EUROPE, FRANCS, RELIGION. ALCOHOL, OTHER NOTES

Earl J. Wade and his brother, George Robert Wade of Washing-ton D. C. spent the weekend with their mother Mrs. Jasper L. Wade on Dunn Route 1... The two bro-thers are government career men and are doing well in the nation's capitol. George Robert is with the Air Force and Earl holds a top administrative post with the Congressional Committee on Government Operations one of the most important of the Washington committees ... Next Monday, Earl is leaving for an interesting assignment in Europe and North Africa
....While abroad of course, he'll
tour that entire part of the world

... Earl, a suave, polished, good-looking young fellow who has de-veloped a delightful Yale accent told us an interesting story about the work his committee is doing... Believe it or not but it is taking an inventory of what the United States government is actually worth..."Nobody really knows" the world and there never has ment to grant a passport to Negro been a real inventory and accounting." . He figures that when the Robeson has made big job is completed the national debt won't look too bad beside the nation's total assets and worth... Earl is going to Europe to check on the progress of the inventory of Uncle Sam's possessions over which it has so far devided him.
