

### Attempt Made To Pass Bill

Secret Service and FBI agents were called in after two men made two efforts to pass counterfeit \$20 bills here Friday night. Chief of Police Alton A. Cobb reported Saturday.

Cobb said the two men, driving a blue and white station wagon, stopped at the Service Distribu-

made an attempt to pass a counterfeit \$20 bill at another service station.

Durham police said they had no knowledge that the Dunn incident might have any connection with the discovery here last week of more than \$1 million in counterfeit \$20 bills.

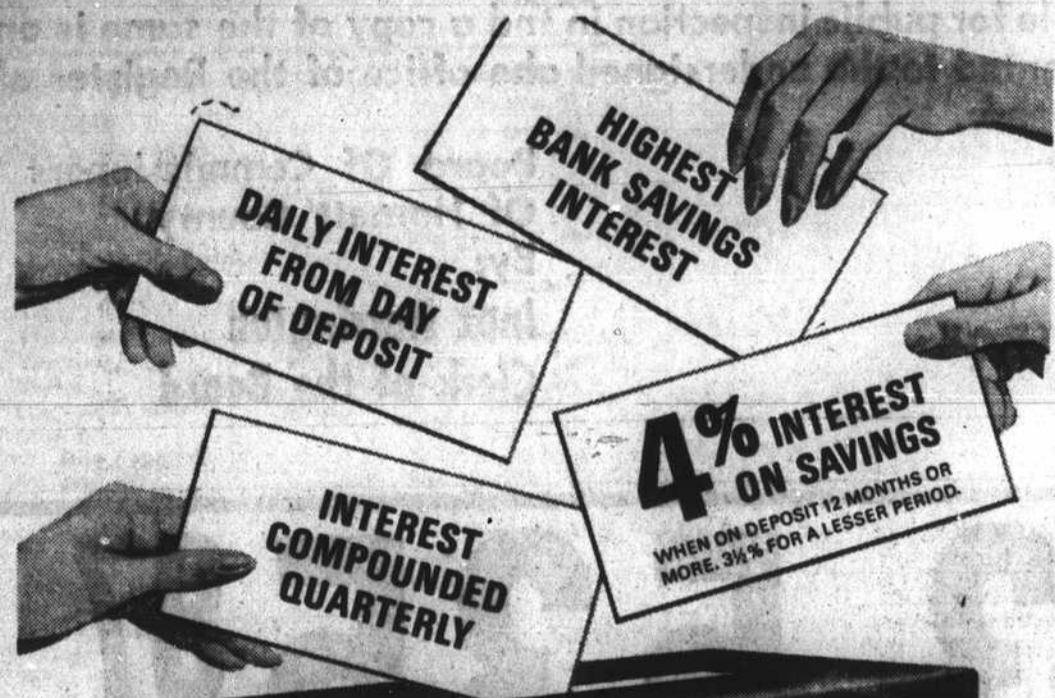

Shortly after the raid and seizure of three Durham men, two other men—one from Roxboro and the other from South Boston, Va., were arrested and charged with possession and conspiracy in connection with the bogus money

ring.

It was believed at that time that all of the money had been confiscated before it was put into circulation.
