### Politics Taboo

(Continued from Page One)  
 Mr. Eisenhower conferred for more than 30 minutes Monday with one of the key politicians of his administration, Postmaster General Arthur E. Summerfield.

"We really did not discuss politics," Summerfield said. "I thought it would be most inappropriate for me, under the circumstances and conditions, to discuss politics with the President, or frankly, with anyone else."

This has been the administration line for every major visitor appearing in the hospital suite where the President is recovering satisfactorily from a Sept. 24 heart attack.

### Boy Held In School Breakin

The SBI think they have caught the attempted safe-braker at Benhaven School—19-year-old Jackie Sloan who drew a gun on officers when they tried to arrest him in a cemetery.

Officers had to shoot Sloan in the seat of the pants to quiet him, but he was not, they said, seriously wounded. Sloan is suspected of the Benhaven break-in and of a series of safe robberies around Rockingham, Moore, Hoke and Harnett counties.

During a gunfight with officers R. A. Gillis and B. F. Reynolds, Sloan fell as though he had been hit. When they approached to check his condition, he bobbed up with gun in hand.

It was then he got shot in the seat of the pants.

### Two Critically Hurt In Wreck

Two persons who were hurt in separate wrecks in the vicinity of Lillington during the week end remain in critical condition.

Jimmy Lester Bennett, 15-year-old youth of Lillington, Route 2 is in Dunn Hospital following a collision between a car and a tractor Bennett was driving one mile south of Lillington on highway 15-A.

Sammy Ray Matthews, 20 of Lillington, Route 3 is in Lee County Hospital in Sanford with a severe head injury received when a car in which Matthews was a passenger went out of control on a curve, hurtled through the air 402 feet and overturned three times on the Spring Hill Church road, near Marners.

Both accidents, investigated by Patrolman Herman Ward, happened on Friday night between 6:30 and 9:30 p. m.

Bennett was driving a 1947 John Deere tractor South on highway 15-A when he was hit from the rear by a 1950 Buick driven by Walter B. Duke of 902 East Edenton Street, Raleigh. Mr. Duke told highway patrolman Ward that he had just met a car and hit the tractor, which had no lights, before he knew it. The Raleigh man suffered a cut lip and his wife, Mrs. Eva Prince Duke, 47 who was riding on the front seat, received a possible skull fracture, and laceration of the right arm. She was admitted to a Raleigh hospital.

Bennett, given first aid treatment at Dr. J. K. Williford's office in Lillington was taken by ambulance to Dunn Hospital. The youth suffered a lacerated head, injuries to his right knee, and possible internal injuries.

The patrolman said the tractor was totally demolished and damages to the Buick were estimated at \$600.

Investigation of the accident is continuing.

In the accident eight miles West of Spring Hill Church Patrolman Ward was assisted in the investigation by Rural policeman Walker O'Quinn. They said they found that a 1953 Chevrolet driven by Thomas Franklin Johnson, 25, of Broadway, Route 1 was traveling South when it went out of control on a curve, and overturned. The driver escaped without injury but Matthews was badly injured. The officers said Matthews suffered considerable loss of blood before he was rescued by a passing motorist and rushed to the Sanford hospital. No charges have been filed pending a report on the condition of Matthews.
