LILLINGTON FARMER MAKES IT 1021 — Sherwood Wood of Lillington was the 1021st farmer to sign up to participate in the 1962 feed grain program in Harnett County. The objectives of the program are to increase farm income, reduce stocks of Government-stored grain and provide feed grain at a fair price to participating farmers. The '61 feed grain program was a suc-

cess and the ASCS office is confident that participation in 1962 will far surpass that of last year. In the photo (left to right) are Mrs. Margaret Pittman, Miss Loraine Brown, Mrs. Virginia C. Johnson, Mrs. Mamie Kennedy, Mr. Wood and J. R. Batchelor. (Record Photo by T. M. Stewart.)

SPRING IS HERE

Spring is here again I know. Look at the tiny flowers grow. The buds on the trees are coming out.

Little hills of grass are all about. The birds sing in a tree. Spring is here, yes, indeed.
