ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled nearly every joint in my body and with muscular soreness from head to foot. Rheumatoid Arthritis and other forms of rheumatism, hands deformed and my feet were set. Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief. Mrs. Lela S. Wier 2805 Arbor Hills Drive - 55 P.O. NEW MERCURY WINS RAVE REVIEWS FROM AMERICA'S TOP AUTO EDITORS

"In my book, the 1955 Mercury Montclair is the best-looking car made in America regardless of price... The '55 Mercurys have nearly everything—looks, top performance and roadability." TOM McCAHILL True Magazine's "Automobile Yearbook" "On looks, (Mercury) is sleek enough to draw whistles... a doozy to drive—quick, smooth, and sure-footed. It is the kind of car you would want as a good companion on a long, fast trip." FRANK ROWSOME, JR. Popular Science Monthly "With its all-new styling and high speed, (the new Mercury Montclair) may become 1955's most popular car... I love its looks, visibility, speed and handling... It's hot as a pistol." HARVEY B. JANES Auto Age "Performance-wise, all three lines (Custom, Monterey, and Montclair) are bombs, triggered by big 292 cubic-inch engines with plenty of torque for spine-tingling pickup when you want it." AUTO EDITORS. Mechanix Illustrated

Mercury Montclair, Monterey, Custom on the test track at Dearborn, Michigan. All 10 models in Mercury's 3 new series are powered by new Super-Torque V-8 engines (198 horsepower in the Montclairs, 188 horsepower in the Montereys and Customs). Dual exhausts are standard equipment on the Montclairs and Montereys. Mercury's pickup and passing power has been boosted in every speed range. Tests show acceleration increases of as much as 30 per cent, and you get far more usable power for safer passing and hill climbing. Get behind the wheel of a new Mercury. Feel the difference yourself.
