OPTIONAL FEATURES—The 1955 Mercury offers you the widest choice of power features in its field: power steering, power brakes, a 4-way power seat, power window lifts, even power lubrication. Press a button under the dash and Mercury's new Multi-Luber system lubricates all vital parts automatically. You also have your choice of no-shift Merc-O-Matic Drive, Touch-O-Matic Overdrive, or standard transmission. FUTURE RESALE VALUE—For the past three years Mercury has held the class championship for resale value according to independent market reports. It pays to own a Mercury. We invite you to stop in at our showrooms for a close-up look—and a drive.
