

Fox Is Heading For New Record

Nelson Fox, who already owns eight major league records, will soon achieve another statistical goal that will place him among the greatest second basemen in baseball history.

The combative little Chicago White Sox second baseman — who just might be the only fellow in the American League who hasn't conceded to the New York Yankees — needs only three more hits to reach 2,500 for his career. That's a total reached by only five second basemen — all hall of famers — Eddie Collins, Nap Lajoie, Frankie Frisch, Charlie Gehringer and Rogers Hornsby.

Fox knocked in three runs with two singles and scored the White Sox's fourth run of the game Thursday in a 4-3 victory over the Detroit Tigers. The win enabled the second-place White Sox to move within eight games of the Yankees, whose six-game winning streak was ended by a 5-0

loss to the Los Angeles Angels.

The Cleveland Indians edged the Minnesota Twins, 2-1, the Kansas City Athletics defeated the Boston Red Sox, 2-0, and the Baltimore Orioles downed the Washington Senators, 4-3, in other American League games.

In the National League, Pittsburgh defeated Los Angeles, San Francisco beat New York, 3-0, St. Louis topped Milwaukee, 3-1; Cincinnati downed Chicago, 3-2; and Houston beat Philadelphia, 3-0.

Cromartie FUNERAL HOME
200 S. 4th St. Phone 482-8071

Dear friends,
Yes, there is such a thing as an "expensive" funeral. Any funeral is expensive if the cost means hardship to those who survive. That is something which always should be considered.

Many clients have talked this matter over with us frankly, and they have found that the problem can be solved without detracting from their natural desire to pay fitting tribute.

Complete information is yours for the asking.

Respectfully,
W. H. Cromartie
