Witnesses Plan Special Campaign

Spokesmen for Jehovah's witnesses announced plans today for delivering a special message to the world. Mr. F. N. McLamb, a local presiding minister, revealed some of the details of this special campaign, which includes sponsoring the public lecture entitled "Christianity or Christianity—Which One Is 'the light of the world'?" There are approximately 14,000 congregations in 159 lands that will participate. Mr. McLamb will deliver this discourse at Kingdom Hall, Mr. Samuel Salter will deliver this discourse to a colored audience at the Harnett High School. The public is cordially invited to attend. Both talks will be delivered on Sunday, April 3, at 3 p. m.
After the discourse a new 32-page booklet containing extraordinary information will be given free to each person in attendance. Some 600,000 of Jehovah's witnesses will then begin distribution of millions of copies of this special message in many languages throughout the world. It is the desire of Jehovah's witnesses to place a copy in every home. Mr. McLamb said the contents of this specially prepared booklet had not yet been made public, but its message was unique and would be of special interest to persons of all faiths.
Advance preparation and the world-wide scope of this special campaign give indication that this may well be one of the greatest religious proclamations in modern history, Mr. McLamb said. He went on to tell of local plans that have been made, stating that Jehovah's witnesses here are ready and eagerly looking forward to this special campaign.
