Pete's wife Mae and his nine year old son Terry will stay in Ra-leigh until the end of the school contest, 1955.

Adlai, Estes To Meet On Florida Tour

WASHINGTON (P) - Attylai E. Stevenson and Sen. Estes Kefauver will engage in their first face-to-face debate as part of their battle for Florida's 28 Democratic National Convention votes

Stevenson proposed the debate in a radio broadcast from Chicago Sunday, saying that he would be "delighted to appear with Sen. Kefauver most anywhere." He suggested that an ideal time would be when they both resume their campaigns later this week in Flor-

Informed of the challenge in Washington, Kefauver said he would "be very happy to meet withd Stevenson whenever it can be arranged." The Tennessee senator suggested they might arrange a joint appearance on a telecast he is slated to make in Miami.

TO CLOSE CAMPAIGN

Stevenson formally closes his campaign tonight for Tuesday's primary in his native state of Illinois with a television address at Chicago. Although not formally opposed in the primary, Stevenson faces a write-in threat from Ke-

fauver supporters.

The Illinois primary will provide no 'popularity' contest between Stevenson and President Eisenhower, the lone candidate in the COP balloting, Unlike the Wisconsin and Minnesota primaries, voter cannot cross party lines.

Kefauver returned to Washington Sunday after a campaign tour swamp during a night exercise last of New Jersey to seek the District night, and a search party today of Columbia's six convention votes. recovered the bodies of four of Before leaving New Jersey, he met with Gov. Production Of B-52 Bombers To Be Speeded

WASHINGTON (P) - President Eisenhower asked Congress today to increase defense appropriations for the coming fiscal year by \$547,-100,000. More than half of the extra funds will go to strengthen the nation's Hbomb fleet of B52 jet bomb-

The President said only about 400 million of the requested fund would actually be spent during t 1957 fiscal year starting July Therefore, he said, the new ra-quest "will not unbalance the 1957 budget" which he presented to Congress in January. The budge originally provided for a federa surplus of about 400 million.

He earmarked \$376,500,000 of the new appropriation for the Air Force to provide for "accelera production" of long-range B and construction of addition Strategic Air Command bases handle them. Part of the Air Fo unds also would go to speed or truction of the distant early wa ing line of radar stations stretch ing 3,000 miles across the Arcti

rim of northern Canada.

ARMY and NAVY SHARE The President also sought 65 illion for the Navy; 55 million for the Army; and 50 million for
