ORDER AUTHORIZING \$2,000,000 SCHOOL BUILDING BONDS

WHEREAS, The Board of Education of Harnett County has certified to this Board a resolution passed on February 7, 1955, finding that it is necessary in order to comply with the constitutional requirement for the maintenance of schools in Harnett County six months in each year to erect additional school buildings, remodel and enlarge existing school buildings, and acquire necessary land and equipment therefor in order to provide additional elementary and secondary school facilities, the estimated cost of which is \$2,000,000; and

WHEREAS, said resolution requests the Board of Commissioners to take all necessary steps, by the issuance of bonds or otherwise, so that such school facilities may be provided; and

WHEREAS, the Board of Commissioners has carefully examined the facts and has determined and does hereby find as a fact that said statements of the above mentioned resolution are true and that it has become the duty of said Board of Commissioners, acting as an administrative agent of the State in providing a State system of public schools, to order the issuance of bonds of the County of Harnett so that the school facilities mentioned in paragraph 1 of this order and in said resolution may be provided in order to maintain the six months' school term in the County of Harnett as required by the Constitution; now, therefore,

BE IT ORDAINED AND RESOLVED by the Board of Commissioners for the County of Harnett

1. That, pursuant to The County Finance Act, as amended, and in order to maintain the six months' school term in said County of Harnett as required by the Constitution, the County of Harnett, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said County may now or hereafter have power or authority to contract, and in evidence thereof to issue School Building Bonds in an aggregate principal amount not exceeding \$2,000,000 for the purpose of providing funds, with any other funds available for such purpose, for erecting additional school buildings remodeling and enlarging existing school buildings, and acquiring necessary land and equipment therefor in order to provide additional elementary and secondary school facilities in the County of Harnett.

Record.

\$2.00 HOURLY possible doing light assembly work at home. No experience necessary. Write SANCO Mfg. Co., 7159 Beverly Blvd., Los Angeles 36, Calif. 3-25-2t-p

2. That a tax sufficient to pay the principal of and the interest on said bonds when due shall be annually levied and collected.

3. That a statement of the County debt has been filed with the Clerk and is open to public inspection.

4. That this order shall take effect when approved by the voters of the County at an election as provided in said act.

The foregoing order has been introduced and a sworn statement has been filed under the County Finance Act showing the assessed valuation of the County to be \$51,410,819.02, and the net debt (including the proposed bonds) for school purposes to be \$2,694,500.00.

A tax will be levied for the payment of the proposed bonds and interest if the same shall be issued. Any citizen or taxpayer may protest against the issuance of such bonds at a meeting of the Board of County Commissioners to be held at 10.00 o'clock A. M., April 4, 1955, or an adjournment thereof.
